Buy Keystone flour. Be sure that the name Lussio & Raun, Ashland, Pa., is printed LIGHTNING RODS.

A Traveling Salesman Taken in by a Hay-

The lightning-rod man haunts our county sale does the rest of the civilized portion of the country; and although occasionally he re ceives a victim, sumetimes it happens that he gets worsted in his attempts to beguile his fellow-men. Such was his fate upon a recent cossion in the Catawian Valley.

The other day a lightning-rod man drove up in front of a handsome building standing n the midst of trees and shrubs, not far from lingtown, and spoke to Mr. Smith (which to't his right name), who was sitting on the steps in front. He accusted Smith as the wher of the residence, and said:

"I see you have no lightning-rods on this "No," said Smith,

"Are you going to put any on ?" "Well, I hadn't thought of it," replied

"You ought to. A tall building like this is very much exposed. I'd like to run you up ne of my rods; twisted steel, glass fenders,

ickel plated tips-everything complete May I put one up to show you? I'll do the "Certainly you may, if you want to.] naven't the alightest objection," said Smith. During the next half hour the man had

at the end of that time the job was done, He called Smith out into the yard to admire t. He said to Smith. "Now, that is all well nough; but if it was my bouse, I'd have nother rod put on the other side. There's oothing like being protected thoroughly." "That's true," said Smith; "It would be

"I'll put up another, shall I?" asked the

"Why, of course, if you think it's best," Accordingly, the man went to work sgain

nd soon had the rod in its place. "That's a first-rate job," he said to Smith as they both stood eveing it. "I like such a man as you are. Big-hearted, liberal, not fruid to put a dollar down for a good thing. There's some pleasure in dealin' with you. ike you so much that I'd put a couple more reds on that house, one on the north end and ne on the south, for almost nothin," "It would make things safer, I suppose,"

aid Smith "Certainly it would. I'd better do it,

"Just as you think proper," said Smith. So the man ran up two more rods, and there came down and said to Smith, "There hat's done. Now let's settle up." "Do what?"

"Why, the job's finished, and now I'l ake my money." "You don't expect me to pay you, I hope? "Of course I do. Didn't you tell me to pu

hose rods on your house?" "My house!" shouted Smith, "Thunde and lightning! I never ordered you to put hose rods up. It would have been ridienous. Why, man, this is the school house and I am here taking a rest. You seemed to be auxious to rush out your rods, and as it was one of my business, I let you go. Pay for it, Come now, that's pretty good."

The lightning-rod man tore sround and swore fearfully. But when he got his rods off of the school house he left permanently. He don't fancy the place.

Grand Display of

FINE DRESS GOODS

RESS GOODS is such a bewildering topic that we will not attempt a full description, but give a partial outline, which you can fill in by a personal inspection. There are the plain and changable diagonals; plain, plaid, striped and invisible plaid serges; fancy mixtures in all sorts of odd weaves, dots, threads, cross-threads, hair-lines, lines here and there, many at a glance appearing alike, but upon examination are found entirely different. Our assortment of silks is complete-china silks, china surah, plain surah, bengaline, plain, figured and changeable silks, in all the new shot effects. Full line of fancy braids to match any color of dress goods.

We find the most stylish andIn Wraps the prevailing mode to be the

Cape, in some of its variations. single, double or triple capes. Some are plain, others very highly decorated, with fancy indescent braid, butterily colors, or some full arrangement at the neck, so much approved this season by the feminine fancy. To some, coats only are the correct garment. To those we would say costs are equally fashionable and stylish, many of these having capes also attached-sometimes one, two or three, as the

We have this season, for the first time, added a Millinery Department, and have spared neither trouble nor expense to make it a success. The result exceeds our most sanguine expectations. This department will be under the same management and conducted on the same principles that have always characterized our entire business. We shall keep everything in trimmed and untrimmed hats, novelties of every description. Having secured a trimmer noted for her artistic and skillful work, we are enabled to suit all tastes. We invite a careful inspection of our entire store. All welcome,
