HARDENERGY for the barh on Mal-lightning and burned with all its oph-friends of the horses, seven cows and farming imple-the barber of the barb of the barby crow menta "It is said that the department oan af-Mrs. Meyer's Precarious Condition. "It is said that the department can af-ford to pay out gold on the drafts pre-sented by the banks if by so doing they can cut off the source through which the banks would get their small notes, and put them to sufficient incenvaniagce to bring them to terms. The banks under-stand that if they want small notes and certificates they can seeure them by taking large quantities and paying for them in gold, and it is the theory of the depart-ment that by pinching them prefty close they can be forced to do this. It is very probable that the issue of gold certificates BETHLEREM, July 17 .- Mrs. Levi Mover. living near Lower Sancon church, who was bitten by a coppericual snake while ploking blackberries, is still in a pregarious condition. Pieces of flesh of live chickens are being constantly placed on the bitten leg, which appears to reduce the swelling and relieves the patient of pain. Each ortion of the chicken flesh when removed probable that the issue of gold certificates will not be resumed if the gold reserve gets above \$150,000,000, as it is not clear that the law is mandatory in requiring a renewal of this lissue after it has been stopped by reason of the reserve falling be-low \$100,000,000. attention Twenty Men Fall from a Scaffold. WILEESDANNE, July 18.-The scaffold-ing at the oil pumping station of the new pipe line gave way, and twenty men were thrown to the ground. The men fell twenty-five feet.
