How do you like the ticket?

AND still our Democratic friends are not happy.

WHERE are the good times promised by the Democrats before the election? Echo answers, where?

JUDGING from the personnel of the ticket nominated yesterday at Pottsville, the Democrats believe in life tenure in office.

Does "Sky-light" Toole own the Democratic party, tooth and nail? The Democratic voters are beginning to believe that he does.

The last edition of yesterday's HERALD was eagerly sought after. The demand was so great that our fast presses were unequal to the task. In this respect the HERALD, which is always ahead of the procession, led all our county exchanges. In fact our report of the proceedings surprised that of the Pottsville afternoon papers. The people demand the news, and that is one reason why the HERALD is so popular with the masses.

AN OPPORTUNITY.

The Republicans of Schuylkill county never had as good a chance to secure victory in Schuylkill county as the one that now presents itself. They had an excellent opportunity last year, but allowed it to go past on account of the factional issues which have so long handicapped the party. It is hoped all on both sides will be wiser this year and handle this better opportunity more judiciously and with more effect against the Democratic party which is weaker to-day than it has ever been before in this county. A ticket of young men of good business qualifications and who are not in connected with any faction will attain a sweeping victory, but they must be young men of new blood, as they alone can unite the Republican party in this county.

It does not require a very close observer to see that in addition to the shattered condition of the Schuylkill county Democratic ranks the Republicans have in their favor the demoralized condition of affairs which has taken root since the inauguration of Cleveland only four months ago, the suspensions of banks, failures of business houses, the loss of a means of livelihood by thousands of workmen, the surrender of the Union to the South, which is now in the saddle to rule or ruin, and the utter indifference of Cleveland, his cabinet and the Democratic Congressmen at this most critical time has dissatisfied the masses and they will turn to the Republicans for the relief received at their hands after the days of Buchanan.

The veterans of the war are again reunited; and though they are rapidly decreasing in numbers they with their sons and grandsons, will stand up shoulder to shoulder and call the Democratic party to account for the vigorous Hoke Smith methods and the hard times it has inaugurated. True, Schuylkill county is but a very small part of the United States, but a victory on Republican lines within its borders will have a wholesome effect. The time is ripe for a glorious victory, and it is the duty of all Republicans to get together and adjust all differences for the grand old party that bears the standard of America and American industries.

Republicans, arouse yourselves! Put on your war paint, pick your flints and keep your powder dry. If every man does his duty the ruinous Democratic policies will be wiped out and under the banners of the Republican party the country and its people will once more be on the highway of progress and prosperity.

Indications That Admiral Hamann Has Not Been Advised by His Government of the Existing Tension—Inhabitants Fear an Attack on Siam's Capital.

PARIS, Aug. 1.—The ambiguous tone of Sunday's cabinet council in accepting Siam's surrender has excited much comment. It is generally understood that the high authority that France intends to take decisive steps to insure Siam's carrying out the terms of the ultimatum.

A prominent Paris merchant who owns warehouses in Bangkok expressed the opinion that decisive action is necessary to restore the prestige which France enjoyed in Siam after the adoption of the commercial treaty of 1893.

His Alleged Slayer Threatened with Lynching by Angry Syracuse Citizens. SYRACUSE, N. Y., Aug. 1.—One of the most dastardly lynchings ever perpetrated in this city was enacted on East Water street, within a few feet of the City Hall, yesterday.

The murderer gave his name as George A. Barnes, but refused to say where he resided. His companion has not been captured. There is some doubt expressed as to whether the man captured is the one who did the shooting.

WIFE AND THREE CHILDREN SLAIN.

Farmer Noemmacher Says He Feared Starvation, and Therefore Butchered His Family with an Ax, Afterward Making an Unsuccessful Attempt at Suicide.

ANTIGO, Wis., Aug. 1.—William Noemmacher, a farmer living five miles southeast of Antigo, murdered his wife and three children Saturday night, and then made an unsuccessful attempt to take his own life. The news reached here yesterday.

Returning to the room where his wife lay, he picked up his year old baby, held her with one arm and struck her on the top of the head. He then went to the barn, climbed up to the roof and jumped twenty feet to the floor of the pig sty, sustaining injuries to the spine and paralyzing his lower extremities.
