BY A FALLING BALCONY

Mirth Changed to Grief at a Boston Jollification.

FOUR KILLED AND MANY INJURED.

The Victims Had Assembled to Participate in the Festivities of the Chelsea Yacht Club, and Were Thrown Upon the Pier or Into the River.

BOSTON, Aug. 4.—A distressing accident that has resulted in the death of at least four people and injuries to probably fifteen or twenty others occurred last evening at the boat house of the Chelsea Yacht club, on Broadway, Chelsea, near the Charlestown bridge over the Mystic river.

It was illumination night at the club house, and in consequence there was a large crowd in attendance, including many ladies. A band was playing on the pier in front of the club house, and many people had filled the balcony, directly over the musicians' heads. Suddenly the balcony gave way and its occupants were thrown upon the pier and many of them into the water. The confusion that followed was indescribable, men and women shrieking in their attempts to save themselves and their friends. An alarm of fire was sounded, and the firemen who responded did grand work in rescuing those who were found floating in the water and in securing the bodies of the drowned, as well as in helping to care for the injured.

Following is a list of the dead as far as known at present, although there may be other bodies that have not yet been found: J. B. Warren, Chelsea; A. L. Pemberton, Melrose; Mrs. Augusta P. Shuman, Chelsea; Mrs. A. A. Putnam, Chelsea.

The injured are: Mrs. Mary Van Vorst, of Revaro, badly bruised about the body; Master Van Vorst, slightly hurt; Mrs. L. E. Barnes, Chelsea, bruised; Miss Sadie Davis, Chelsea, fractured skull; Thomas Mitten, Cambridge, fractured arm; Mrs. F. J. Lynde, Chelsea, bruised; Miss Joice Grimes, injured about limbs; Miss Fannie Newman, bruised; Miss Mary Billman, badly shaken up; Miss Eva Winott, badly bruised; ex-Councilman H. Foye, Chelsea, bruised; Mrs. Morton, Chelsea, bruised; Miss Annie Farley, Chelsea, foot crushed; Jerry McCarthy, internal injuries, will probably die.

Brutally Treated by Robbers.

SOMERSET, Pa., Aug. 4.—Three masked men entered the residence of Abraham Bean, a retired farmer, 97 years of age, and finding Mr. and Mrs. Bean alone, demanded their money. Mrs. Bean handed them a purse containing less than a dollar. The robbers turned furiously upon the old couple and beat them in a horrible manner. A piece of firewood was forced down Mr. Bean's throat in an effort to extort from him the hiding place of his supposed wealth. The old gentleman lost consciousness, and the robbers, thinking they had killed him, knocked Mrs. Bean senseless with a club and fled. It is doubtful whether Mr. Bean can recover. No trace of the robbers can be found.

Bogus!

Bogus white lead would have no sale did it not afford makers a larger profit than Strictly Pure White Lead

The wise man is never persuaded to buy paint that is said to be "just as good" or "better" than

Strictly Pure White Lead

The market is flooded with spurious white leads. The following analyses, made by eminent chemists, of two of these misleading brands show the exact proportion of genuine white lead they contain:

Misleading Brand
"Standard Lead Co., Strictly Pure White Lead, St. Louis."

Materials	Proportions	Analyzed by
Barytes	59.36 per cent.	Regis Chauvenet & Bro., St. Louis.
Oxide of Zinc	34.18 per cent.	
White Lead	6.46 per cent.	

Less than 7 per cent. white lead.

Misleading Brand
"Pacific Warranted Pure [A] White Lead."

Materials	Proportions	Analyzed by
Sulphate of Lead	4.18 per cent.	Ledoux & Co., New York.
Oxide of Zinc	45.04 per cent.

WAITING FOR THE OPENING.

The Line Already Formed for Slices of the Cherokee Strip.

KINGFISHER, O. T., Aug. 4.—In anticipation of the early opening of the Cherokee strip, a line of intending settlers began to form in front of the Kingfisher land office yesterday at noon. At first there were only three or four persons in line, but the number rapidly increased until there are now fully forty. This movement created considerable excitement, as there are many men of prominence, influence and intelligence in the line. What private information the leaders in the movement have, if any, no one outside knows. The land officials claim to have no information from Washington whatever upon the subject.

Pending the opening of the Cheyenne and Arapahoe country, in the spring of 1892, the first man to get in line in front of the land office was one Keith, who had made the trip from Los Angeles, Cal., for that purpose. He got off the train and went direct to the land office and took his position, holding it for about six weeks. He got one of the richest claims in the country.

DR. M'GLYNN'S VICTORY.

The Eloquent Priest Will Say Mass on Sunday Next.

BROOKLYN, Aug. 4.—The news has just cropped out that Vicar General McNamara, representative of Bishop McDonnell, during the latter's absence from the Brooklyn diocese, has written a letter authorizing Dr. Edward McGlynn to say mass for one month in St. Finbar's church, Bath Beach. The pastor of the church is Father Ward.

The unexpected privilege reached Dr. McGlynn while he was at the fair for the benefit of St. Finbar's church. He expressed gratification, and then said he would be pleased to officiate at low mass at 7:30 next Sunday morning. He added that he would find it agreeable later on to officiate in high mass. Dr. McGlynn is stopping at present at Bath Beach.

All Want to be Governor.

CINCINNATI, Aug. 4.—The withdrawal of Walter B. Ritchie as a possible candidate for nomination for governor by the Ohio Democratic convention and ex-Governor Campbell's repetition of his purpose to refuse a candidacy causes lively speculation concerning the probable choice of the convention. Colonel W. A. Taylor, who made a gallant fight for the office of secretary of state two years ago, is a pronounced candidate. Hon. Charles W. Baker, of this city, has openly declared his willingness to wear the honor, and the friends of Hon. John Farley, of Cleveland, are urging his claims.

Mitchell in Active Training.

LONDON, Aug. 4.—Charley Mitchell is in active training at Brighton for his American fight, although he pretends to outsiders he is not. He will sail for America on Sept. 5. There will be considerable English money sent over to back Mitchell. It is probable that Jim Hall and Jack McAuliff will be his seconds.

Foy Committed to Prison.

PHILADELPHIA, July 4.—George Foy, a scenic artist, who shot two men Wednesday evening at a theatrical boarding house on Race street, was arraigned before Magistrate Pole and committed to prison for a further hearing next Tuesday

Racing Records Smashed.

BUFFALO, Aug. 4.—Some sensational racing marked the third day of the grand circuit meeting, and several records went by the board. In the stake for 2.15 trotters Hulda trotted the fastest three heat race on record, beating the best average of Martha Wilkes, and also twice lowered the Buffalo track record, 2.10¾, by Maud S. Hulda's third mile was also the fastest ever made by a 5-year-old, and the time, 2.08½, should be universally considered the race record, as the 2.08¼ made by Martha Wilkes at Evansville, Ind., last year, bore the taint of suspicion.

The Locke Party Ahead.

CADDO, I. T., Aug. 4.—The election resulted in a victory for the Locke party on all national officers, but members of the council will be considerably mixed. The Jones party elected its representatives in this (Blue) county. During the election a free fight took place, and the streets were full of drunken fighting Indians. At one time it seemed as though the fight would terminate seriously, as stones, knives and revolvers were brought into service, but it was stopped before anything serious occurred.

To Prosecute Cordage Officials.

NEW YORK, Aug. 4.—Henry Allen & Co., brokers, of New street, announce that they intend to bring suit against the officials of the National Cordage company, and the other members of the Cordage pool, for whom they operated previous to the collapse of the Cordage company. Mr. Allen said: "I do not care to state the nature of this suit, that is to say, whether it will be of a civil or criminal character. The papers have all been prepared and a decisive step will be taken in a day or two."

Accident to the Navahoe.

LONDON, Aug. 4.—In the race for the Town prize yesterday the Satanita, Valkyrie, Navahoe and Calluna participated. During the race a heavy wind arose and the Navahoe was compelled to abandon the contest on account of her mainsail splitting in two and the breaking of the jaws of the gaff. The Calluna also retired on account of an accident. The Satanita defeated the Valkyrie by six minutes.

Beetem's drug store, was terribly injured by an explosion. His face and right arm were burned black, and his eyes so badly injured that his sight will always be dimmed.

Struck by the Fast Freight.

BOUND BROOK, N. J., Aug. 4.—Andro Helfen and his son John, 8 years of age, were walking on the Lehigh Valley railroad tracks, when a fast freight train overtook them. The father saw it in time to escape, but the boy was struck and thrown down the embankment. He was dead when picked up.

FOUR PHYSICIANS FAIL

But a Mother's Love Surmounts all Difficulties. Her Darling Child Cured of Bright's Disease by Dr. Kennedy's Favorite Remedy.

My daughter had *Bright's Disease.* Her *ankles, feet* and *eyes* were *terribly swollen. Four* of our *best* physicians attended her but her *life* was *despaired* of. A mother's love surmounts all difficulties, and I determined to try *Dr. David Kennedy's Favorite Remedy,* made at Rondout, N. Y.

How happy I am that I ALWAYS determined upon this course—for one by one the well known *symptoms* of the *disease left her.* Words *fail* to *express* my *gratitude,* and I cannot too *earnestly recommend* this great medicine. Her recovery CURES was entirely due to *Favorite Remedy,* which was *the only medicine* taken after her *case* was *abandoned* by the *physicians.* Mrs. LAURA A. KEMPTON, West Rutland, Vermont.

Can you not see that such an earnest and out spoken statement as the above comes from the heart and is sincere?

And does it not show how valuable this great medicine becomes to those who are in need?

FRAUDULENT PENSIONS

Commissioner Lochren Writes a Letter on the Subject.

THE OLD SOLDIERS NOT DISHONEST.

His Policy Is Not to Deprive Deserving Veterans of Their Just Dues, but to Checkmate Those Who Were Bounty Jumpers—Praise for Secretary Smith.

WASHINGTON, Aug. 4.—Pension Commissioner Lochren has written a lengthy letter to the editor of The National Tribune on the subject of fraudulent pensions. He says he has not complied with the editor's request to cause a test to be made to show the number of fraudulent pensions by having 1,000 cases drawn from the admitted files and examined, for the reason that frauds cannot be discovered in that way.

The bogus pensions are obtained on false and forged testimony. On the face of the papers such cases would probably appear well established. No one claims that the great mass of the adjudicated cases are fraudulent. The commissioner says he has too high an opinion of his old comrades to believe that any large number of them are scoundrels. He believes that the pensions of soldiers who did actual service, on account of disabilities of service, are unusually honest and well deserved.

No examination of this class is being made except where evidence indicates a fraud. It cannot be denied, however, that among the true soldiers there were a few bounty jumpers and men who were no credit to the army, and who have been among the most eager to get high rating on the pension roll.

Judge Lochren points out that local frauds of large extent have been discovered in Norfolk, New Mexico and Iowa, the work of dishonest attorneys, but he says attorneys are ordinarily honest and careful. Evidence prompted by malice is always rejected by the bureau.

The examination of June, 1890, cases was made not because of fraud by the claimant, but because an erroneous rule had been adopted for adjudication by Commissioner Raum, who directed that specified disabilities be rated under the act, and thus it is in the Bennett case, the capacity of the applicant to perform manual labor was not considered. Thus the law was clearly disregarded. A board of revision was, therefore, appointed to re-examine and cull out such cases as had no legal basis to rest on.

The department's ruling was but a reaffirmation of a decision by Assistant Secretary Bussey, rendered last January, condemning Commissioner Raum's ruling. Judge Lochren concludes by assuring his old comrades that they will receive everything which the law, most liberally construed, entitles them. The board of revision is composed mostly of Republicans, but they are able and fair men, and no cases are suspended until examined by these men, against whom partisan leaders cannot well make assaults. The commissioner adds that Secretary Smith has been more liberal toward pensioners than his subordinates, the commissioner included.

Remarkable Accident at Altoona.

ALTOONA, Pa., Aug. 4.—A remarkable accident happened here yesterday. John Eise, a painter, while at work on a cornice of a house twenty feet from the ground, caught hold of an electric light wire and received an awful shock. He was unable to remove his hand and cried at the top of his voice for help, trembling at the same time like a leaf. He could not let go without falling, so concluded to make a leap to the ground. While doing so his arm caught on the wires and he landed on his head on the curbstone, bursting a blood vessel and injuring his body painfully. He still lives, but the injuries will probably prove fatal.

Closed by Foolish Fears.

ST. PAUL, Aug. 4.—The National German-American bank of St. Paul, with a capital of $2,000,000, did not open its doors this morning. Joseph R. Lockey, president of the institution, says: "The bank has ample assets to meet all its liabilities, and is closed solely on account of the groundless want of confidence that appears to be at this time a national epidemic."

Schools Closed by Cholera.

ODESSA, Aug. 4.—The government is closing all schools throughout the south of Russia on account of the prevalence of cholera. Twenty doctors have gone to the caucasus, fourteen to Kieff and ten to Podolis. There have been 6,666 deaths from cholera in Mecca and 2,310 in Jedda since the present epidemic broke out.

A Bursting Boiler Kills Three.

WAVERLY, O., Aug. 4.—A report has just reached here of a terrible boiler explosion at Camp Creek, this county, which killed two brothers named Wolfe, and John Alexandria, the head sawyer, and blew off the right arm of Squire Wallace. The men were busy sawing lumber and let the boiler go dry.
