Luxurious Traveling.

The climate of comfortable and luxurious traveling is apparently reached by the Chicago, Milwaukee and St. Paul Railway.

Ease and comfort go with the traveler making a trip from Chicago to St. Paul, Minneapolis, Omaha or Sioux City over this road.

Their superb electric-lighted vestibule trains leaving Chicago for these points early every evening are great favorites, nothing being left undone by the officials or employes to ensure a most enjoyable trip.

Excellent dining service is maintained and buffet railway cars are attached to the train, where current periodicals may be perused while smoking a cigar with all the pleasure of one's own "den" at home.

Electric lights placed in every berth enable the traveler to spend his wakeful hours, after reading over his favorite novel or other literature.

Private compartment cars are run between Chicago, St. Paul and Minneapolis. In fact, everything that goes to ensure comfort and security is provided.

The trip from Chicago to any of the above named cities requires but a night's run, bringing one at the destination ready for breakfast and business in the morning.

All coupon ticket agents have tickets on sale via Chicago, Milwaukee and St. Paul Railway, or call on or address John R. Post, district passenger agent, Williamsport, Pa.

DRUGGED IN THE CRADLE.

Nursery is Responsible for Much Inebriety.

Opium and Alcohol Frequently Given to Infants.

Neglect of a Baby's Diet Results in Awful Consequences.

The inebriety of later life is often the result of opium and alcohol given in some form to babies for trivial reasons. Nurses who have given children medicines for indigestion know how difficult it is to wean the child from the drugs.

The one great duty of parents to their children is, therefore, not to give them medicine, but to make sure that they get food, pure, ample and capable of supplying materials of healthy growth and development.

Where natural mother's milk is out of the question or insufficient for the enormous demands made by the rapidly growing child, lactated food is prescribed by physicians. It quickly makes chubby, rosy-faced, lively babies, the delight of mothers, fat, happy and growing.

Writes Mrs. Daniel Brown, 114 Cross St., Central Falls, R. I.:

"I have three of the most healthy little children in the state and I must say that they owe their health to having been brought up on lactated food. One of the leading doctors in Pawtucket advised me to use it and I shall always feel glad that I followed his advice. My youngest child is 14 months old and is as healthy and chubby as any little boy could be, and I am sure that lactated food has a great deal to do with it. It has been a great blessing to our little family, and I consider it my duty to recommend it to all my friends. They all have the same good word for it after they have tried it; it has only to be tried and the good results will be seen at once. I shall always feel grateful to the ones who placed lactated food within the reach of all, whether rich or poor.

Lactated food is in fact most economical, as it is most nourishing and healthful.

DELIGHTFUL TRIPS.

To the Ocean Via the Pennsylvania Railroad.

On August 17th the second and last of the seashore series of summer excursions to the principal watering places will leave Harrisburg at 8:35 a. m., and stopping at many of the larger intermediate stations between the former place and Downingtown, arrive in Philadelphia about noon. The special train will make connection at Lancaster with the Frederick Division. The first excursion from this territory which speaks well for the excellent nature of the service, and which these trips are handled by the company, and the same service will be maintained with the present one. The chequered of the rate materially adds to the popularity of these even otherwise attractive trips. \$4.00 the round trip to Atlantic City, Ocean City, Sea Isle City or Cape May, \$4.25 to Long Beach, Ashbury Park, or Ocean Grove from Harrisburg, and correspondingly low from other places at once commands attention. The tickets will be valid for return passage for six days, thereby allowing a pleasant means of refuge from the inland, sultry heat of August.

"The American Soldier."

The August number of the above magazine even exceeds the promises of the July number. The battle for the old veterans and pensioners of the civil war is waged with trenchant pen. Copperheads and traitors are arraigned in no meek and mild manner.

Cleveland, Ohio Smith and the "Veteran hunting" administration are shown up with a fearlessness which is refreshing. The absurd charges of fraud in the pensions of the old heroes is ridiculed and ridiculed.

The malice, hatred and unfairness of the assassins of the old Union soldiers demonstrated. Articles from writers like Col. John A. Cockerill and Benjamin R. Davenport add to its literary merit. A magnificent colored photograph of Gen. U. S. Grant 101 x 134 inches, accompanies this August number, similar to the Lincoln picture in July number *The American Soldier*.

One of such pictures will accompany each issue. For September General Sherman's picture will be given. Twelve such magnificent portraits will be given in one year making a collection worth many times the price of the subscription for a year which is only one dollar.

The American Soldier is published by the Nation Publishing Company, Mail and Express Building, 303 Broadway, New York.

HE COMMITTED SUICIDE!

The Cause and Its Lesson.

Why did he commit suicide? Oh! for the same reason that thousands of others are on the verge of the same step, or in immediate danger of insanity, paralysis, idiocy, or some other equally unfortunate result of any nervous affection. He knew he was afflicted with a nervous disorder, but was careless, apparently indifferent to the outcome; or he may have lessened his chances of recovery by treating with physicians who had little or no knowledge of such affections, or by deluging himself with worthless so-called remedies. His case was a sad one, but no worse than that of any other nervous sufferer, who has nervous or sick headache, biliousness, dizziness, irritability, melancholy, falling memory, hot flashes, fainting, sleeplessness, nervous dyspepsia, sexual debility, epilepsy, etc. The same or similar consequences are likely to result to any one who has any of these advance symptoms of an awful end. Do not hesitate in getting rid of them by intelligent treatment. Dr. Franklin Miles, the celebrated specialist, has studied nervous diseases over 20 years, and has discovered the only reliable remedy for them. Thousands of voluntary testimonials prove the virtues of Dr. Miles' Restorative Nerve.

Alonso Barker, of Clinton, N. Y., writes: "I was on the verge of insanity. My hands trembled so that I could scarcely hold a pen. I used many bottles of Dr. Miles' Restorative Nerve, and was cured. It is with pleasure I recommend this wonderful remedy for nervous troubles."

"I had been a great sufferer from chronic headache until I began, about four months ago, to use Dr. Miles' Restorative Nerve and Pills, since which time I have not had a headache, neuralgia, or any other nervous ailment, and feel as well as I did, to be more than you can find for them."—Mrs. Mary Kinter, Los Angeles, Cal.

W. H. Capwell, editor Tribune, Plymouth, Pa., writes: "My wife was cured of all her nervous troubles by the use of Dr. Miles' Restorative Nerve. She has recommended it to her friends, and has used it herself. I have used it myself, and it has cured me of all my nervous troubles. It is a wonderful remedy for nervous troubles. It is with pleasure I recommend this wonderful remedy for nervous troubles."

Dr. Miles' Restorative Nerve is sold by all druggists on a positive guarantee, or sent direct by the Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, 60¢ per bottle, six bottles for \$3.00. Express prepaid. Dr. Miles' Pills, 60¢ dozen. 50¢ cents. Free book at druggists, or by mail.
