## WORK TOO MANY HOURS

### The Cause of Much Sickness in August.

Those Who Cannot Travel May Gain Renewed Strength.

#### Expressman Seaver Tells of a Remedy in Reach of Every One.

Sick men and women are met on every hand, here and across the continent of Europe scattered up and down the sunny shores of the Mediterranean, steaming across the ocean in search of rest and health.

But where one can afford the luxury of such recreation there are hundreds who work, work, work all summer.

Those who work too many hours soon lose their own health—their health. The nervous system and the brain do not get rest enough; exhaustion and excitability gradually take the place of love of work. Sound sleep deserts, their appetite falls, indigestion troubles, and they are sick. Then it is that they should take the remedy that makes the people well. For Pain's celery compound supplies the system with nerve and brain food and sustains the vital force and energy. It takes away the drowsiness and nervous headache which result from protracted work coupled with anxiety. Pain's celery compound lays the foundation of health by making sound sleep possible. It soothes and quiets the nerves when they are working confusedly. It tones up the digestive organs.

One of the most enterprising expressmen in Boston, Mr. H. Seaver, of 59 Warren St., Roxbury, Mass., who owns an express business running from Boston to Roxbury and the Highlands, says: "On the recommendation of a friend I got some of Pain's celery compound for my family. We have used it as a family medicine, and in every case it has proved a cure. We will use it and recommend it to all as long as it proves to be such an alluring remedy. The friend mentioned is a commercial traveler, and was cured of dyspepsia by using three bottles of Pain's celery compound, and felt in duty bound to recommend it."

In these days of hot and pouring sun rays all those who are obliged to labor and who feel the enervating effects of the summer should take Pain's celery compound. It makes people well, as it did in the home of Mr. Seaver.

The Sick and Injured.

Richard Amor, one of the Gibraltar riot victims, is still a very sick man. His condition has not been as favorable the past two days as it was previously, but the doctors say his condition is not critical.

John Reeves, who has been confined to his home on South Jardin street by illness the past month, was reported very low to-day.

John Goodrich, of West Cherry street, still suffers considerably from the injuries he sustained at the Williamsport colliery. At times his condition is very unfavorable.

Republican League Convention.

John E. Robinson, President of the Republican League of the State of Pennsylvania, has issued a call for the sixth annual convention of the League, to elect officers and transact other necessary business. The convention will be held in the Academy of Music, of Reading, on Wednesday morning, September 27, at 10 o'clock. A mass meeting will be held on the evening of September 27, at which the national officers of the League will be present, and distinguished speakers will address the clubs and delegates. A handsome banner will be presented to the club making the best appearance.

No Celebration.

The expected celebration of America's Day at Schuylkill Haven on Saturday, September 2nd (Labor Day) will not take place. Circulars have been issued by the committee of arrangements announcing that as it has been impossible to secure the co-operation of some societies to make the celebration what it should be the committee has deemed it advisable to declare all arrangements off.

A Big Clam Bake.

Coxe Bros. are holding their annual gigantic clam bake at Ononda to-day. Among the parties who left town this morning to take a hand in the festivities were Messrs. Brewer and Franey, Superintendent William H. Lewis, of Wm. Penn, and daughter; General Manager John L. Williams, Shamokin; Col. D. P. Brown, Lost Creek, and W. A. Marr, Esq., of Ashland.

Depot Charges.

The Lehigh Valley Railroad company continues making changes at its depot. The tool house which stood near the Lloyd street watch house was yesterday moved, with the aid of a big gang of navvies and two hand carts to a lot near the Emerick street crossing. The removal was made to allow more room for teams to reach the new freight depot platform.

## PENNSYLVANIA REPUBLICANS.

### An Harmonious Assemblage at the State Capital.

HARRISBURG, Aug. 30.—The Republican state convention to choose candidates for supreme judge and state treasurer met in this city this morning. The ticket will be: For supreme judge, Hon. D. Newlin Fell, of Philadelphia, at present a judge of the court of common pleas of that city; for state treasurer, Colonel Samuel M. Jackson, of Armstrong county, president of the Apollo (Pa.) Savings bank.

The withdrawal of Speaker Thompson from the treasuryship contest left Colonel Jackson without opposition for the prize. Judge Fell's only opponent is Judge Archibald, of Scranton, and the outlook is that his name will not go before the convention.

Ex Representative J. C. Johnson, of Cameron county was chosen temporary chairman and ex-Senator Horace B. Packer, of Tioga, the permanent presiding officer.

Senator Quay arrived here from his Beaver home yesterday afternoon and was soon in close conference with the leaders already on the ground, including C. L. Maceo, of Allegheny, Charles A. Porter and David Martin, of Philadelphia; State Chairman Weaver and his prospective successor, B. E. Gillespie, of Bucks. They worked until after midnight on the platform that is to be adopted this afternoon, and which was outlined in yesterday's dispatches.

### THE OUTLOOK IN SIAM.

Another Threatened Blockade of Bangkok.

LONDON, Aug. 30.—A Bangkok despatch to The Times says that the French troops at Chantien are making entrenchments and throwing up earthworks. A despatch from Singapore says that a French protectorate over Siam is imminent. The Daily Mail Gazette argues that all elements of commerce in Great Britain hold a convention at once, and agree upon a protest to the government against permitting France thus to execute a policy ruinous to British trade in the east.

HANOI, Aug. 30.—The French government threatens, through its special envoy, M. de Villers, to send back the French garrison to the Namun before Bangkok, in case its new demands are not granted immediately. The foreign residents of the city are indignant in view of France's persistence in ignoring the provisional agreement reached when Siam accepted the ultimatum.

### UNCLE SAM'S STRONG BOX.

The Nation's Wealth Turned Over to the New Treasurer.

WASHINGTON, Aug. 30.—The official count of the treasury cash begun May 31 last, necessitated by the transfer of the office of treasurer of the United States from E. H. Nibeker to B. N. Morgan, has been completed. Treasurer Morgan yesterday signed a receipt in favor of E. H. Nibeker for \$44,817,419.78 2/3 made up as follows: Cash, \$174,779,422.07; treasury's transfer account, \$81,690,598.92; reserves, \$314,858,406; unissued certificates, \$1,330,000; bonds held in trust, \$218,278,000.99 2/3.

In counting and weighing this vast sum of money not one cent was found missing. Several bags of silver were found broken, the bagging having rotted, and these were found several dollars short, but subsequently the silver dollars were recovered from the floor where they had fallen. The total weight of the coin was about 5,000 tons.

Want to Form a New Party.

DENVER, Aug. 30.—The Times prints three columns of interviews with leading Colorado Republicans, in which they advocate entire separation from the Republican party and the formation of a new organization, distinct from all others, which shall have for its motto and issue the free and unlimited mining of silver. The new party would incidentally favor free trade as a measure of retaliation for the neglect of western interests shown by eastern Republicans in their vote in the house on the silver question. The gentlemen interviewed are very much in earnest.

Nominations by the President.

WASHINGTON, Aug. 30.—The president has sent to the senate the following nominations: Leslie P. Ross, receiver of public moneys at Oklahoma City, Collector of Internal Revenue; William Ryan, for the second district of Virginia; Hambleton Shepperd, Sixth district of Virginia; Alexander M. DAVEZZO, Sixth district of Kentucky; Thomas H. Shibley, Seventh district of Kentucky. Also a number of nominations made during the recess, principally collectors of internal revenue.

Wholesale Poisoning.

MOSCOW, Aug. 30.—More than 100 persons at Shlesensvodka, a summer resort in the Caucasus, have been poisoned by konnia. The rest of the summer visitors have left in a panic.

Deaths.

HEILS, Aug. 30.—Ten persons have died in Lichtenstein in the last three days from the effects of having eaten poisonous fungi which they mistook for mushrooms.

The English Miners' Strike.

LONDON, Aug. 30.—At a conference of coal owners yesterday a resolution was passed that offers of the strikers to work at their old wages should be refused. The owners believe that the back bone of the strike is gone. In South Wales and Monmouthshire the men have been weakened by the increasing sufferings of their families.

Secretary Smith's Journey.

WASHINGTON, Aug. 30.—Secretary Hoke Smith left Washington for Mt. Airy, Ga., where he will spend two days with his family, and then go on to Atlanta for a day. He expects to return to Washington next Saturday.

Died.

WILDS.—At Shenandoah, Tuesday, Aug. 29, Mrs. Ann Wilds, late of New Philadelphia. Funeral on Thursday, August 31st, from the residence of her son-in-law, James Shields, No. 410 E. Centre street, to proceed to Middleport by the 12:24 train on the P. & O. railroad, where interment will be made.

EXPRESSMAN SEAEVER.

## Where is the Bride?

The Bloomsburg Daily, commenting upon the telegram received by the HERALD in reference to Setley's marriage, says: "From what we know of Mr. Setley here he and his bride never reached Shenandoah on Sunday and consequently missed the congratulations. Unfortunately some time ago Setley got himself into trouble and during his stay here was under bail, and when he was released from the ball team his relatives withdrew and he was taken to Danville and placed in jail for trial at court. It was reported that Williamsport parties paid the costs in the case, went his bail and took him to that city on Monday, but we feel warranted in saying that the report is not correct."

Constable Peters, of Wm. Penn, last night brought to town under arrest Mike Kereko and Mike Parker, two young Polish fellows charged with assault and battery upon one Martin Varuski and were committed by Justice Green.
