Mr. Ryan, the Umpire. There would undoubtedly be a different ending to the game yesterday had the umpir understood the rules. - Pottsville Chronici Mr. Ryan, of Mahanny City, was the umpire This is the same gentleman who caused the delay of the Shenaudoah-Pottsville game, by his persistent efforts to officiate. Even the Portsville people, who landed him to the skies when it was in their favor, are finding out that he knows nothing about the game, and that Shenaudoah's refusal to play with him officiating was justifiable. Continuing, the same paper says: "We have nothing but kind words for Mr. Ryan, of Mahanoy City, but we are compelled to may most emphatically that he does not undersound the rules. His friends cannot hide him under the veil of "he tries to do what is right." That don't go. An umpire must be one that can umpire. If he is that settles it. Mr. Ryan wanted to umpire enough alone."

OBE'S OBSERVATIONS

What He Sees and Hears During His Travels.

No base ball player in the five counties has received as much newspaper notoriety this year as Setley has. The Bloomsburg Repub-Rean is the latest to come out with a chapter and incorporates in the latter part of it some advice Setley should not fall to heed. The Republican mayn:

"On last Saturday Pitcher Setley was released by the management of the Bloom base ball team, and at the same time the anthorities at Danville were notified that they wanted to be released from his bail bond, whereupon Policeman Thomas was notified to take him in custody and bring him to Danville, where he was lodged in jail. Some individual members of the club and a great many citizens thought the charge against Setley was unjust and Chus. Shaffer on Monday had a subscription paper drawn up and the money nearly all subscrabed to pay the claim against Solley and have him released from Jatl. During the game on Tuesday with Bellefonte, Serley put in an appearance in custody of an officer, and made rimself so conoxious with his conduct that his friends dropped the matter and it looked for a time as if he would have to go back to jail, but he took the matter in hand and through the magnanimity of our citizens he raised all but three dollars of enough money to settle his case. This should be a warning to Setley to never go back on his friends,"

The "old vets" who have been on the anxious bench since the present Administration started in to arbitrarily cut off pensions, may sit with comfort now, as the pension department, upon second thought, hit upon a mor conservative course. Hereafter there will b no suspension of pensions except in cases where the record shows on its face that the soldier was not entitled to any pension what-

The announcement in to-day's papers that Nancy Hanks yesterday trotted a mile at Flentwood race track, New York, in 2:061 cansed considerable talk in town, many people erroneously jumping to the conclu that the time is the best on record. Nancy Hanks trotted a mile in 2:04 last year,

Grand Army Day will be celebrated at Alentown on October 5th, next, and it is understood that Watkin Waters Post, of town will send a strong representation to take part in the ceremonies. The dull times have made it impossible for many of the boys in blue to enjoy plessure trips this season, but they count upon a change for the better in a month or so, and if it comes Shenandoah will be well represented at Allentown.
