The bullet has not been located as yet, and no effort will be made in that direction for the present. If the patient continues to improve at the same rate he has within the past few days it is expected he will be able to leave his bed in the course of a week or ten days.

DEAD BODIES IN THE BARN.

A Discovery That Has the Appearance of Double Murder.

MIDDLETOWN, N. Y., Sept. 5.—A discovery of what has the appearance of a double murder, and may prove to be a triple assassination, has just been made at Burlington, at the foot of the Shawangunk mountains. The events leading up to this supposed murders date a little time back. Paul Holliday, a widower, who resides near Burlington, recently married a young woman who had been working for him. Soon after the marriage Holliday's house and barn were burned and his crippled son was burned to death in the house. Mrs. Holliday was arrested for arson and held in the Orange county jail, where she showed evidence of insanity. She was sent to the state hospital, and subsequently being released, returned home.

The latter part of last week Holliday's premises, and Mrs. Holliday said he had gone to Bloomsburg to work as a mason, but an investigation proved her statement false. Mrs. Holliday made some inquiries as to what would remove blood stains, and her actions becoming mysterious she was arrested. A searching party was then made up to look for Holliday.

In the barn at Holliday's place they found under a lot of hay the bodies of two women. One was a fleshy woman about 40 years old, and the other that of a young girl about 19 years. In the body of the elder woman there were eight bullet wounds. Death had evidently taken place in both cases about four days ago. While the names of the dead women are unknown it is thought they were summer boarders from New York city.

Coroner Rosch, of Waterbury, has summoned a jury, and local physicians are making a post mortem examination. The inquest is being held this afternoon. The search for Holliday continues.

NEW YORK DAY.

Governor Flower and Staff at the Great Fair.
CHICAGO, Sept. 5.—New Yorkers celebrated at the fair yesterday in their characteristic manner. The formal exercises were held in the state building, Senator Foley presiding. Clarence M. Johnston delivered an address of welcome and Governor Flower responded. Director General Davis also welcomed the governor and his people to the White City. James O'Connor read a poem. Music by the Des Moines band concluded the program.

Governor Flower and staff then held a reception. Thousands of people shook his hand. In the evening there was another reception. Governor Altgeld, of Illinois, made an address at this time. The reception was followed by refreshments, music and dancing.

Tonight the Chicago Society of the Sons of New York will give a reception to New Yorkers. Ex-Mayor Croker will welcome the New Yorkers, and Governor Flower and Clarence M. Depey will respond. Music, dancing and a collation will fill out the evening's entertainment.

TWO BOYS SHOT.

A Dairyman Kills Forty-Five Buckshot Into One of His Victims.
LONG ISLAND CITY, N. Y., Sept. 5.—William Barrett, a dairy farmer, shot and killed John Egan, 10 years old, and probably mortally wounded David Crawford, 13 years old, at his farm on Star Street in Blissville. He claims a crowd of boys were annoying him, and that he fired both barrels of a shot gun into the air to frighten them away and had no intention of shooting any of them. Spectators declare that he fired deliberately into the crowd of boys.

Led by the dead boy's father, a great crowd of neighbors caught Barrett and beat him into insensibility, and would probably have lynched him but for the timely arrival on the scene of Police-man Haggerty, who rescued him and took him into custody. The Egan boy died fifteen minutes after being shot, and forty-five buckshot were taken from his chest by a doctor.

Another Car Accident in Cincinnati.
CINCINNATI, Sept. 5.—It is now believed that the fatal deaths from the Avondale electric car accident Monday evening were not excused five, though many of the three dozen of people injured will carry the scars of their experience through life. A similar accident took place on the East End line on Broadway, yesterday afternoon. Electric car No. 760 became unmanageable on the hill and collided with a Covington car, wrecking both cars badly. William Holden, of Columbia was seriously injured internally; Gus Bernard, son of Hon. Lewis Bernard, injured in right leg; J. B. Mayer, injured in right arm and leg.

A Murderer Snailed.
BELLEFONTE, Pa., Sept. 5.—John N. Wahn, who was convicted on Friday last of causing the death of Mrs. Hunkle, was yesterday sentenced by Judge Ford to pay a fine of \$200, the cost of the prosecution, and to undergo five years' imprisonment in the western penitentiary at solitary confinement. Before sentence was imposed Wahn admitted his guilt, and that he had practiced his nefarious profession for some time, even while engaged in church work and a leader in the Young Men's Christian Association.

Sad Accident to a Child.
PATERSON, N. J., Sept. 5.—While 200 persons made a rush to board an open car on the Paterson Central Electric railway, an Ellison street, which was going to Washington Park, yesterday afternoon, Leslie Murray, 9 years old, was forced in front of the crowd to the track, and was crushed under the wheels of the car. His left leg was cut off and both arms broken. He is in a dying condition at the general hospital.

Knights of Pythias on Parade.
FREEHOLD, N. J., Sept. 5.—The first annual parade of the Knights of Pythias of the state of New Jersey was held here yesterday. Upwards of 10,000 people were in town to witness the parade. At least 3,000 members of the uniformed rank were in line. Lodges from all sections of this state and from New York and Pennsylvania were in attendance.

To Return Contract Laborers.
WASHINGTON, Sept. 5.—W. H. Pugh, acting superintendent of immigration, has directed that four contract laborers, three at New York and one at Baltimore, be returned to Italy. The evidence was plain that they had entered into contract abroad, and that they had their passage money paid by Americans.

Gone to the Pastory Institute.
EASTON, Pa., Sept. 5.—Pastor-master Wilson Harting, of Upper Black's Hill, who was bitten on the thumb by a small dog, left for Pastory's institute to be treated. The animal is quite serious, but so far suppressed. The others bitten by the dog are not considered dangerous.

MANGLED BY A TRAIN.

Horrible Death of William Scanlon on the Railroad.

The horribly mangled remains of a man slain by a train near Park Place on Sunday evening and were identified as those of the unmarried man of years of age, residing at William Scanlon, an iron worker, from present developments to determine whether he was working or lying on the track when struck; but there is no doubt he killed him was the drawn by engine No. 540.

It appears that after the train passed the place where the body of Henry Gaver, the brakeman, remarked that he thought he had seen the man on the track. The train went on arrival there the engine was examined. Particles of a human brain were found scattered on the tank and other parts of the engine and hanging to one of the driving wheels. The engineer and back on the engine said he thought he had seen the body of a man on the track. The train went on arrival there the engine was examined. Particles of a human brain were found scattered on the tank and other parts of the engine and hanging to one of the driving wheels.
