**Cheap-Rate Excursions to the World's Fair**  
via the Pennsylvania Railroad.  
As the period of the existence of the World's Columbian Exposition draws to a close the demand grows stronger for the economical and satisfactory means of reaching Chicago provided heretofore by the Pennsylvania Railroad Company. Recognizing the urgency of this popular need, that company has fixed a few additional dates on which excursions of the same character as the previous ones will be run. September 19th, 23d, 25th, October 2d, 11th, 17th, and 21st are days selected from New York, Philadelphia, and points east of Pittsburgh and Erie and north of York.  
The special trains will be composed of the standard coaches for which the Pennsylvania Railroad Company is noted, and the arrival in Chicago at an early hour the following afternoon obviously gives ample opportunity for securing accommodations at that place.  
The trains will leave New York 9:00 a. m., Jersey City 9:15, Newark 9:25, Elizabeth 9:32, New Brunswick 9:35, Trenton 10:25, Philadelphia 11:30, Frazer 12:00 p. m., Downingtown 12:22, Parkersburg 12:41, Coatsville 1:02, Lancaster 1:25, Conowingo 1:57, Harrisburg 3:00 p. m., Lewistown Junction 4:30, Tyrone 6:30, Altoona 7:00, and Pittsburgh 10:40 p. m. The extension rate, good only on the special train and valid for return within ten days, is \$30 from New York, \$18.25 from Philadelphia, and proportionately low from other stations. Return portions of tickets are good for ten days.  
These trains will run on schedule, and will be provided with all modern conveniences with the exception of Pullman cars.  
Many expressions of complete satisfaction have been made by people who have availed themselves of this excellent opportunity of visiting the greatest and grandest exhibition the world has ever seen.

For a mild cathartic and efficient tonic, use Baxter's Mandrake Bitters. Every bottle warranted.

**Points.**  
Advertise.  
Commercial drummers are shy just now. The best time to advertise is now. Sheriff sales will be plenty in the spring. They say a man who owes several years' subscription on a newspaper and asks the postmaster to send it back marked "refused," is mean enough to put tar in his hat when taking up the church collection in order to get the small change.

The railroad companies continue to cut down expense. Hard times seem to strike everywhere.

People who have money now invest in real estate, stocks and bonds. It is safer than if placed in old stockings.

We would be pleased if all who leave town on a visit, or who have visitors at your place, to send us the information by person or postal card. If you have any news, good, bad or indifferent, send it to us and we will be only too glad to publish the same.

North Main street should receive attention before winter sets in. Here would be a good place to put our needy unemployed labor.

People read the papers no matter how hard the times are. Advertisers should bear this in mind.

Cornelius Horne, of Mahanoy City, and Miss Elmira Hart, daughter of Samuel Hart, of Riegelsville, were married by Rev. J. M. Schler.

It is feared that the constant worry will affect the mind of John Briggs, the prisoner in the county jail charged with the murder of Puritt, at Gilberton. Briggs has quite a large family.

William Davis, employed at the St. Nicholas colliery, sustained a fracture of the bone at the ankle.

A party of young people from Jeannette will visit Lakeland this evening.

Millions of bottles of the genuine "Anchor Pain Expeller" are sold annually, and sent to all quarters of the globe. This fact itself speaks of the magical efficacy of this imported remedy. It is the best and most reliable remedy for Rheumatism, Gout and kindred complaints. Give it a trial and convince yourself. 25 and 50 cents a bottle. C. H. Hagenbuch, P. P. D. Kirilin, J. M. **THE REVOLT IN BRAZIL**

**Nearly Two-Thirds of the Naval Officers Join the Insurgents.**

WASHINGTON, Sept. 15.—Secretary of State Gresham has received the following dispatch from Minister Thompson at Rio de Janeiro: "At 11 o'clock the revolutionary forces bombarded the forts commanding the entrance to the harbor, also the arsenal on the wharf in the center of the city. A few shells were fired into the city, and a woman was killed in her residence. Commercial telegrams have again been forbidden. The Charleston has not yet arrived."  
BENOS AYRES, Sept. 15.—Only fragmentary news of the Brazilian revolt has been received here. President Peixoto still controls the telegraph lines. The insurgent squadron is reported to have bombarded an arsenal town near Rio Janeiro, but which one it is impossible as yet to ascertain. The insurgents captured the government gunboat Alagoas, which lay in the harbor and surrendered without firing a shot. The forts at the entrance to the harbor fired on the insurgent fleet, but without effect. The insurgents directed their fire upon the arsenals and forts. The government ironclad Bahia, which started for Paraguay river to oppose any revolt in the fleet at Matto Grosso has been ordered to return to the defense of Rio Janeiro. The officers of the government gunboat Tiradentes, which has been in the harbor of Montevideo for several days, expects to be attacked shortly by the insurgent transport Ituzoa and they have prepared their ship for action. Of the 486 officers in the Brazilian navy 296 have joined the insurgents.

**THE BIG BUSINESS BOOM**

**Further Cheering Reports of Resumptions in All Sections.**

LAURENS, Mass., Sept. 15.—Phillips & Kunhardt's mill, of this city, which has been closed for several weeks, will resume operations on full time next Monday. A reduction of from 10 to 15 per cent. will be made in wages. The management of the Moses and Stevens mills at North Andover has decided to resume work Monday next. The Franklin mills, at Franklin, N. H., will also start up on Monday. It is probable that the Moses T. Stevens & Sons' mill, at Haverhill, and the Marland mills, at Andover, will also resume on Monday. There will be no reduction in time or wages.

TRENTON, N. J., Sept. 15.—The only manufacturing establishment closed down here is the American saw works, which generally employs 500 hands. There are at least 250 more potlars at work this week than last. This appears to be a general air of activity in business circles throughout the city.

TRON, N. Y., Sept. 15.—The Lion factory of the United Shirt and Collar company at Lansingburgh and the Beta hosey mill at the same place will start up in full next Monday. The Pacific mill at Cohoes, which is being operated on half time this week, will start up in full time Monday also.

FRANKLIN, Mass., Sept. 15.—The Ray cassimere mill will probably be running in all parts by Monday, at a probable reduction of 10 per cent. in wages. The factory of the Norfolk Woolen company at Norfolk will start up Monday after a shut down of several weeks.

WHEELING, W. Va., Sept. 15.—Orders have been given for the resumption of work in every department in the big Riverside iron and steel works Monday. The works give employment to nearly 5,000 men.

LOUISVILLE, Sept. 15.—The works of the Ashland Steel company, which have been idle for more than three months, resumed operations, employing about 100 men.

ISHPEMING, Mich., Sept. 15.—The Ames Iron company resumed work at the mine east of Ishpeming with a full force.

**R cyclists Still Breaking Records.**

SPRINGFIELD, Mass., Sept. 15.—The second day of the bicycle tournament was even more successful than the first. There were fully 10,000 people present, and two world's records were broken. Tyler made a half mile in the second heat of the handicap in 1:09 2-5, beating his own record of 1:01 2-5, made at Hartford Sept. 5, and Sanger won the two mile handicap in 4:31 2-5, beating Johnson's record of 4:47 2-5, made at Pittsfield June 24. The great race of the day, the mile international record, was won by H. C. Tyler, after the most exciting bicycle contest ever seen on the track. The half mile open was won by Windle, Zimmerman and Banker. Zimmerman crossing the tape ahead of Windle by a wheel. At the conclusion of the scheduled races, McInties covered 20 miles and 50 yards in 59 min., 23 2-5 secs., breaking the world's hour record.

J. P. Martin, Democratic candidate for County Commissioner, was a visitor to town last evening.

**Amica & Oil Liment** is equally good for man and beast. 25 and 50 cents per bottle.

**Base Ball Notes.**  
The Mahanoy City-Ashland game was postponed yesterday on account of rain.

The pride of Pottsville, Fox and Cavanaugh, have been relegated to the rear. Shenandoah's singers did the business.

A large crowd will accompany the home team to Pottsville to-morrow.

The Allentown State League team will be the next attraction at the Trotting park. The gate admission to the Pottsville park has been increased to twenty-five cents.

Paddy Fox is now manager of the Pottsville team. The nine in to-morrow's game will be: Ely, of York, and Shinehouse, of Pottsville; battery: Brown and O'Hara, of the Reading team, second base and left field respectively; Snapper Lang, of the Bing hampton team, short stop; Mox Hill, Retilly, Snyder and McGettigan will be the only old members who will remain on the team.

Fox, late of Reading, has been signed to play with the home team.

The home team did not go to Mahanoy City this afternoon, on account of the unfavorable weather.

The Pottsville team is drawing very poor audiences. The management was out of pocket \$81 in the Mahanoy City game.

The next game at the Trotting park will be between the strong Allentown State League club and the home team. The visiting players will be as follows: Conry, 2nd base; Potts, right field; Kappel, 3rd base; Ely, left field; Rothermel, short stop; Moore, catcher; Golden, center field; Chambers, 1st base; Jordan, pitcher.

The small attendance at the Pottsville games is accounted for by the club's poor playing.

Every team in the county is being strengthened by the addition of State League material. Our boys will, therefore, have to play ball.

The Lansford Record says: "It is not likely that the Pottsville-Lansford series will be finished. Pottsville insists on playing here in the middle of the week, and the Lansford management, knowing that it takes a Saturday game to come out ahead, refuse to go down in their pockets for glory."
