It almost surprises belief that Cleveland, Bland, Vest and Voorhees were all elected on the same platform.

The Democrats of the House of Representatives are now getting some of the same medicine they so gleefully administered the Republicans when they thought was right.

Too little advertising is like sewing the little seed. A farmer in planting corn puts a number of grains into each hill, and is satisfied one good healthy plant comes from each planting.

With nearly \$50 per capita of gold, silver, and gold paper money in this country—a total of nearly \$2,000,000,000—a currency famine is simply an exhibition of temporary lunacy.

A GOOD LESSON. The decline in prices under this Democratic administration involves a loss to the farmers of \$100,000,000 on the wheat crop, \$200,000,000 on the corn crop, \$25,000,000 on the oats crop, and \$31,000,000 on the cotton crop.

Wants \$25,000 for Breach of Promise. CHICAGO, Sept. 18.—On Thursday last W. P. Cummings, of Baltimore, was married to Miss Bertha Graham, of that city.

Three Trampmen Killed. MINNEAPOLIS, Minn., Sept. 18.—The engine and fourteen cars of the first section of the east bound freight train on the Chicago, Milwaukee and St. Paul railway was derailed at an open switch at Olivia, Minn.

Proposed Union of All Labor Unions. PITTSBURGH, Sept. 18.—Pittsburg labor leaders will this week commence correspondence with the national officials of every labor organization of the United States on the subject of a labor union which will embrace within its ranks every association and union of workmen in the country.

Youngster Possesses Thieves Caught. SHANTON, Pa., Sept. 18.—N. C. Couch, aged 20, and W. E. Williams, aged 18, of Monticello, N. J., were arrested here yesterday for robbing the Hackettstown, N. J., postoffice of \$200 worth of coupon bonds belonging to the Hackettstown National bank and \$4,000 in unnegotiable paper.

New Orleans Bridge. NEW ORLEANS, Sept. 18.—The iron bridge across the Mississippi canal, above the city, gave way when a train of the Southern Pacific was passing over, and the locomotive and tender went through.

A TEST OF ENDURANCE.

Voorhees' Plan to Force a Vote on the Repeal Bill.

WILL URGE CONTINUOUS SESSIONS.

In This Way It Is Hoped to Bring the Issue to a Vote—The Bill Repealing the Federal Elections Law Will Get Before the House This Week.

WASHINGTON, Sept. 18.—The seventh week of the present session of congress gives promise of great interest. The situation is extraordinary in legislative history, in that both houses are just now in a condition where it is impossible to make headway in the dispatch of public business.

As congress in a body will spend this afternoon in attendance upon the exercises attending the celebration of the centennial anniversary of the laying of the corner stone of the Capitol the week will begin tomorrow, when Senator Mills, of Texas, is expected to deliver his oft-postponed speech for the repeal of the silver purchasing clause of the Sherman law.

No one can tell how many of these speeches or how many more will be heard in the senate chamber, for Senator Voorhees will renew his request tomorrow, that a time be fixed for a vote on the bill. It is not to be supposed that he expects that unanimous consent will be given to any such arrangement.

The result cannot now be foretold, but if Mr. Voorhees can command the constant attendance and support of forty-three senators, committed to the repeal bill, the history of the week in the senate will probably be a repetition of the history of a week of the celebrated campaign against the force bill.

It is not probable that the McCrea bill to modify the Greasy Chinese registration law will come to the front this week in such a way as to command the attention and consideration of the house.

Prosperous Pennsylvania Farmers. DOYLESTOWN, Pa., Sept. 18.—The records in the recorder's office, so far this quarter, show that the farmers are in a more healthy condition financially than they have been for a long time.

Fatal Fight at Niagara Falls. NIAGARA FALLS, N. Y., Sept. 18.—During an altercation between a colored man named James Wicks and some Italians Wicks pulled out a revolver and dealt one of the Italians a blow on the head, causing concussion of the brain.

Killed by an Angry Bull. EASTON, Pa., Sept. 18.—An angry bull attacked aged Robert G. Morris, a farmer of Upper Mt. Bethel, Morris defended himself with a stick, but the beast is large, and the blows from the club had little effect.

Another Yellow Fever Case. WASHINGTON, Sept. 18.—The yellow fever situation at Brunswick, Ga., is alarming. Late last night Surgeon General Wyman received a telegram reporting eleven new cases.

PEIXOTO'S DEFEAT IMMINENT

Latest Reports from Brazil Favorable to the Revolutionists.

BUENOS AYRES, Sept. 18.—Brazil which has been received from the Brazilian revolution is unfavorable to President Peixoto. It is reported that the naval squadron sent to quell the revolutionary uprising in Rio Grande do Sul has rebelled.

The bombardment of Nietheroy has been concluded. The ships of the revolting squadrons attacked and silenced the forts, and now hold the town.

The report of the secession of the states of Bahia and Pernambuco has been confirmed.

President Peixoto, it is reported, has retired to Santa Ana with the troops still loyal to him. It is expected he will join the Castilistas in Port Alegre, where he will make a final stand for the retention of power, but it is believed that his overthrow is only a question of a few days.

The damage resulting from the bombardment was much more serious than has been heretofore reported. Many persons were killed, including an Italian sailor, for whom the government paid \$50,000 indemnity.

In repulsing the attempted landing at Nietheroy twenty policemen were killed. Admiral Mello proposes to blockade Rio and starve the capital into submission by cutting off all her supplies.

MRS. HALLIDAY'S CRIMES.

A Belief That She Was Assisted by a Lover.

MIDDLETOWN, N. Y., Sept. 18.—Infidelity to her husband and discovery in some of her improper affections are now believed to have caused Mrs. Lizzie Halliday and a masculine accomplice to have butchered her husband, Paul, and Mrs. McQuillan and her daughter, in Burlington, N. C.

When old man Halliday was drunk he was a terror. It is now believed that when Halliday returned in a drunken condition from one of his periods of absence he found a man in his house. His suspicions justified him in attacking the woman's lover.
