## THE GREATEST OF ALL.

Brilliant Game Between Shenandoah and Renova.

### LASTED TWELVE INNINGS

Setley Pitched the Game of His Life and Was Given Excellent Support—Toman and Frank Henry Share in the Honors of the Day.

All the brilliant victories and games of the home base ball club were surpassed by its last contest with the Renova. It was indeed a great game and will be pointed by the players who took part in it with pride, and defeated ones as well as the victors. It was almost perfect and none dare hope to see a better contest on the home diamond.

The Renova came here with a strong team and had Barnett, formerly of Von Der Ahe's famous St. Louis Browns, with them as their pitcher. He pitched an excellent game, but he was not "in it" with our own Setley when pitching was mostly needed. Up to the close of the ninth inning there were but four hits off Barnett and only two off Setley. After that inning the home team made four more hits while the visitors succeeded in only getting one additional off Setley's delivery. The latter certainly proved that he is a wonderful man in the box when he gets down to work and does not allow himself to be rattled. For a strong team to secure only three hits off his delivery in a twelve inning game is a record to which he can point to proudly for the rest of his life.

The game was the best ever played in this section of the state and the features of it, aside from Setley's pitching, were a great center field catch by Frank Henry and Toman's general work at short.

Fulmer, the Tamaqua veteran, also did great work and Ward and Fox are deserving of compliments.

Stout put up an excellent game at short for the visitors and Moran was like a stone wall at center field. Nothing could get beyond his reach.

Of the five runs made by the two sides only one was earned and that was the one made by Shenandoah in the third inning. The one scored by the same team in the seventh was made on a hit, McCarthy's error and a wild pitch. The deciding run was brought in by Ross' wild throw to first, when the home team should have been retired without a run for their half of the twelfth innings. The two runs scored by Renova were due to bad judgment of a left field fly by Martin and an error by Fox.

Ward's base stealing is worthy of mention. He stole to second in the first, third, fifth and seventh innings.

The first run of the game was scored in the third inning in this wise: After Messitt went out on a fly to Day, Fulmer whacked the ball for a two-bagger, stole to third and got home on a wild pitch. Ward and Ed. Henry got their bases on balls and each stole to second, but before they could score Fox struck out and Toman went out on a fly to Stout.

The Renova had luck in the third inning. Barnett got his first on Fox's error, Ross went out on Ed. Henry's throw to Fox and Fulmer bagged Cassidy's foul fly. Moran then sent a beautiful fly to left field, but Martin misjudged it and the ball went bounding to the fence, Barnett and Moran scoring. McCarthy then went out on a fly to Toman.

The home team had the small end of the game until the seventh inning, when it tied the score with the aid of a hit, an error and a wild pitch. Messitt made the hit, was advanced by McCarthy's muff of a ball hit by Ward and scored on the wild pitch. The excitement was at a high pitch when the tie run was made.

After the seventh, both sides seemed to play for blood, but in the eighth the home team had a hair breadth escape. Barnett was the first to bat for the visitors in the last half of that inning and Setley hit him with the ball. Ross went out on a fly to Ed. Henry and then Cassidy was hit by a pitched ball. This put two good men on the first and second bags and good batters were following them. Moran gave the ball a whack, but Setley stopped it neatly and threw Barnett out at third. This left Cassidy on second and Moran on first. Then came a grand hit to centre by McCarthy. The ball soared high through the air and a merry-go-round ensued. It looked as if the visitors had at least two more runs, but to the amazement of all Frank Henry pulled down the ball as he staggered backwards against the centre field fence and retired the side. It was a wonderful catch and the spectators expressed their appreciation of it by prolonged cheers and applause.

Fulmer made a hit in the ninth inning and got to second on an error, after two men were out, but his efforts were in vain by the inability of Ward to hit the ball hard enough and when Barnett threw the second base man out at first it retired the side.

The Renova were retired in the ninth inning by Toman, Messitt and Ward bagging

## A DESPERATE ATTACK

Sufferers From a Battle on a Mountain.

### BOTH SIDES COMPLAINING

Two Young Men of Town Arrested as Aggressors, But they Claim Hungarians Attacked Them for the Purpose of Robbery. Their Story of the Affair.

His morning Frank and Robert Shoup, two young men of town, were arrested by Constable Malesy, of Gilberton, on oath of John Sockalawicz, who charged them with assaulting his brother, Anthony, who, it is claimed, is lying at the Miners' Hospital suffering from a stab wound in the back. The Shoups were not taken to Gilberton, but went before Justice Davis, waived a hearing and entered \$500 bail each for trial at court.

The story told by the Shoups is quite different to that told by Sockalawicz. The Shoups are brothers. They say they went to Boston Run Saturday afternoon to get their pay. Instead of crossing directly over the mountain to town they walked to Gilberton and had some drink. Between eight and nine o'clock Saturday night they reached the top of the mountain, near Turkey Run, on their way home and were attacked by five or six Hungarians, two of whom were John and Anthony Sockalawicz.

One of the Huns jumped upon Frank Shoup and another tackled Robert. The latter threw his man into the laurel bushes at the side of the road and hastened to the rescue of Frank, who was being held down in the mud. As Robert hurried forward he was struck across the jaw with an umbrella by another Hungarian. Two more Huns then made their appearance, but the Shoups got together and commenced storming their assailants with stones. The fight lasted about fifteen minutes.

The Shoups say they beat the Huns badly, but do not know who stabbed Anthony Sockalawicz. They claim the attack upon them was made for the purpose of robbing them of their pay. Frank Shoup exhibits his trousers with a cut across the left hand pocket. He says a knife was drawn across the pocket, but it failed to cut the lining and for that reason the Huns didn't succeed in getting his pay. The back of his coat was ripped off when he broke away from the Hun he succeeded in crawling to under.

Robert Shoup has a cut on his forehead, one under the left eye and one on the left jaw. He says the latter was made by the blow from the umbrella and the other two were inflicted with a knife.

AT HIS OLD HOME.  
The World's Fair Lightning Ticket Seller Visiting Here.

William C. Downey, the lightning ticket seller of the World's Fair grounds, is visiting relatives and old friends in town. Mr. Downey sold tickets at one of the fair entrances from the opening of the exposition until a few days ago, when he resigned to take a vacation to enter the employment of the millionaire Chicago park packer, as paymaster. He quits his position at the fair grounds with a clean record, not an error or discrepancy of any kind having been charged against him. Mr. Downey was born and raised in Shenandoah and until a few years ago was employed as telegraph operator at the local P. & R. passenger depot. His stay here will be brief, as he must enter upon his new position in Chicago on October 1st. In a later issue we will publish some interesting details in connection with the World's Fair as furnished by Mr. Downey.

HE ESCAPED THE SHOTS.  
A Burglar Had a Narrow Escape Yesterday Morning.

At about three o'clock yesterday morning an unknown man tried to break into the rear part of a house on East Centre street occupied by Thomas Paulkonia. Special officer Anthony Alexis, who is a boarder in the house, was aroused by the noise. He chased the man some distance in the direction of the Shenandoah City colliery and fired three shots after him, but his efforts to make a capture were fruitless.

"Later On."  
Harris' theatre was well filled last night by an audience which, for three hours, laughed at the jokes and funny doings of a bright company. The girls of the cast are pretty and are capable singers and dancers. The "Georgie" sons of Miss Laocelles always gets an encore, and Miss Wilson's dancing never fails to please. The company's droll ways and their excellent musical entertainment cap the excellence of the form of amusements offered. There is a matinee today.—Washington Post. Will appear here Monday evening, Sept. 25th. 9-18-71

## KILLED ON THE RAIL.

At about half past five o'clock this morning John Becker left his home in Pear Alley for his work at the Knickerbocker colliery. When the body was picked up the head and one of the legs were found badly mangled.

Becker was employed as timber man at the Knickerbocker colliery and was about 62 years of age. He leaves a wife and six grown up children. The funeral will take place on Thursday morning at 10 o'clock and the remains will be interred in Rupert's cemetery near Ringtown.
