

AT MEAL-TIMES

Do you ever consider the quality of the food you are eating? It may be good. It might be better, purer, fresher and more wholesome. It is not worth while to make sure that your Tea, Coffee, sugar, Butter, Eggs, Spices and innumerable other groceries are of the best quality? There is such a trifling difference in the prices of the best and the worst that it certainly does not pay to buy the worst, even on the false ground of supposed economy.

The best is always the cheapest, because the most satisfactory and durable, and the very best of everything in the grocery line is kept at

LEHIGH'S PASSENGER AGENT.

Charles S. Lee's Career as Both a Railroad Man and Journalist.

Charles S. Lee, the newly appointed general passenger agent of the Lehigh Valley Railroad, has had an interesting career as a railroad and newspaper man. At the time of his appointment by the directors he was general passenger agent of the Colorado Midland, with headquarters at Denver. Mr. Lee was born in Washington on August 10th, 1855, and began railroad service at 16 years of age with the Cleveland, Lorraine & Wheeling Company as a clerk, being eventually appointed chief clerk in one of the departments.

In 1879 he entered the service of the Cleveland, Columbus, Cincinnati & Indianapolis as rate clerk, and in 1883 organized the American Railroad Publishing Company, issuing the American Journal of Railway Appliances, which has a wide circulation. In 1881 he went to Denver and entered the Denver & Rio Grand service as a clerk in the general passenger department. He was soon made chief clerk of another department, and in 1889 was appointed general passenger agent of the Colorado Midland, acting also as general freight agent for nearly two years. He is said to be a man of fine capacities, his strong points being good judgment and persistent attention to duty. His courteous and good temper have made for him many friends.

THE LOWEST RATE

OF THE YEAR TO CHICAGO VIA PENNSYLVANIA RAILROAD.

A further reduction in fare for the coach excursion.

The rapidly approaching termination of the Columbian Exposition and the enormous travel now directing itself to Chicago prompt the Pennsylvania Railroad Company to still further reduce its round trip rate on the popular World's Fair Coach Excursions. The rate from Philadelphia will be \$17; Lancaster, \$18.50; Harrisburg, \$15.75; Altoona, \$14.50, and a proportionate reduction from other points along the line and branches. These rates apply only to special trains leaving on September 25th, October 21st and an additional one just arranged for October 6th. The tickets will, as before, be good for return passage within ten days on trains leaving Chicago at 3.15 and 11.30 p. m.

The rate has now reached the lowest possible point, and is within the means of almost every one, which end the railroad company has long been endeavoring to attain. Early application for tickets is urged, in view of the increased demand which will undoubtedly follow this liberal announcement.

The service for this travel will be maintained at the same standard for which the Pennsylvania Railroad Company is justly world-wide famous.

Lane's Family Medicine Moves the Bowels Each day. Most people need to use it.

Gettysburg Trolley. Nearly all visitors to Gettysburg, and they are many during the beautiful days of September, are in favor of having the trolley cars run over the famous battlefield. The portion of the electric road already built is a great convenience to sightseers, and all at once recognize how its usefulness can be extended. The usual objections to the trolley do not hold in this case, as the wires would not interfere with firemen and children would not use the tracks for a playground. The only objection to the extension of the trolley on the battlefield is a mere sentiment, and not at all a reasonable one. With the means for cheaper transportation to and around the field, more people will be sure to visit Gettysburg and be impressed with the importance and grandeur of the great struggle that took place there during the first three days of July, in 1863. Some of the monuments that mark special points on the field of battle are worth traveling miles to see. One of the most recent, that erected by the state of New York to its soldiers, which cost \$65,000, is perfectly superb, and is most worthy tribute to the memory of a set of brave men. All who go to Gettysburg want to see this, and they want to get into its vicinity at a price just as reasonable as possible. The trolley will do this, so let it out.

Lampighter's Speedy Trial Spin. GETTYSBURG, Sept. 27.—Lampighter has received his final preparation for the great match race tomorrow with Martin Daly's Tammany, and the manner in which he reeled off a mile and a quarter yesterday has made him an odds on favorite at this track. The distance was accomplished in 2:10 1/2, the last six furlongs being covered in 1:17.

Iron Men Accept a Reduction. PITTSBURGH, Sept. 27.—The trouble between the iron manufacturers and the Amalgamated Association has been settled. The conditions are a reduction of the prices nearer to the selling card rate, with a 15c. rate as the minimum basis. This is a reduction of 10 per cent., but it is not fixed, being a sort of sliding scale.

The Mahanoy City and Pottsville base ball clubs played at the latter place yesterday and the Mahanoy club won by a score of 5 to 7. The Pottsville battery was Fox and Potts and J. Ely and Shinehouse pitched and caught for the Mahanoy.

The game was quite an interesting one, but there were several errors on both sides. Pottsville made twelve hits and Mahanoy City eight. Ward, of the Shenandoah team, pitched second base for Mahanoy and scored two runs for them.

A TRICKY SAMARIAN.

Helps a Poor Tenant and Defrauds the Landlord.

According to a story that comes from Mt. Carmel an impostor succeeded in perpetrating a very clever confidence game upon one of the property owners of that place last week. A well-dressed man passing along one of the by-ways saw a woman sitting on the steps of her home. She held a baby in her arms and was crying. The stranger learned that the woman was about to be put out of the home because she owed three months rent, amounting to \$38. The landlord was sent for and the stranger told him to give the woman rent receipts for four months' rent, including one month in advance. The landlord brought the receipts and the stranger gave him a \$100 bill. The landlord didn't have change, but the stranger said he would trust him to take the bill away and return the change. In a few minutes the landlord brought back \$72. The stranger gave the woman \$2 and put \$50 in his pocket and departed with the blessings of a large crowd of sympathizing neighbors who had witnessed the charitable act. About an hour after the stranger had departed the landlord found out that the \$100 bill was a counterfeit. The woman didn't defraud the landlord and she holds the receipts for the rent.

P. LOTS. Chestnut parties are already talked of, a feature of which will probably be nice basket lunches.

A woman who has a pass on the electric railway is said to have made thirty-six trips on it in one day.

There are 690 women journalists, editors and authors in England and Wales, according to the British census reports just published.

The Navaho Indians are great shepherds, unlike most redmen, and are said to have herds of a million sheep near Flagstaff, in Arizona.

In the public and private schools in the United States there are 369,634 teachers.

When a Chinese girl is married her attendants are always the oldest and ugliest women to be found in the neighborhood. They are supposed to act as foils to her youthful beauty.

The bride's cake of modern matrimonial feasts is a relic of Roman times.

A distinguished British scientist believes that the coming man will be toothless.

Mrs. Halliday Very Ill. MONTICELLO, N. Y., Sept. 27.—Mrs. Halliday is a very sick woman. For a week she has been lying on her cot, groaning and mumbling. Last Wednesday she was taken with a severe vomiting fit and has since been suffering from stomach troubles and chills. It is probable that the grand jury will finish their work and make known the result of their deliberations in the Halliday case this evening. It is believed a true bill has been found against her.

Bound by Masked Robbers. HUNTER, Pa., Sept. 27.—Five masked men, with a dog, broke down the door to toll house No. 2, on the Butler plank road. They then bound Mr. and Mrs. Diesel, the keepers, who are 70 years of age, and ransacked the house. The robbers took \$200 in cash and other valuables. When found the aged couple were almost dead from fright and exhaustion, and may not recover.

Religious Differences and Murder. PITTSBURGH, Sept. 27.—Samuel G. Stotard, a car accountant for the Carnegie Steel company, shot his wife twice yesterday, almost instantly killing her. Death of a Tweed Ring Hoodler. NEW YORK, Sept. 27.—Owen Murphy, the former excise commissioner, who departed in 1878 for Canada and returned about two years ago, died of heart disease in this city. He was 66 years old. Murphy was in the Tweed ring. His shortage when he fled was \$60,000.

Argentine Federalists Victorious. BUENOS AIRES, Sept. 27.—General Pellegrini, at the head of the government troops, recaptured the city of Tucuman. The insurgent forces occupying the city made only feeble resistance. After half an hour's fighting they fled. Pellegrini, his staff and 1,500 infantry at once marched to the building where the junta was sitting. All the members were taken prisoners and locked up under a strong military guard. A fight took place off the coast yesterday between the government squadron and the torpedo boats which have joined the rebels. The rebels were defeated and all their crews taken prisoners. Several officers on both sides were killed.

After the Roby Fighters. NEW YORK, Sept. 27.—Justice Bartlett, of the supreme court, Brooklyn, decided that "Solly" Smith, the pugilist, who was arrested at Coney Island after his fight with Dixon, would have to go back to Indiana to stand trial for having violated the law in that state by engaging in a prize fight at Roby with Johnny Griffin. Smith was taken to that state yesterday afternoon. Governor Matthews, of Indiana, has also issued regulations for Johnny Griffin, Joe Choyinski and Daniel Finnegan.
