WILL WORK SIX DAYS
The Coal and Iron Company Issues an Important Order.
SIX PER CENT. INCREASE
With the Increased Number of Working Days at the Mines, the Rate of Wages to be Paid is Further Increased Six Per Cent.—The Outlook Very Bright.

WORK in and around the mines in this region during the coming winter will be brighter than for many years, if the present may be taken as a criterion. As foreshadowed in these columns during the past week, the Philadelphia & Reading Coal & Iron Company on Saturday issued orders for all collieries controlled by them to work six days a week on nine hours time. Heretofore the collieries have until recently worked but four days a week. The order increasing the number of working days will not only be gratifying news to the miners, but to our business men as well, who have suffered greatly from the hard times prevalent during the past six months. But the dark clouds now appear to have cleared away, and the outlook is considerable brighter for the future.

The order increasing the working days at the mines also effects a large number of railroad men. Nearly all of the crews at Cresona, Palo Alto, Tamaqua, Mahanoy Plains, Gordon and Shamokin were temporarily suspended during the idleness of the collieries, but they have now been put at work again. Last week 8,755 cars were sent to market, with a tonnage amounting to 201,385 tons. This was the heaviest week for some months, and the present week will exceed that.

The Reading Company is away behind in its output of last year, and as there are only two months in which to make it up, every department will be pushed to its utmost capacity. This fact, together with the satisfactory condition of the coal trade, will at least give the miners in this region six days a week for the next two months, when the fiscal year of the company closes.

Another bright lining to the dark cloud that has been hovering over the Schuylkill region is the fact that the rate of wages to be paid for the last half of September and the first half of October is five per cent. above the basis, an increase of six per cent.

The following collieries drawn to return prices of coal sold in September to determine the rate of wages to be paid make the following returns:

West Shenandoah, P. & R. C. & I. Co.	2 61-1
Preston No. 7	do do 2 60-9
East	do do 2 57-5
Monitor	do do 2 60-9
Suffolk	do do 2 61-1

Average..... 2 61-3

The rate of wages for last half of September and first half of October, 1893, is five (5) per cent. above the \$2.50 basis.

The above increase is due entirely to the fact that the product of the collieries which happened to be drawn at this time was almost entirely marketed on the line—no coal of any account from the collieries having been sent to tide, and is not due to any such increase in the average price received for coal in the general market.

Poor working time at the mines affects every branch of trade in this section, and when the order is given for an increased number of working days or a higher rate of wages our merchants and others prepare for a revival of trade. There is every reason to believe that the fall trade will be a brisk one.

Livery stable keepers should always keep Arnica & Oil Liniment in the stable, nothing like it for horses. 1m

May It Come Again.
Fitz and Webster's "A Breezy Time" held the boards at the Opera House on Saturday evening. A better musical farce comedy never appeared here. The piece is refined, amusing and is an elegant cure for the blues. Daily News. At Ferguson's theatre, Friday, October 6th.

Congregational Meeting.
A congregational meeting of the First Presbyterian church of town will be held in the audience room of the church this evening for the purpose of extending a call to a pastor. Rev. William Linn, of Pottsville, will act as Moderator. A full attendance of members of the congregation is requested.

A BRUTAL ATTACK.
Anthony Wilkalis' Experience on a Lonely Highway.
Yesterday Anthony Wilkalis, residing on East Lloyd street, walked to Mahanoy City to visit friends and remained with them until evening, when he started to walk home. The road between the two towns is a very lonely one and some places are almost like deserts. When Wilkalis reached one of these places last night he was overtaken by a carriage containing four or five men, supposed to be Lithuanians. The occupants jumped to the road and without any provocation began a vicious attack upon the lonely traveler. Wilkalis says he was beaten with "hillsies" and other weapons and when he finally fell in a heap, exhausted, his assailants re-entered the carriage and drove off. Wilkalis remained where he fell for some time, he does not know how long, as he was partly unconscious most of the time. When he regained sufficient strength he succeeded in walking to his home here. He is confined to his bed and is under the care of a physician, although it is not thought his injuries are of a dangerous character. Upon the solicitation of the injured man's brother, Justice Toomey and Constable Giblin to-day undertook to trace the men who made the attack and have thus far succeeded in finding the owner of the carriage.

AMERICA'S DAY.
The Executive Committee Held a Meeting Here Saturday.
America's Day, which is celebrated by the patriotic organizations of this and adjoining counties on Labor Day, was to have been observed at Schuylkill Haven this year, but through some fault of the organizations of that town no demonstration was held. For this reason the Executive Committee held a meeting on Saturday evening in this town for the purpose of making preliminary arrangements looking to the selection of a place for 1894. The committee is at present composed of the following officers: President, George Oman, of Shamokin; Vice President, W. A. Thorn, St. Clair; Secretary, C. T. Straughn, Shenandoah.

The committee has been in receipt of so many inquiries relative to the next place of meeting, it has finally decided to issue an official circular calling for a convention at Mahanoy City. This convention will select a place for holding the convention and parade on America's Day in 1894. These circulars will soon be issued, and each camp and council is expected to send one delegate. Tamaqua is already working hard for the honor of being named as the place for holding the demonstration, and one or two other towns are moving in the same direction.

Fried oysters a specialty at McElhenney's. 5-12 tf

Wagered on a Dead Dog.
The sporting fraternity is having a good laugh at the expense of one of our town butchers who takes an interest in fighting dogs. A few weeks ago this butcher and another man engaged in the same business in town got into an argument over the respective merits of the dogs they owned, which culminated in each man putting up ten dollars as a forfeit for a fight for \$100 a side. The butcher who furnishes the laugh had placed his dog under the care of a Gilberton friend some years before. A few days ago he went to Gilberton to get the dog and put it in training for the proposed fight, but to his dismay was informed that his dog had been dead six months. The butcher avoids the sporting fraternity now because he is constantly annoyed by queries as to why he bet ten dollars on a dead dog.

Have you tried McElhenney's fried oysters? 5-12 tf

Thursday's Trip.
On Thursday morning, next, Watkin Waters Post No. 146, Grand Army of the Republic, accompanied by many of our citizens, will go to Allentown to participate in the parade and festivities attending the annual Grand Army Day of Pennsylvania. Parties wishing to go with the Post and take advantage of the special low rates should apply to the committee, F. H. Hopkins, B. G. Hess and C. T. Gibson. It is regretted the heavy expenses required for the trip prohibited the engagement of the Grand Band. The Post will be quartered at the Merchants' Hotel.

Will Meet To-night.
On account of last Friday being pay day and most members of the Board of Health being engaged at their stores the board did not hold its usual weekly meeting, and President Spalding has called a meeting for this evening, at 7 o'clock, in the Council chamber.

Sunday School Convention.
A semi-annual convention of the Primitive Methodist Sunday schools of Schuylkill county was held at Mahanoy City to-day. Shenandoah was represented by Misses Nellie Bangh, Annie Finmins, Maud Parrish, Mrs. W. J. Sincok, as regular delegates, and Rev. J. Proude as ex officio representative.

Third Annual Ball.
The third annual ball of the Boston Run Fire and Drum Corps will be held on Friday evening, the 13th inst., in Foley's hall, Gilberton. The committee having the affair in charge consists of Joseph Boscher, John Hall and Elias Miller.

THE GREAT AMERICAN CLOTHING STORE, 31 N. Main street, has just received one of the largest stocks of clothing ever brought to Shenandoah. The finest selection of chevots and Irish Friese in the county. Come and examine goods before going elsewhere. 25 91

IT WAS A POOR GAME
The Eastons Succeed in Winning From Us.
A BIG BUNCH OF ERRORS
The Visitors Let But Few Opportunities Slip Through Their Hands and Our New Pitcher Was Not as Effective as in Friday's Game.

OR an exhibition by two clubs which has established good records the second game between the Shenandoahs and Eastons at the Trotting park was a dismal failure. It was one of the poorest played games of the season and the great number of spectators left the grounds very much disappointed. The home team put up a contest of the ragged-edge order and allowed victory to slip through its hands twice.

Bauwinc was a disappointment. At the close of the excellent game he pitched against the Eastons on Friday he declared that he had only called about half his ability into play. He must have lost most of it at Pottstown on Saturday, for he displayed very little of it in the second game here. It is true that he did not receive good support, but his case no doubt comes in with others in the old story that a pitcher cannot be counted upon to pitch a good game every day. There is a general belief that had Setley pitched the game the result would have been different.

The home fielding was far from its usual standard and Fulmer demonstrated that he cannot play the left field. He had three errors there last Friday and three in the last game. He cannot cover ground as Martin can in that position and is not as good in judging flies.

Up to the fourth inning the game was a pretty good one, although Umpire Whalen had aroused indignation a few times by some very shady decisions which affected both sides. He seemed to have an "off day" with the home talent. In the fourth the visitors made their first score, and principally on account of errors. McDonald took first base on a bad throw by Bauwinc, but when Mills hit the ball McDonald went out on Nye's throw to third. Mills got to second on Frank Henry's muff and went to third on Wright's hit. Wentz then brought Mills and Wright in with a three-bagger, which was made after Messitt missed a chance to retire the side on a foul fly.

The home team went the visitors one better in the fifth inning. Frank Henry was hit by a pitched ball and took his base. Messitt followed with a hit, Fulmer took his base on balls and Ward brought the three men in on a three-base hit. Soon after the cheering stopped Ward went out while trying to steal home by Wentz's throw to the catcher. The score stood 3 to 2 in favor of the home team but before the inning ended the visitors again took the lead. A wild pitch, two singles, a double and three errors gave them four runs and ran the score up to 6 to 3 in their favor. There were two strikes on Kraus, the first man at the bat and he struck at the wild pitch, but got to first before Messitt could recover the ball. Hogriever made a hit, McDonald sent Kraus home with a two-bagger, and an error each by Ward, Ed. Henry and Martin, coupled with a final hit by Mills resulted in making three more runs.

In the sixth inning Bauwinc got as far as third, on a base on balls, a passed ball and a stolen base, but the side was retired before he could score. The Eastons were retired in short order.

In the seventh inning there was a tug of war and the hope that was raised in the breasts of the home people during the first half of the inning went down with a crash in the last half. Messitt started out with a hit, Fulmer and Ward got first base on errors by Mills and Wentz and Messitt was forced home by Fox taking his base on balls. Ed. Henry brought Fulmer and Ward home, Nye got to first when Henry was thrown out to second and afterwards stole second. Bauwinc brought Fox home with a hit and Martin brought Nye home with another. Bauwinc went out on the catcher's throw to third and Frank Henry struck out, leaving Martin on first.

When Easton went to the bat in the seventh inning the score stood 8 to 6 in the home team's favor. Hogriever made a hit, McDonald and Betts took their bases on balls, Mills followed with a hit that brought Hogriever and McDonald home and Betts and Mills scored on hits by Wentz and Kraus and an error by Fulmer, thus the score was again changed in favor of the visitors. During the latter half of this inning there were several cries for Setley, who was on the bench, as Bauwinc was hit freely after he succeeded in getting the ball over the plate.

The Eastons made the eleventh run in the eighth inning purely on errors. Hogriever got his first and second base on one by Fulmer and when Ed. Henry missed the throw in the runner got around to the home plate. The score:

HARVEST DAY.
Beautiful Services in Town and at Ellengowan.
Harvest Day services were held in All Saints' Protestant Episcopal church yesterday under the supervision of Rev. Bridgeman, the rector. The church presented a beautiful appearance, the rector and Mrs. Bridgeman and members of the congregation having decorated it elaborately with autumn leaves and bouquets, fruits, grain and many other products of harvest season presented by friend in the farming districts.

Impressive Harvest Day services were also held by the Primitive Methodist Sunday school at Ellengowan yesterday, under the direction of Superintendent Edward Cooper. The following programme was rendered: Singing, by the school; recitations, by Annie Conway, Hannah Jones, Mattie Beach, Sarah Simons, Jennie Conway, Susie Conway, Sallie Purcell, Jennie Nicholas, James Tomplin, May Richardson, Maria Woodhall, Lizzie Gaston, Sallie Greener, Susie Gilford, Jessie Beach and John Claton; dialogues by Jessie Beach, Annie Denis, Sallie Greener, and by the officers and teachers of the school; duets by Misses Nicholas and Fallontire, Mrs. Greener and sister; solos by Misses Nicholas and Sallie Greener, Hannah Jones, a very young little Miss, performed her part of the program in a very creditable manner and Superintendent Cooper won the hearty thanks of the school for the attention he gave in making the preparations for the exercises. The school was beautifully decorated by the ladies of the school.

Lloyd Improving.
A report was circulated in town yesterday that J. W. Lloyd, who was stabbed by Thomas Kelly at Girardville on Friday afternoon, had died. As stated in Saturday's HERALD, the wound inflicted is not a dangerous one and according to the statements of those who have been at the bedside of the injured man, there is no reason for fearing a fatal result.

Ashland Heaters.
The Shenandoah club defeated the Ashlands, at Ashland, on Saturday, by a score of 20 to 7. Rees, the collegiate, pitched for the Ashlands at the start, but was obliged to retire in the second inning when he broke a bone of his right hand in trying to put Fox out at the home plate. He was rather wild in his pitching and was hit freely when he did get the ball over the plate. Jones succeeded him.
