Do you ever consider the quality of the food you are eating? It may be good, it might be better, purer, fresher and more wholesome. Is it not worth while to make sure that your Tea, Coffee, sugar, Butter, Eggs, Spices and ten number other groceries are of the best quality? There is such a trifling difference in the prices of the best and the worst that it certainly does not pay to buy the worst, even on the false ground of supposed economy. The best is always the cheapest, because the most satisfactory and durable, and the very best of everything in the grocery line is kept at

### FRACKVILLE.

P. & R. Agent H. D. Berkholder, his daughters, Misses Mamie and Lizzie, and his son William arrived home on Monday after a very pleasant trip to the World's Fair.  
Miss Kate Green, formerly of town, and now of Philadelphia, is the guest of her friend, Mrs. J. J. McElhenny, of Nicos street.  
Miss Mamie Scott, who has been on the sick list during the past seven weeks, is, we are pleased to report, out of bed and strong enough to receive her friends in the parlor.

George Seitzinger, after a two-months' visit to Boston and the World's Fair, returned home on Saturday.  
Thomas J. Pierce now occupies his own cozy home on Ballou street.  
Dr. C. N. Blietler, George Burchill and Mahlon Guber are expected home on Monday from the World's Fair.

### MAHANOV PLANE.

The employees of the P. & R. R. R. received their checks here on Tuesday.  
Mrs. Thos. Fitzpatrick, wife of our enterprising furniture dealer, returned home on Saturday after spending several weeks at the World's Fair.  
Mrs. Jonas Smith presented her husband with a little baby boy on Friday and consequently Mr. Smith is receiving the congratulations of his friends.  
Mrs. Bridget Holland, mother of the late William Holland, one of the victims of the Gilberton riot, died at her home Friday of "heart failure." Since the untimely demise of her son, which weighed heavily on her mind, her health had consequently failed. The funeral occurred Monday, and was largely attended notwithstanding the incessant rain. High Mass was celebrated in the Holy Rosary church and a very comforting and instructive sermon delivered by Rev. J. F. McElhenny, after which the remains were taken to Frackville where interment was made in the Parish cemetery. Deceased leaves a husband, two daughters, and five sons to mourn her loss.  
Miss Mary Murphy has retired from the confectionery business and will leave shortly for the World's Fair.  
Mrs. John Guy, better known in this vicinity as Mrs. Heiser, and Daniel Wolfe, of Fort Carbon, were lately married at the Methodist Episcopal parsonage in Palo Alto. The newly wedded couple will reside at Fort Carbon.  
Mrs. Dennis Conners visited Shenandoah Wednesday and witnessed the ceremony which united for life Miss Alice Welsh, of Cherry street, and Mr. Ford, of Brooklyn. Miss Welsh's many friends here extend to her their heartiest congratulations.  
Daniel Finney is on the sick list.  
The public was again treated to another open air concert Thursday evening. The music was excellent and it was thoroughly appreciated by everybody.  
Thousands walk the earth to day who would be sleeping in its bosom but for the timely use of Downs' Elixir.

### A BOY KILLED.

Crushed Beneath a Car at the Ellengowan Colliery.  
George Leiby, 16 years of age and son of William and Susan Leiby, of West Strawberry alley, was instantly killed in the Ellengowan mines this morning by being crushed beneath a car. When a car was being pulled out on the gangway Leiby, who was a doortender, attempted for some unknown reason, to jump upon the front bumper, his foot slipped and he fell under the car. A horrible wound on the left chest showed where the car forced the boy down upon the roadbed and crushed the life out of the body in an instant. The distress of the family is aggravated by the fact that the father has been an invalid for a year.

Arnica & Oil Liniment is equally good for man and beast. 25 and 50 cents per bottle.

### Religion in Denver's Politics.

DENVER, Colo., Oct. 2.—The American Protective association promises to cut a greater figure in the approaching election here than the silver question. The association has grown rapidly within a year, and has been able to dictate the nominations on both the Republican and Populist-Democratic tickets. The candidates of both parties for important offices are said to be members of the American Protective association or in sympathy with it. Catholic Populists and Democrats have booted their ticket and Republican Catholics will probably do the same.

### To Wed His Centennial Sweetheart.

WASHINGTON, Oct. 2.—The matrimonial alliance between Commander Whiting, United States navy, and Miss Ah Fong, the Chinese maiden of Hawaii, will soon be consummated. The only obstacle in the way has been removed by an order issued from the navy department relieving Commander Whiting, in command of the Alliance, and granting him a month's leave of absence, with permission to apply for an extension. This leave, it is understood, is desired by Commander Whiting for the purpose of going to San Francisco to meet and marry his fiancée.

### Contempting Governor Hogg.

ASTIN, Tex., Oct. 2.—Two hundred of Astin's most prominent citizens are out in a petition to Governor Hogg, touching on the bankrupt condition of Texas. They request him to prevent the total bankruptcy of the state by accepting the sugar bounty which has accumulated at Washington to Texas' credit, and which he emphatically refused last spring, and demand that the \$5,000,000 advanced officers of the railroad commission, three in number, be refused their pay. Governor Hogg is being condemned by press and people for needless extravagance.

### Van Alen Will Not Withdraw.

NEWPORT, R. I., Oct. 2.—Mr. James J. Van Alen broke silence in regard to the press dispatch from Washington to the effect that he had made advances or propositions to withdraw his nomination as ambassador to Italy. He said that there was not a bit of foundation for the rumors and he could not see how they originated. He spoke as if the thought of withdrawal was farthest from his mind, and his friends say that under no condition will he retire.

### Cut Her Throat in Revenge.

SCRANTON, Pa., Oct. 2.—Guisetta Fenelli, wife of Dona Fenelli, was frightfully gashed in the throat by Phillip Jose, at her home on Robinson street. Her recovery is doubtful. Jose is said to have made the attack from a fancied belief that his victim was the cause of his wife's death a few months ago, in having turned her out of the house when sick. Jose is under arrest.

### Colored Masons of High Degree.

NEW YORK, Oct. 2.—Medina Temple, of the Ancient Arabic Order of Nobles of the Mystic Shrine, of Masonry of North and South America was instituted in this city with solemn and impressive ceremonies. This is the first temple organized in the state of New York for colored Masons. Of the officers one is a thirty-third degree, and the others thirty-second degree Masons.

### The Hungarian Marriage Laws.

VIENNA, Oct. 2.—The emperor has summoned Dr. Werkerle to Vienna in connection with the proposals to alter the Hungarian marriage laws. His majesty does not object to obligatory marriages, but he wishes certain details changed. In the event that the royal cabinet will withhold the Werkerle cabinet doubtless will resign.

### Philadelphia Cricketers' Great Record.

PHILADELPHIA, Oct. 2.—When the Philadelphia cricketers ended their first inning on Saturday they had scored the unprecedented total of 535 runs. This breaks not only all American records, but also the strongest English records in an international event of the character.

### Colonel Espina's Sentence Commuted.

BURENO AYRES, Oct. 2.—The sentence of death passed upon Colonel Espina, who was convicted by a court martial of having incited two torpedo boats to attack some of the government vessels lying in the river here, has been commuted to twenty years' imprisonment.

### A Wife Poisoner Convicted.

HILLSDALE, Mich., Oct. 2.—Dr. M. P. Fogelsong, who has been on trial for the past two weeks for the murder of his wife a couple of years ago by poison, was found guilty as charged by the jury. Sentence was deferred. The doctor showed no emotion whatever.

Will Not Resist Reduction.  
TORONTO, Oct. 2.—The wages of the employees of the Trenton Iron company (Cooper & Hewitt) have been reduced 10 per cent., commencing this morning. Business is slack, and there will be no strike.

## TAMAQUA.

### A Newswy String of Happenings From the Old Borough.

There is not a breeze stirring on the Tamaqua political field as yet. Even Allan, the candidate for Commissioner on the Republican ticket, is as meek as a lamb. He has an idea that he can win hands down, but he must not be too sure.

There is a disposition among the Tamaqua Democrats to vigorously oppose a re-nomination for Keilly. In fact the ax seems to be taking a keen edge all over the county and it would not be surprising to see him defeated.

The announcement of the death by drowning of A. L. Lutz at Novata, Indian Territory, recalls to mind that gentleman's visit to Tamaqua a few weeks ago. His daughter resides at the latter place and the visit, so rumor has it, was due to a desire expressed by the daughter to live with the father in the West.

As the story goes, plans were secretly arranged for the girl to escape, but they were discovered by the mother before they could be carried out and Miss Gertrude, the daughter, was forthwith locked in her room.

The sensation caused by this intelligence leaking out was discussed by every tongue and the father, learning of his daughter's fate, hurried to his far western home. The news of his drowning reached Tamaqua on Wednesday and now the gossips are hard at work rehabing the past.

The deceased was a brother of Amanda Lutz, proprietor of the Mansion House, in Tamaqua. He owned a large farm at Novata covering 7,000 acres. His estate is valued at \$80,000. Nothing has so far been learned of his will.

The knitting mill has resumed operations after an illness of four weeks.

The round house, one of Tamaqua's landmarks, has been torn down to make room for a larger and more modern structure, but on account of the P. & R. Company's present embarrassing position work on the new building has been postponed indefinitely.

It is more than likely that the Tamaqua School Board will erect a new school building in the spring. The present crowded condition of all the schools and the increasing attendance each year makes it imperative. It is whispered that the directors are now looking for a site.

The production of "The Country Squire" at Allen's opera house last Thursday evening was a fiasco. It was advertised as an auxiliary to "The Old Homestead," which drew for it one of the largest houses ever seen in Tamaqua. The company makes very long jumps, coming here from Easton and from here going to the western part of the state. It is fortunate for itself that it did not tour the county.

A large number of our people have been to the big fair and a number are going next month. Merchants Scheid and Losen will leave next week. Clothier Livingston and Shoe Merchant Spiese write their friends from the White City to visit the sight regardless of all emergencies.

### USE DANA'S SASSAPARILLA, ITS "THE KIND THAT CURES."

### Pension Spies.

The Record has been informed that several of Hoke Smith's pension spies are operating in and about Wilkes-Barre, looking up pretenses to deprive the old soldiers of their pensions. These fellows know what is needed by the Democratic administration, and of course act accordingly. If a veteran, who has been shattered by rebel bullets in defense of his country, is seen spading his little garden or mending a pair of old shoes, he is forthwith reported to the department and his pittance reduced. The fellows who do the spying, as a rule, belong to the class who shirked their duty when the country needed them. They have no sympathy with the men who left their wives and children to become marks for traitors' bullets, and they earn their Judas silver by robbing Union veterans of that which is justly due them. But Hoke Smith comes from Georgia, and he of course can see no reason why the country should take care of the men who whipped his friends, the rebels, back into the Union.—Wilkes-Barre Record.

### Coming Events.

Oct. 4.—First annual ball given by the Shenandoah base ball players, Robbins' opera house. Schoppe orchestra.  
Oct. 13.—Third annual ball, under the auspices of Boston Run Fire and Drum Corps, in Foley's hall, Gilberton.

### Dives, Pomeroy and Stewart.

In another column will be found a display announcement of Dives, Pomeroy & Stewart of their annual fall opening on Thursday, Friday and Saturday, October 5th, 6th and 7th. The public should give special attention to the announcement, as it contains some very important information for people seeking bargains in the line of this great firm.

### NUGGETS OF NEWS.

The steamship Thomas Anderson, just arrived at New York from Hamburg-dogged three waterspouts on her voyage.  
The new trial at Chicago of ex-Detective Dan Conghlin for the murder of Dr. Cronin has been postponed until the October term.  
Bowie Johnson, son of the late Reverdy Johnson, Andrew Johnson's minister to London, died from a stroke of apoplexy at Oakland, Md.

Mr. and Mrs. John Pietrod, of Dayton, O., crawled under some freight cars to cross the tracks, the engine started up and Mrs. Pietrod was instantly beheaded.  
Joseph S. Harding, arrested as the leader of the Central's, Ill., train robbers, has confessed that he was in the plot, but swears he backed out before the "holdup."

Representative Cooper, Democrat, of Texas, has introduced in the house a resolution providing for the submission of the question of free silver coinage to a popular vote.
