PENNSYLVANIA will roll up one of her old-time Republican majorities next month.

BRIGHTER and brighter is the out look for Republican success as election day approaches;

THE Indianapolis election is an eye-opener to the Democrets. The old soldiers had something to do with it.

THE Republicans have carried Indianapolis, Indiana, by overe 3,000 majority. The "Coffee Coolers" were In full force. It is all very well to "get up a the United states legislature was there out in full force.

breeze in your business," granted it ever seen such an exhibition of physical comes from a favorable quarter. But "breezes" are fickle, and calms follow every blow. The Vigilant and Valkyrie in a good "breeze" would move but little faster than derelicts were it not for the "sails." A "breeze in your business" is worth nothing without "sales." You can secure large and money-like "sales" by placing your advertisement in the EVENING HERALD.

ABUSE OF THE PRESS. There is no species of license that is so frequently indulged in nowadays, observes the Lancaster New Era as tion of those who were opposed to his the tics. Prior to this Senator Faulkner wa abuse of the newspaper press. Everybody, from the anarchist and evil doer to the senator in Congress, takes his turn at this pastime. It is safe; there ing around the parliamentary puzzle of is usually no response and there is a hearty endorsement from every manwho has at one time or other been hauled before the bar of public opinioufor his misdeeds. The floor of Congress is the place, however, where this outery against the newspapers is most frequently indulged in.

The third, fourth, and fifth rate men who are sometimes sent there can't tion, at least temporarily. This left or help making asses of themselves, and the newspapers very promptly and fnance committee and which, in addition effectually accounce the fact the next day, much to their chagrin and disgust. Nothing so soon hurts a man's feelings and silver into many of equal intrinsic and silver into many of equal intrinsic and exchangeable value-such equality to be secured through international agree ment or by legislation. In return, he turns loose the vials The debute on the bill was continued by the Democratic senator from Kansas, Mr. of his wrath on the men who have exposed his shortcomlags. But it is not Martin. He began his speech against the bill at 9:40, and at 4 α clock he pleaded fatigue and yielded the floor, saying that the ordinary ignoramus alone who blows his "penny" trumpet at the he would seek another opportunity of admachinery which has exposed him. dressing the secate. Sometimes men of great ability are Mr. Teller (Colo.), who continued a speech against the bill which he began last week also tempted in an unguarded moment. while sumaring under some ving, to say silly things which are not unjust, but untrue, and which are sure to subject the man who makes them to wall deserved consure. Such a case turnedup a few days age in the person of Senator Morgan, a of forty air senators. Mr. Scenario then man of emiment abilities, but who so interruptions for roll call, until all allowed his passion to get the better of 1 responsible frame of mind spoke of that insalivar men, or some of that, and his judgment, and while in that irassumed the amprovive, even to the exnewspaper men as"Hoentions hirelings, scarcely able to bring together enough on the contributions of the sensition of the sensitions were on the contributions of the sensitions were viperous epithets to signify their contempt of senators," and who are so "glad to get a crust and a dry herring that they spew out of their months sindlers and debunciations." This foolish kind of talk called out a reply from Henry Watterson, in the course in which he said: "There has never been a time when the press of the United States was so rich and so independent as it is to-day. To describe men as 'penny a timers glad to get a crust and adry herring, whose tempt of senators," and who are so to get a crust and adry herring, 'whose annual income ranges from five to ten times those received by those impecua-ions members of the sensie/who claim to live on their psy, is too absurd to be officiely. It is simply laugh annual income marges from five to ten be offensive. It is simply laughable.

increasing with the passage of such nour, and every time the sharp double ring of the electric bells called for a quorum they rose from their longes and sung easy chairs and came into the chamber with greater reluctance. The symptoms of dis-content multiplied. Mr. Sherman went Long Session Adrly This Morning. home after dark, declaring that he would not do more than ten hours of such work continuously. That sentiment found an echo in the breasts of other Republicans TER ALLEN'S RECORD. but still they preserved their alignment healde Mr. Voorhees, though in a pre-functory fashion that excited the appre-Senate Over Seven Hours, and Was msion of the Democratic repeal man Still Talking Whon the Tired Law 诸汉代扩展

A hasty consultation followed, and with great difficulty the leaders were induced o sanction a proposition for a recess from 0 o'clock until 10 this morning. Prob-bly they were brought to this pass by the ear of the fluid disappearance of a quot for the night, thus revealing a fatal weak ness. But when it came to the overation of this plan there was an unexpected bitch and the managers found that may had calculated without their host in om ting Mr. Stewart from their council That senator calmly replied, when appeal -

to to yield for a motion to take a recess, that he proposed to talk until Sunday morning without intermission. At 9 p. m. the senate galleries were I am working again, and do not have any of my bad spells. I have a perfect curs." Chas. M. Laura, 650 W. Market St., York, Pa.

overflowing with spectators, and there were large erowds pushing and jostling in the stair cases and in the corridors with hundreds of people waiting outside the various doors of the galleries, hoping for an opportunity to get inside. Quite different was the scene on the floor of the senate. Most of the seats of senators were acant, while the Nevada sunator, his long, snowy beard and tall, burly form, was moving back and forth or the first level of the central sisle, deliv

monthly statement of the exposition's finances to Sept. 30 shows that the exposi-tion is not only out fit debt, but has a handsemic balance in the treasury. The amount realized so far from the sale of ering his speech in favor of sliver, At 10:45, when Mr. Stewart's voice was showing erident signs of wear, Mr. Wol-cott made the usual reference to the absouvenir coins is \$1,909,130; total gate re-celpts to the end of September, \$7,404,598; sence of a quorum, and the roll call distotal from concessions to Oct. 1, \$2,600,307 photographic receipta to Sept. 30, \$137,426 closed only thirty-nine senators present. The longest wait in the whole protracted debate occurred while the sergeant at arms, under orders of the senate, was sense, under orders of the sense, was searching for absent members to "request" their attendance. It was nearly 11,30 be-fore Messrs. Palmer, Brice, Vilas and Berry were found to complete the quorum, and Mr. Stewart, much refreshed, resumed \$97,212. The paid admissions to the fair yesterday were 377,878. Italians and Spanlards joined in yesterday at the fair and in the city in honoring his talk.

At midnight another roll call ordered, Mesara, Wolcott, Jones, Dubois and Teller refusing to answer to their DRIVERS.

undurance as that After the lapse of twenty-five minutes shown by Senato when no return had been made by the Allen. During th sergeant at arms sent out in quest of ab-sent members, Mr. Manderson began to delivery of his speech he occasion ally sipped from a nice the general impatience, expre ope that there would not be much longer cup of tea, but this was his only delay.

In the meantime the senate rapidly nonrishment When he finishe thinned, nearly all the Republican sema-tors who had been fairly constant in at-tendance early in the night taking their his eves wore a The reception and tableanx given in the Woman's building at night, from associety clear, his voice wa departure. Senator Butler, of South Car-olina, strolled into the chamber, but was quickly warned by Mr. Wolcott of the sitas strong, his gas ures were as vir orous as when h point of view, has not been excelled by anything heretofors given at the fair. intion, and did not ask that his name be took the floor. His respites were fewcalled.

When nearly an hour had clapsed without one additional senator responding Mr. Wolcott approached Mr. Faulkner, who was in the chair, and made an informal proposition to him that the silver men would give him a quorum if he would consent to an adjournment with a quorur present. This proposition Mr. Faulkner promptly declined.

Shortly before 1 o'clock Mr. Gallinger asked Mr. Voorhees to move an adjournment. Mr. Voorhees said that he had not embarked upon this voyage without a full crippled some time sgo, recently marched 400 strong, including 150 fighting bucks, from the Standing Rock agency to Pine knowledge of the difficulties that would ncounter him. During the past forty-two Ridge, where they declared they would re-main if they had to fight. Indian police hours he had only slept one hour. He be-lieved a quorum would ultimately reach the chamber. There were, he said, forty and cavalry have been dispatched to escort the Bigfoot Indiaus back to Standing members here now, not counting seven or eight luxuriant, kindly souls, sixting about the chamber too indolent even to answe

to their names. Mr. Hill, of New York, took a hand in The curtain fell about 10 a. m., on the first act of the main drama. One of the two pending amendments to the repeal hill was hald on the table by a vote of 53 to T; and thus Mr. Peffer's free coinage amendment was eliminated from the ques-tion, at least temporarily. This left only the house hill
