BUFFALO, Nov. 8.—The First ward was a two in all that are in operation. BUFFALO, Nov. 8.—The First ward was a scene of battle from sunrise to sunset. Over a hundred patrolmen and as many more special deputy sheriffs were detailed there to keep order. The chief strile was over the election of aldernoen. In the Fourth district four puglists were stationed at the door of the booth. One or two of White's adherents who institud upon getting too close to the polls, were picked up bodily and dropped in the mod. The White men, after valuely trying to get into line and make a showing, gave it up in disgust.
