

AT MEAL-TIMES

Do you ever consider the quality of the food you are eating? It may be good. It might be better, purer, fresher and more wholesome. It might be worth while to make sure that your Tea, Coffee, Sugar, Butter, Eggs, Spices and innumerable other groceries are of the best quality? There is such a trifling difference in the price of the best and the worst that it certainly does not pay to buy the worst, even on the false ground of supposed economy. The best is always the cheapest, because the most satisfactory and durable, and the very best of everything in the grocery line is kept at

FOUND DEAD.

A Workman Dies at His Post at William Penn.
Mike Jumbo, a Hungarian, was found dead in the breaker of the Wm. Penn colliery this morning. The cause of his death was unknown, but it is attributed to heart disease.

Jumbo's duty was to attend the small engine which hoists the bony coal cars. He appeared at his post at the usual hour this morning and made no complaint of feeling unwell. At about eight o'clock Jumbo failed to operate the engine in response to the signal and the breaker boss went to see what caused the delay. He found Jumbo lying upon his face beside the engine and dead. An inspection of the body showed no marks of violence and death must have resulted from some internal complaint. Mine Inspector Stein was notified of the case. Jumbo was about 37 years of age and married. He resided at Wm. Penn.

UNCLE SAM'S ISLANDS.

The Pacific Possessions That Were Annexed by Andrew Jackson.
WASHINGTON, Nov. 9.—Some sensational dispatches that were published yesterday to the effect that Queen Liliuokalani was to be restored to the throne of Hawaii by the United States government, brought a flood of inquiries upon the State department. The friction upon the subject of the Hawaiian Islands is a very delicate one. It was sufficient to draw out a long and weary series of questions which I regarded by them as absurd. I had the nearest to any statement that has been obtained from any one in an official position connected with the State department in regard to the Hawaiian matter.

An interesting fact has been developed bearing upon the Hawaiian annexation question in the receipt of the navy department. A glance at a good chart of Hawaiian islands will show a long string of very small islands extending northwest of the most northern, most inhabited islands, Nihoa and Kahoolawe, of the Hawaiian group. Most of these belong to the Hawaiian government, and are considered apart of the Hawaiian group. Two of them, Lisianski and Midway Islands, were on Aug. 28, 1897, formally taken possession of by Captain William Reynolds, commanding the United States steamer Albatross, on behalf of the United States.

These islands had previously been discovered July 5, 1822, by Captain S. C. Brooks, of the Hawaiian bark Rarotonga, who formally took possession of them in the name of the Hawaiian government. The United States government was actuated by a request on Secretary of the Navy, given by Allen McLane, the president of the Pacific Mail company, who desired the use of the islands as a coaling station. Secretary Welles thereupon issued an order to Rear Admiral Thatcher, commanding the northern Pacific squadron, to take formal possession of the islands.

Captain Reynolds in reporting the ceremony of taking possession to Rear Admiral Thatcher says: "It is exceedingly gratifying to have been concerned in taking possession of the first islands added to the dominion of the United States beyond our own shores, and I sincerely hope that this instance will be by no means the last of our insular possessions." In view of the much that has been said and written on the lack of precedence for an assumption by the United States of dominion over detached islands, such as the Hawaiian group, this record of the navy department bears on the question with interest.

PENNSYLVANIA'S VOTE.

Now Believed the Republicans Won by 150,000.

PHILADELPHIA, Nov. 9. With full returns from almost every county in the state it looks as though the Republican majority on the state ticket would not be less than 150,000. It may reach 175,000. The official vote in almost every instance has far exceeded the estimate of the most sanguine Republicans. Among the Republican majorities are these: Allegheny, 27,000; Armstrong, 2,000; Beaver, 1,725; Blair, 3,100; Delaware, 3,800; Westmoreland, 2,500; Huntington, 1,500; Mercer, 2,012.

WILKESBORO, Nov. 9.—Complete returns in Tioga county give the Republican state ticket a plurality of 2,810. The People's party polled 143 votes in the county. The whole Republican county ticket is elected. Francis M. Scheffer is to succeed General Robert C. Cox, the venerable prothonotary, who next month will have completed twenty-one years of continuous service in that office, and who declined to run.

WILKESBORO, Nov. 9.—Unofficial returns from Luzerne county complete give the Republican state ticket 72 plurality. Official figures will not alter this much. Democrats elect their candidate for registrar by 1,307 plurality. The Democrats also claim a majority commissioner and auditor. The Republicans elect the treasurer, county controller, two commissioners and two auditors.

CHESTER, Nov. 9.—Unofficial returns from all districts in the county give a majority of 3,900 for the Republican state ticket. Carr (Rep.), for sheriff, leads the county ticket. Henderson is elected the minority member of the board of commissioners. Chester city gives nearly 1,500 majority for the Republican state ticket. Hundreds of Democrats refused to vote.

HONESDALE, Nov. 9.—Full returns from Wayne county give Jackson, 2,381; Osborn, 2,306; Fell, 2,592; Thompson, 2,370. The prohibitive vote is 292. Populists, 172. George S. Parry, the president judge, received 4,642 votes. Henry M. Seelye and R. M. Stoeber, who ran against him, received one vote each.

MIFFLINTOWN, Nov. 9.—Complete returns from Juniata county show a Republican majority on the state ticket of 37. The Republican county ticket is elected except the treasurer, which will not be decided until the full official vote is in.

SCRANTON, Nov. 9.—Wrangling county complete shows 293 majority for the Republican state ticket and slightly larger majorities for Republican county officers. Frank Knapp is the first Republican sheriff elected in thirty years.

DOVERSTOWN, Nov. 9.—In Bucks county the Republican state ticket has 350 plurality. A Republican gain of 480. James Yorkes (Dem.), for judge, will have from 800 to 1,000 majority. He is the only Democrat elected.

BLOOMSBURG, Nov. 9.—The official returns from Columbia county give the Democratic state ticket a majority of 800. This is the first majority the Democrats have had in Columbia county in twenty-five years.

BELLEFONTE, Nov. 9.—Official returns from Centre county show that the full Democratic county ticket is elected by a majority ranging from 300 to 500. The Republican state ticket leads by a small majority.

YORK, Nov. 9.—York county complete except five districts gives the Democratic state ticket 701 majority. B. F. Frick, (Rep.) for prothonotary, will probably have a plurality of 300 over A. J. Dellone (Dem.).

TYNARHOCK, Nov. 9.—Official returns of Wyoming county give 352 Republican majority on the state ticket. The entire Republican county ticket was elected by majorities ranging from 300 to 500.

EASTON, Nov. 9.—Complete returns from Northampton county give the Democratic state ticket 1,394 majority. The Democratic county ticket wins by majorities ranging from 1,010 to 1,578.

MAZDALE, Nov. 9.—Complete returns from every precinct in Crawford county give the Republican state ticket a plurality of 1,531, a Republican gain of 1,741.

MAZDALE, Nov. 9.—Full returns from Carbon and Monroe counties indicate the election of Allen Craig (Dem., president judge of the Forty-third district).

CLARKSBURG, Nov. 9.—Complete returns in Franklin county give the Republicans every office. The state ticket has 1,855 majority.

WAYNESBURG, Nov. 9.—Green county complete, for supreme judge, Fell, 1,829; Thompson, 3,942; state treasurer, Jackson, 1,756; Osborn, 3,394.

CLARKSBURG, Nov. 9.—To the surprise of politicians of both parties, Northumberland county has gone Republican by 600 majority.

TOWANDA, Nov. 9.—The entire Republican ticket is elected in Bradford county by a majority of 2,335.

The South Carolina Way.
SPARTANBURG, S. C., Nov. 9.—Speedy and terrible punishment was meted out to a negro named Bob Kennedy, at Gaffney. About dusk a married white woman and her little girl were returning home, and when in a narrow lane near their house a negro grabbed the woman, threw her down and began to choke her. Her screams aroused a little boy not far off, and he gave the alarm. Some neighbors started in pursuit of Kennedy and caught him near the scene of the struggle. He was put under arrest until about midnight, when he was taken out and hanged.

Gen. up" and "Gee, wool" both mean "Horse, get on!" In Notts and many other counties horses say to the young children, "Come and see the ice goes." "Up" is a contraction of "str- up" (your stumps), and "wool" is a provincial pronunciation of "away" or "way," meaning, "Get on the way." In confirmation thereof we refer to two other terms used to horses, "Woo'ish" (bear away) and "Woo'ish, come hither" (hither to rhyme with father)—i. e., bear away to the side on which the carter walks. There is not the least likelihood that "Gee, wool" is the Italian gio, because gio will not fit in with any of the other terms, and it is absurd to suppose that our peasants would go to Italy for such a word. "Wool" (stop or halt) is quite another word. The carter, or team man, walks on the left side. Wo, or woa, is a turning (see Downworth).—Notes and Queries.
