tion in the medical than any other paper published. Rooks open to all,

the South is "the most law-abiding section of the country." It came to this conclusion after sceing the half-eyon and vociferous fushion in which the people rose to turn the rascals out.

In a time of deep disappointment the vessels have been lost. Among the vessels have been lost the vessels lost are the vessels lost are the steamer Relleau.

the things of this world lose their charm and hearts are in pressionable to things of the next. There was real wisdom in the Salvation Army Leginning its big meetings in New York just after the election.

A DISTRACTED man calls on the newspapers to put down the big puffed allows the first desired which make women look two yards wide at the shoulders. The trial, and Hoyer's counsel will ask the newspapers are powerful, but cannot slaughter or nurder in the second degree. The latter plea will probably be accepted. following by trying this reform in his own house. hold.

JOHN R. READ, who has just been tion, was a delegate to the Democratic Joe Tawreng had both legs broken. The National conventions of 1876, 1880, others were seriously hurt. 1884, 1888 and 1892, was for three years. 1878-81, assistant district attorney of of the supreme court has reversed the de Philadelphia at an aggregate salary of cision of the lower court, dismissing the \$18,000, and from 1888 to 1892 was action brought by William R. Laldlaw to ing salary, fees, etc., amounting to \$13,- office. A new trial is ordered. 000. And now he gets his feet in the trough again.

We all know what monkey business having the second count of the indiction, and shall seen know what menkey ment quashed leaves it was defectively disable to the countries of the countries of the countries of the Wilkins of Chicago of the Order that he is now on trial only for embezzies of Railrord Clerks, who is spokesman for so ago gave some illustrations of it, that he is now on trial only for embezzlegathered from monkeys kept in cages, The New President of Bryn Mawr College. and who went to Africa to learn it in Its purity from the monkeys enjoying M. Carey Thomas, Ph. D., president of their native liberty, reached Liverpool the college, vice, Dr. James E. Elloude, resigned. Miss Thomas has held the positional forms. his mission was a great success. Simi- the college sluce its opening in 1885. anese will now have to be added to the science of comparative philology. Language implies concepts and concepts imply mind, and with a pretty cepts imply mind, and with a pretty vieted on several charges. The court year good start in development. If Garnier terday sentenced her to two years and is right the missing link is as good as found. But here a suspicion arises: Can be in his enthusiasm have deceived himself and, so to speak, put words In the mouths of the monkeys? We know on the excellent authority of Dean Swift that the commentators in their enthusiasm made Homer say more than Homer ever knew. When Garnier publishes his grammar of Duan Swift that the commentators in Simignose, who is to tell whether it is real or imaginary? No one. It will have to be taken on faith If taken at all. But that may be said of the various theories adopted to account for development, just as a Philladelphia i reacher says that the Bible must be, owing to the work of the higher chines.

MOVED TO TEARS.

The New York correspondent of the Philadelphia Press says that the morning after election Judge Noah Davis took up his papers with hesitating hand, almost dreading to look at the headlines. But when his eyes fell upon the glorious message contained in the types before him, the reaction came swiftly; he burst into tears, and for some moments sobbed like a child; and that was the Judge who sentenced Tweed and who was called, when on, the bench, the grimmest and most stern of judicial officers. stern of judicial officers
