ACCIDENTAL DEATHS.

Caused by Carelessness. Caused by Carelessness. The majority of people die sooner than they should. Evidence of this fact is grow-ing daily. Waring sayst "Disease is not a genesequence of life; it is due to unnatural conditions of living—neglect, abuse, want. Dr. Stephen Smith, on the same subject "Man is bora to health and long life; die ease is unnatural, death, except from ci-age is accidental, and both are preventable by human agencies." After speeches from the sides M. Pelletan mounted the tribune and demanded to know whether he had the entire calinet or only a portion of the cabinet before him. To this Premier Dupuy replied, him The whole cabinet is here; you can speak. M. Dupuy's remark was greeted with loud cheers, and also caused a violent tu mult on the part of the extreme left, many members of the latter party declarng that M. Poytral had handed in his dealignation.

This caused M. Pelletan to exclaim in a loud tone: "Not having a united entitlet before me, I decline to speak." M. Pelletan's remark caused the leftists to break out into renewed applause, which was interrupted with considerable tumnit and excitement. M. Brissor declared that the ministry's conduct was unconstitu-tional and that it was impossible to continue the debate. Tremendous cheering greeted the remark and there was tumult and considerable disorder on all sides in the chamber, after which M. Jaures with-drew his interpellation pending a reconstruction of the cabinet. This caused renewed disorder, during

Yesterday President Carnot called on M. Casimir-Peraire, president of the cham-ber of deputies, to form a cabinet, but it was subsequently announced that M. Casimir-Peraire doclined to undertake the mission. Then M. Dupuy wassummoned, but he also declined. Shortly afterward the president summoned M. Meline and thoroughly discussed the situation with him.

him. To M. Meline the president entrusted the delicate mission of endeavoring to persuade M. Casimir Pearire or M. Dupuy to reconsider their decisions not to un-dertake the reconstruction of the cabinet, but they emphatically declined to be persuaded to undertake the difficult task proposed.

The Socialist Workmen's unlon gave a "punch" at the Nalson du Pele yesterday afternoon in honor of the Socialist depu-tles who were instrumental in bringing about the resignation of the French cabi-net. The majority of the representatives of the Socialist party, including M. Janres and M. Miller, were at the entertainment. The audience was large and enthusiastic.

It includes woul, from ora, coal, binding twine, furnber, had ore, sub, freestone, granite, sandstone, interstone and other building or monomental stone, except uniride, unmanufactured or undressed; grindstone, finished or unfin-lished; copper imported in the form of ore; regulus of copper and black or correst re-per, and copper comount blue vitriol or per, and copper coments blue vitrial or sulphate of copper, all proparations of conitar, not colors or dyos; borax, crude, or borate of sodium, or borate of calcium, coloring for wine, beer or other liquors. convergence of the second seco mony, as regular or metal; metallic min eral substances in a crude state and met als unwrought; flax straw, flax; spices, ground or powdered, cuyenne pepper, sage; timber hown and sawed and timber used for spars and in building wharves; timber squared or sided; sawed boards, plank, deals and other lumber of hemlock, whitewood, sycamore, white pine and bass wood not planed or finished, cot-ton ties, chocolate and lead ore.

The best information this morning is that steel ralis will probably be put at 88 or \$9 a ton, the smaller figure represent-ing a tariff of 40 per cent. ad valoren, while ralls are selling at their present low price of \$50. Rails will be one of the few articles upon which a specific duty will be retained. Pig iron will probably be put at 5 per cent, while bar iron will be re-duced about 50 per cent. The rate on nearly all manufactures of cotton is 40 per cent. This includes hostery, which has compound duties ranging as high as 72 per cent., and the classifications of differ-ent grades of goods is abandoned. Manufactures of flax, herap and jute are greatly reduced in view of the placing of the raw materials on the free list.

The chinaware schedule will peoplably be rechinaware schedule with penning be re-duced 1 per cent. The McKinley bill restored the duty on coverings which are a large element in the cost of chinaware, and practically made the increase in duty greater than the apparent change in the ad valorem rate. ad valorem rate.

ad valorem rate. The duty on refined sugar is reduced from one-half to one-fourth of a cent a pound. Raw sugar remains free of tax. The McKinley bounty is repealed progres-sively—that is, one-eighth such year, so that at the end of eight years it is to cease entirely.

In the schedule which includes women's and children's dress goods, on which, with coat linings, Italian cloths and goods of similar character, the warp of which is Office-130 North Javdin street Shenaudoal cotton or other vegetable matter, the value not exceeding fifteen cents per square yard, a duty of thirty-five cents is placed. On women's and children's dress goods, etc., wholly or in part of wool, worsted, etc., the duty is fixed at 40 per cent. On clothing, ready made, and articles of wear ing apparel a duty of 45 percent, is placed. On cloaks, dolmans, jackets, etc., for ladies and children, a duty of 45 per cent.; on webbing, suspenders, bolting, binding, braids, galloons, fringes, etc., 40 per cent. On carpets, which are taxed 30 per cent. On carpets, which are taxed 30 per cent, in the Springer bill, the dury in this tariff bill is 25 per cent, and on some of the finer grades of carpets, all of which were man grades of carpers, and of which were taxed 40 per cent. In the Springer bill, the duty in this bill is somewhat less. The cut is the linen schedule is quite heavy; that on slik is comparatively light, and LOTS the cut in the cotton schedule is nothing like as great as the cut in wool. Mello Fired on British Vessels.
