Ir may be said of the new tarif bill that its adoption will make mutter.

ried Mrs. Mackay's daughter, has done a great deal to discourage rich American girls from marrying titled blacklesson will be wholly wasted.

ANOTHER get-rich-quick company turned. known as The Order of Solon has been the grand officer. "Ins undergone a radi-the grand officer. "Ins undergone a radi-cal change. It is far different from what Commissioner of Insurance. That official will be as old as Methussieh before he will eatch up with the rest isfactorily.

THE new tariff bill puts the knife

to the throats of several million

to the throats of several nillion
American sheep. Iterally, for hardly one of them will survive free work. It also puts the knife to the throats of millions of American workingmen, figuratively speaking.
It may interest some people to know that the copper-colored woman whom "Paramount" Blount describes a "monarch born and educated to the purple," is only three generations of samples of the traines of all her and the samples of the strike to the strike to the strike to the strike of the strike to the strike of the strike to the st

THE Democratic managers at Washington propose an income tax with the view to securing the favor of those who will have no income tax to payby far the greater in number. As a matter of fact, such a tax will not attract to the support of the Democratic party any except a few Populist doctrinaries. Those who will suffer by this "erowning atrocity of class legislation" will naturally be egainst the Democratic party, while those who are not affected will not care anything They Refuse to Admit That the Big about it. They will never be able to see that the income tax does them any good and their attitude will naturally he that of indifference. There are no votes in an income tax. It is a gur that will klek harder than it shoots.

The Compromise Brought About by State Arbitrators. SOME OF THE MEN DISSATISFIED.

Strikers at Wilkesbarrs and Other Places Declare They Will Not Return to Work Unless All the Old Men Ave Reinstated, Though Some Are Rushing Back.

**HETHLEHEM**, Pa., F.  $\alpha$ , 7. — Chairman Rice sent out notices has a dist calling the Leibuch Valley men s work, and announc-ing that the strike has been declared off. General Manager Voorbies will be day that the men were reporting for work, and by the theorem is conserved that the

and by tomorrow he expected that the road would be in operation as heretofors. There was not much difference in the running of trains today. Among the men who reported for work was an old enfineer who was among the first to strike. He was given a position, though not the same one by had before the strike. Telegraphers are reporting for duty in large

numbers. One message had the names of accent who were desired of resuming work. A prominent grant officer summed up the adjustment as follows: "The officials have consented to ratify

ing vacancies and making promotions to give preference to the old men without ean girls from marrying titled black, prejudice or discrimination on account of guards, but it is to be feared that the the man having struck, or because they

belong to labor organizations. The men have made a big convession in declaring the strike of before all the men were re-"The position of the officials," continued. It was before the men struck. We are all, of course, glad that the struck has been declared off and the matter adjusted sat-

is as follows: The statis heards of arbitration of New York and New Jursey desire to know whether, if he existing strike is desired off, the Lebugh

We believe that these suggestions are reason while, and that if they are accepted by your company the present strike will be at once terminated. To this letter Mr. Willow replied:

The Liddigh Valley Railcoad company agree a flas suggestion contained in your commun-ation, and in the event of the strike being do Atlan, and in the event of the error terms terms haved off will able by them. We recognize and willingly respond to your modification o ar former understanding, that the available ine may be divided so that the men resen-doyed may have some cortain storage of sup-ort. We turther, of course, confirm the rule out. We turther, of course, confirm the rule.

relved no confirmation of the good news. None of them returned to work. Freight Agent Rondlo said that the men employed Agent Kondio and that the men simpleyed by the company during the strike were engaged with the agreement that they would not be discharged to make place for returning strikers. This agreement would be faithfully carried out. The strikers would have to content themselves with such vacancies as avist. with such vacancies as exist.

EASTON, Pa., Dec. 7.- Many of the strikers are disstillified with the way they were treated by the officials when they reported for duty. They expected to be put to work scan, but instead were told that they would be sent for when the com-pany needed their services. It seems that the man did not understand the settlement is the they would be sent for when the com-

in this light and are very indignant. The men say that there is dissatisfaction from me and of the road to the other with that part of the agreement relative to the PUTTIVILLE, Ph., Dec. 7.-The Lehigh

Valley officials are doing nothing but taking down the names and telling the men to hold themselves in readings for orders. Superintendent Blakeslee says he can make use of all his old hunds again at their usual occupations. It will take sev wral days to got matters into the proper routine

## The Case of Commodore Stanton.

Washistores, Dec. 7.-Secretary Her-bert has requested that Commodore Statton's report be made in writing. The sea-relary said today that he had no intention 

 wery cheap—until the sheep are all killed.
 The officials have consider and to consider matters in the Statement of the service, and to consider matters in the Statement on the subject. The report to many of the old man as possible to di The official service consider matters in the statement on the subject. The report to many of the old man as possible to di 
 while the available time among the menso ing of the facts nuterially on which was as to each to make a living; in fill-based the recall of the commodore. It has been surmised that he would be kept on shore on waiting orders indefinitely as a result of the report, without any further formal action being taken in the matter.

### Wants a Receiver Appointed.

Privatino, Dec. 7. - An application has been made for the appointment of a re-cover for the iron and steel firm of Will-iam Clark's Sons & Co., and litigation commenced involving several hundred thousand dollars. The plaintiff is Elizabeth D. Clark, administratrix of the laise Edward L. Clark, against Jane Clark, and alleges that since the death of her hus-

#### They Object to Englishmen;

Tor tox, Dec. 7. —The municipal council, after listening to a violent Angle-Phobe speech from the former mayor, adopted a resolution calling the attention of French government to the danger of all lowing the purchase by an English cam-pany of balance courts at Temaris and Subjects on the ground that the presence of the English at those places might prove serious should a war break out. The adop-tion of the solution was greated with Ioud applaus from the public guileries.

Walte Urges Independent Free Coinage. SALDA, Col., Dec. 7 - Governor Waite in his address at the Miners' convention add that every state has a right to mak its own legal ten by, and he recommended Its own is get that let, and he recommended that Colorato enough a haw making every alives dollar a logal tender, so matter where such dollar may be colored, so that it contains 55%, grains of silver. The gov-event auronaeed that he would call an extra session of the buildature early in formers.

BOLTING THE BILL.

The Troy, N. Y., Press, Democratic, the home organ of Senator Murphy, cannot swallow the Wilson dose and uses the following vigorous language In a recent leases

The Wilson bill is so bad that it will mass enough. Democratic legislators against it to hold the balance of power and prevent Its massage:

Its adoption would signify Demo cratic suicide, and the wise leaders of the party will therefore effectively exort themselves for its interment:

The Wilson bill is so plainly doomed to defeat that it will not be half so in- of you as I can make places for. There are some vacuaties, and these I will fill jurious as a less obnuxious measure eraftily drawn to win public approval.

wisions with which this bill abounds, it is not dangerous because it is doomed. Witalized into law it would be a tremendous lujury to the country, and make the Democratica minority party for many years to come. It cannot be so vitalized.

Democratic duty, loyalty to labor and the commonest patriotism units to demand the defeat of this sectional and scandalous measure.

Let every Democratic statesmut and legislator opposed to it be promp in voleing his convictions.

Make II phin that the Wilson hi gunnot pass, and even its prolonge agitation will be muchle to interruph the revival of prosperity which is now giaddening the country.

a question have not

OLD EMPLOYES DISSATISFIED.

Strike is Settled. WILKENBAURF, Da., Dec. 7.—After being in suspense all day the Labigh Valley ratiroad strikers received afficial Informa tion inst night from Chairman Rice, of the grievance committee, who went to Bethlehem with the grand chiefs, that

benchman, which the grand chiefs, that the strike had been declared off. There is a runnor current that Grand Chiefs Ar-thur. Sargent and Wilkinson conceded too much to Voorhees, and that the men are not at all, pleased with their action, and unless all hands are taken back there will be considerable dissettisfaction. will be considerable dissatisfaction. arominent official of the Lenigh Valley droad said: "The men who came to diroad said: "The men who came to our rescue when we needed men will be kept in our employ. It would not be right or just to disade them under the circan-stances." A prominent brotherhood en-glueer said, "Unless every skilker gets back to his oil position the brotherhood might as well disland." The company might as well disland. The company made good pregress gesterday with his ponemication force of mon. Passenger trains an on schedule time and a great deal of

freight was moved. The strikers broke ranks at 11 o'clock last night and made a rash for Superin-tendant fisser's office. The latter add to all applicants. "Understand, gettlemen, that I ablde by the agreement given out and that is that I shall take back as many

urious as a less obnuxious measure with the first man who return and report for duty. Some of van will be left out in the sold. Some of the divisions with which first bill abounds, Match Charles and the sold them out.

serious hitch in the settlement of the La high Valley strike. The leaders expects his place. When the arrangement was made known to them things assumed a different shaps. They manimously de-clared that every man would have to be taken back or none. At a meeting in the opera house last night the proposition for fettlement was rejucted. Similar action was taken at Leighton, Weissport and White Hayon. The men have wors for-merly engaged on the Wyoorning division, the most difficult portion of the entire line. The most difficult portion of the entire line. The most difficult portion of the situation charged. The new place of the situation have an englished the situation in the property of the situation. and manual grout theorems have. Stork and the strikers and business must are more or less defected. They had heped by a solutioner. The strikers, however,
