# ACCIDENTAL DEATHS.

Caused by Carelessness. The majority of people die sooner then they should. Evidence of this fact is growing daily. Waring says: "Disease is not a consequence of life; it is due to unnatural conditions of living—neglect, abuse, want Dr. Stephen Smith, on the same subject "Man is born to health and long life; die case is unnatural, death, except from oldage, is accidental, and both are preventable by human agencies." This is almost invariable true of death resulting from heart die

by human agencies." This is simost invari-ably true of death resulting from heart dis-ease. Careless over-exertion, intemperature of tea, coffee, tobacco, alcoholic or other stimulants are generally the causes of the difficulty, and indifference to its progress re-sults in sudden death, or long sickness craing in death. By the newspapers it can be seen that many prominent and hundreds of persons in private life die from beart die

A NEW BANKRUPTCY MEASURE

It Is to Take the Place of the Defeated Torrey Bill, and Favors the Establishment of a Voluntary System of Bank

Wasterseron, Dec. 11. The sudden col-ages of the bankruptcy bill in the house layer of the bankruptcy till in the house last Friday has somewhat discreanized the program in the house for the prosent week, which it was supposed world be almost entirely devoted to that subject. As it is the home begins the week with no definite work in view. The tariff will not enure up for debute until a week from bother or the supposed was a supposed to the subject. lay, at the earliest, although if the pre-ent intention of the Democratic member till, will be reported on Wednesday. The majority report will be filed with the hill, but it will be some days later before the Republicans will have their report memred. The hill for the admission of Utah Friday, came up during the morning hour friday, clinic up dirring the morning today. The Republicans continued their fillbinstering program, and at the continued the inner the privilege of the bill ended and it was returned to its place

m the calendar.

Tomorrow the committee on judiciary meets, and it is expected that it will inc mediately report with a favocable recom-mendation Mr. Halley's bill for the estab-Hishment of a voluntary system of bank ruptcy. Although the house gave a grash ing majority against the Torroy bill which included both the involuntary and woluntary features, the prevailing opinion is that an overwhelming scattment in the house favors a single voluntary bank-

ruptoy law.

A favorable report on the bill to refund ection tax collected during the period of 1863 and 1805, amounting to 1805,072.00, has been ordered by the judiciary committee, and it is the ardent desire the southern members that it receive consideration this
