DRIVE THEM OUT.

The fiend who threw the bomb into the Chamber of Deputies in Paris has been discovered. His name is Vaillant and he has been a rabid Anarchist for years. The explosion wounded him severely, tearing off his nose, and inflicting other serious injuries. It is to be regretted that the bomb did not wipe him out altogether. There is no more room in the world for creatures of the Vaillant stripe than there is for a mad dog. This latest outrage has aroused all Europe and may lead to an international agreement for the suppression of anarchy. If this be done, the United States should be on the alert. With all Europe combined against these foes of society, we may look for a general exodus of the suspected ones. Naturally they will turn to the United States as a haven where they can ply their nefarious trade with camparative impunity. They should be stopped upon the threshold and sent back whence they came. This country has been too long the dumping ground for such human refuse and the time has come to stop it. If such an agreement be entered into the United States, should by all means be a party to it. European Anarchists would in this way understand that this country will afford them no protection, and that their coming here would be fraught with as much danger as if they remained at home. We have laws to protect us against the paupers and contract laborers of Europe. That law should not only be extended to Anarchists of every degree, but should provide also for the deportation of every Anarchist found within the confines of the United States.

Drive them out!—*Wilkes Barre Record.*

COMMANDER-IN-CHIEF John B. Adams, Grand Army of the Republic, promptly answers the slanderous challenge of Mr. Cleveland that "thousands of neighborhoods have their well known fraudulent pensioners" by issuing an official circular urging comrades, posts and departments to aid vigorously in ferreting out the alleged offenders. The sweeping accusation of Grover Cleveland is an indiscriminate insult to Union pensioners. Its effect is to brand each pensioner as a suspect. That the charge is wanton is shown by the comparatively few cases of fraud that have been discovered and by the number of pension suspensions that have been revoked. The course of Commander Adams is proof of the good faith of Union pensioners in their desire that the pension roll shall be a roll of honor.

IT takes a good deal of first-class brains to construct a tariff that will produce the requisite amount of revenue without disturbing industry and commerce. Any chump could make a tariff bill that would not produce enough revenue, and that would demoralize business, like the Wilson bill, for instance.

DEFIANT HAWAIIANS.

Anti-Royalists Adopt Vigorous Resolutions.

ABLE TO SUSTAIN THEMSELVES.

They Need No Foreign Aid to Assure the Permanency of the Present Government—A Restored Monarchy Would be Very Short Lived.

VANCOUVER, B. C., Dec. 16.—The Australian steamer Arawa, which brings Honolulu news up to Dec. 1, arrived at Victoria yesterday. Immediately upon entering the straits she was boarded by a reporter, who was informed that Queen Lilinokalani had not been restored, and there had been no trouble in Honolulu.

On four days preceding the sailing of the Arawa the troops of the provisional government were busy fortifying and barricading the government house, or the castle, as formerly called. Work was being done with sandbags principally. As the Arawa sailed from the harbor troops could be seen from the deck of the steamer busily engaged in heaping up the breastworks.

Since the arrival of the steamer Warimoo on the 24th ult., developments have followed each other with startling rapidity. Dispatches forwarded by sailing vessels on Nov. 19 and 22 have not fully anticipated the scenes coalition Hawaii is now passing through in the most heroic way. When the Warimoo arrived with Cleveland's ultimatum the royalists were jubilant and the annexationists at once began to carry out previous plans for forcing resistance in case the steamer China, which arrived three day's later, brought instructions to Minister Willis for restoration of the monarchy with the aid of the United States troops from warships Adams and Philadelphia. Within twenty-four hours after the news was brought by the Warimoo 1,600 determined annexationists had assembled on short notice, and a mass meeting was at once held.

An Enthusiastic Meeting.

The meeting was short but wildly enthusiastic, and those who heard the ringing cheers which welcomed speeches of President F. M. Hatch, of the Annexation club, and the presentation of the resolutions knew that monarchy, even though restored by superior forces of the United States, would be short lived.

In the course of his speech Mr. Hatch said:

"We are confronted by the declaration of Secretary Gresham that royalty must be restored and our government destroyed. His representative has given us the opportunity to be heard before final action will be taken upon this issue. Certainly any action taken by the congress of the United States of America cannot be resisted by anybody in this community.

"We do not meet here to night to deny the power of the United States—that would be absurd, gentlemen—nor to villify those at present in charge of the government of the United States, but we meet with the hope that our words will be heard by congress. There were certain features in the letter of Mr. Gresham to the president which show that he is proceeding upon a false assumption. Let us hope that the distinguished secretary has been misinformed up to this date. From the nature of things, a government which started in revolution could not submit the question of the legality of its existence to any arbitration, because its right lay in its might. Having satisfied our consciences as to the justness of our cause, we depend upon our might, and are answerable to no other power.

"I challenge the right of the chief executive of that great nation, of his own motion, to undo the act of any of his predecessors. Congress may do it, but Grover Cleveland had no more right, legally or morally, to undo an act of Benjamin Harrison than he had to undo any act of Abraham Lincoln.

"Let us hold the president to the true issue, and then if the legally constituted power of the United States, the power which has the right under the constitution to declare war, overpowers us we will go down, our colors flying and with no misrepresentation possible. Let it be known to the world that, if the event takes place, it will be because the United States has exercised its power but not its right."

Vigorous Resolutions Adopted.

The resolutions adopted at the mass meeting were as follows:

Resolved, That we have read with surprise and regret the resolution of the secretary of the United States to the president to restore the monarchy lately existing in Hawaii.

Resolved, That we condemn the assumption of the secretary that right of the provisional government to exist was terminated by his refusal to recognize to the senate the treaty of union pending between the two countries, and also his assumption that the provisional government at that very time submitted the question of its continued existence to the arbitrament of the president or of any other power.

Resolved, That we support to the last of our ability the provisional government, and resist any attack upon it which may be made contrary to the usage of nations.

Resolved, That the executive council inquire of the American minister whether his instructions were covered by and in harmony with the letter of Secretary Gresham to President Cleveland. If so, whether he was instructed to use force.

Resolved, That should the answer be in the affirmative those patriotic recommend that Mr. Willis be immediately given his passport and the ex-queen be made a prisoner of state.

Speeches were made vigorously denouncing the attitude of President Cleveland and Secretary Gresham.

Since this mass meeting the spirit of enthusiasm which at first prevailed among the royalists has been in a state of fluctuation, and some of the clearest headed leaders admit that the success of the restoration in the present or future depends on the armed protection of the monarchy by the United States.

Careful inquiry has put the Associated Press in possession of the fact that in case of defeat the revenues of the government have already been secreted, and the government will be re-organized at other headquarters, defying Cleveland and the restored monarchy until the resident Americans are swept by superior force from their homes in Hawaii.

It has been learned upon the best authority, coming from royalist sources, that British Minister Resident Wodehouse has lately stated to different persons in Honolulu that there was an understanding between President Cleveland and the English government that the monarchy should be restored.

The government claims that with the support of the American citizens and Germans resorts, backed by the present formidable battery of Gatlings, Maxims and Austrian field pieces, now on hand, no aggressive movement could be made if necessary that would clear Honolulu of the aggregate forces of all the men-of-war vessels at present in port should a landing be made. In case a collision comes further aid will at once rally around the provisional government from the other islands. In case it is the intention to carry out the instructions for the restoration of the monarchy, Minister Willis has promised to give the provisional government thirty-six hours notice before acting.

The fear of the councils seems to be that the British will offer protection to the ex-queen in case Cleveland fails to restore her. For this reason notice has been given foreign officials not to land troops without permission of the provisional government.

Corbett May be Arrested.

JACKSONVILLE, Fla., Dec. 18.—The latest rumor in sporting circles in this city is to the effect that as soon as James J. Corbett arrives here tomorrow he will be arrested and put in jail for violation of the state law in coming here after having previously arranged for a fight within the state boundary. If this is done Corbett will be promptly gotten out by a writ of habeas corpus and carried before Judge Call, who will try the case. If the decision is against Corbett an appeal will be taken to the supreme court. The advocates of the boxing match are very sanguine that all obstacles will be overcome.

Mexican Revolutionists Retaliate.

EL PASO, Tex., Dec. 16.—A letter has just been received here from a man now in the state of Guerrero, who is engaged in the disturbances headed by General Canuto Neri. He says General Neri has not surrendered and his troops have not been deserting him. On the contrary the revolutionists have recently captured and hanged General Vincente Villada, of the federal army, formerly a supreme court judge. The revolutionists dealt thus summarily with General Villada because the federal troops have hanged the few insurgents they have captured and left their bodies to rot in the air.

Millionaires Try the Starving Argument

PROVIDENCE, Dec. 18.—The great strike in the wool mill district is a thing of the past. Its managers have been outgeneraled by the millionaire manufacturers. Its back has been broken, and today the situation changed from a strike on the part of the operatives to a lockout on the part of the mill owners. The situation is one that has had no equal in this city since the panic of 1857. Six thousand people have been out thirteen weeks on a strike for a return of their old schedule of wages, and there is now no telling when they will return to work.

Riotous British Soldiers.

LONDON, Dec. 15.—A number of British artillerymen who recently arrived at Dover under order to proceed to Gibraltar have been guilty of grave disorders since their arrival there, and severe punishment will be meted out to them when they reach Gibraltar. The artillerymen, 250 in number, while drunk, have been acting in a riotous manner for a week past. They have broken windows, assaulted citizens and committed other disgraceful acts. The police on duty were powerless to cope with the riotous artillerymen.

Slosson Defeats Schaefer.

NEW YORK, Dec. 13.—The second night of the triangular billiard tournament was in every way as brilliant and absorbing as the contest on Monday night, when Ives defeated Slosson. Last night's game was between Slosson and Schaefer, and resulted in a victory for Slosson by a score of 600 to 541. Owing to a protest made by Slosson against the work of Referee Sexton on Monday night, George Moulton, a newspaper man, was selected to fill that position. Tonight Schaefer and Ives meet.

On the Train Robbers' Trail.

AUSTIN, Tex., Dec. 13.—The officers in pursuit of the Duval train robbers are on a hot trail. Ex-Convict Wallace is under arrest on suspicion of having been concerned in the robbery. Railroad and express officials, it is said, knew a train was to be robbed on the International road, and had been running guards on express cars until two weeks ago, when they were retired to save expenses.

For Smuggling Chinamen.

PORTLAND, Ore., Dec. 13.—The trial of twenty persons charged with conspiracy to smuggle Chinese laborers into this country began yesterday in the United States district court. The case promises to be one of the most interesting ever tried in an Oregon court, both on account of the prominence of some of the defendants and also on account of the large number of persons implicated.

A Harsh Sentence Before Him.

OMAHA, Neb., Dec. 13.—In the United States district court a jury found C. W. De France, 19 years old, guilty of robbing a mail carrier of a mail pouch. Judge Dundy says he will sentence him for life in the penitentiary. The carrier he robbed was but a boy. One cent was all the young robber realized.

Prendergast Jury Secured.

CHICAGO, Dec. 16.—When court adjourned last night the Prendergast jury had been secured. Both the prosecution and the defense claim to be well satisfied with the quality of the jurymen. The defense will admit the killing. Mayor Harrison, as set forth in the indictment, and fight on the insanity issue alone.

Murderer Johnson Must Die.

ALBANY, Dec. 16.—Matthew Johnson, the colored murderer now in Sing Sing prison under sentence of death, who appealed to the court of appeals, will have to die. The appelate court has decided that he had no cause for appeal, and that the judgment of conviction of the lower court must stand.

BEAUTIFUL SLEEP

—is an expression used for *sound sleep.* Nothing is so gratifying to the nerves, heart, and head, as perfect sleep—a companion of good digestion and a healthy liver. A *tired* digestion fails to assimilate, or take care of, the food we eat. Something bracing or invigorating is needed for the liver, stomach, and intestines.

This is where you will find Dr. Pierce's Pleasant Pellets do the most good. They are tiny, sugar-coated pills, scarcely larger than mustard seed, made of concentrated botanical extracts. These "Pellets" are easily dissolved in the stomach and absorbed into the blood, stimulating a flow of life from the liver, and arousing to activity all the glandular secretions. Thus they act in nature's own way.

They're guaranteed to give satisfaction, or money refunded, in all Bilious Attacks, in Sick Headache, Constipation, Dizziness, and Indigestion.

When you have Catarrh, use the sure remedy—Dr. Sage's $500 for an incurable case.

His Eyesight Destroyed.

LANCASTER, Pa., Dec. 12.—Frank George, a laborer and the father of eight children, met with a terrible accident at Lime Rock, this county. The man had arranged a blast which failed to explode. He returned to relight the fuse, and while stepping over to do so, the blast went off. The sight of both eyes was destroyed and he was badly injured about the face and head.

Cremated in Her Home.

PEEKSKOMA, N. Y., Dec. 13.—Mrs. Georgiana Jackson, of Farmingville, four miles from here, was burned to death in her residence. She had lived alone on her large farm. She was seen lying on her bed, but the house was in flames and no assistance could be given her. It is supposed that she was murdered, and a spectacle peddler named Edwards is under arrest.

Railroaders Get an Advance.

BOSTON, Dec. 13.—It is asserted by a number of the employes of the New York and New England railroad in this city that the agreement signed between the company and the committee of their employes calls for an advance of 5 per cent., to take effect at once, and the complete restoration of the old rate of wages on March 1.

A Venerable Clergyman Dead.

LEBANON, Pa., Dec. 13.—Rev. W. H. Elliott, D. D., one of the oldest members of the Philadelphia conference, Methodist Episcopal church, died at the home of his son-in-law, Sterling G. Valentine, after a lingering illness. He was widely known, having been a member of the conference for fifty years.

A Three Weeks' Snowstorm.

GEORGETOWN, Colo., Dec. 13.—Never in the history of the oldest inhabitants has there been such a protracted fall of snow as has prevailed here for three weeks. It has been snowing constantly most of this time, and the drifts in many places are five feet deep.
