#### Speech Restored.

For five years I suffered with pain and dis-olarge of the throat, inching cough, frontal-headache, weak eyes, &c. at times, could not talk above a wineper; lost weight countrously, and not a jo to wors. I was treated by the best physicians in the county, but received no-relist. After giving up all hopes I was recom-mended to use a boths of Mayers. Magnetic Catarrh Cure. After using it for four weeks my speech returned. All symptoms of Catarrh have disappeared and "I feet like a different person."

Mas. Elias Handwers.

Eth Link, Semicract Co. Pa.

## MEYER MURDER TRIAL.

MINDEN ON THE WITNESS STAND.

The Boctor Beclares That the Medicine senie or Antimony -Damaging Evidence

SEW YORK, Dec. 13.—The evidence in the trial of the allegest poisoner, Dr. Henry C. F. Meyer, venterday, while not so thrillingly triags as that given by his accomplice. Carl Muller, was interesting enough to hold an andicance quiet and attendive all day long. The estimony was all correspondive of the story hold by Muller, and pointint strongly to the ability by Muller, and pointint strongly to the ability has the Utah and Morrondon. Mr. Havelina, the Utah delegate, in the course of a brilliant speech championing his bill, replied to Mr. Morse and worsted the representative from the Bay state vertex of the representative from the Bay state vertex.

the scheme to defraind the insurance companies.

The case was reopened with the cross examination of Baniel 6. Gillette, manager of the department of revision in the Mutual Life insurance company, whose simple loss and been aroused by the unseemly haste of the "whlow" to collect the policies on her dead husband's life. He told the whole story over again; how the alleged widow. Amelia Baum, came to him April 11, 1832, with William Reuter, whom he now recognities in Dr. Meyer, whom he now recognites in Dr. Meyer, the questioned her closely, and was much amazed by interruptions by Reuter, who talked with the woman in a foreign tought, how the woman seemed to have very little information to impart about her deal dustand, although, to account for her delicate condition, she told him she had lived with Baum two years in Denver, although they had not been marginal will talk to the precision of the little of the condition, she told him she had lived with Baum two years in Denver, although they had not been marginal will talk to the proposed the uncentually for the delicate condition, she told him she had lived with Baum two years in Denver, although they had not been marginal will talk to the proposed the uncentually for the delicate condition. The formation of the second than the stalk proposed the uncentually for the delicate condition, she told him the proposed the uncentually for the light to propose the individual to proposed the uncentually for the light in the reduction of the light in the second than the formation of the light in the light of the consendation to the light in the content of the light in the reduction of two more free columns because to the very little information to impart about the reduction of the light in the light of the content of the light of the light of the content of the light of the light of the content of the light of the light of the light of the light of the content of the light of the light of the l Denver, although they had not been nur-ried till Feb. 11, 1862, slx weeks before be died; how she could not name the street in Denver, nor tell a place where her alleged husband had been employed; how he succeeded, by a prefext, in securing specimens of the handwriting of both of specimens of the handwriting of both of his visitors, and on what he had bearned from them began the investigation which ended in the discovery of Mulier, the ar-rest of Dr. and Mrs. Meyer and their pros-

Mr. Brooke for the defense tried to lead Thomas R. Meyer, Cyrus M. Munn, Wright Burage and Thomas Tierney, also insurance men, gave corroborative testi-mony. Zachariah Hermanson, a Chicago newspaper man, identified a photograph of Brandt, and then Mrs. Muller was put on the stand. Her testimony was not di-

iony and arsenie

March, 1892, he was called in to attend a almost to ashes man giving the name of Baum, but who proved to be Brandt, Two days after Muller and Wimmer visited witness. Wimmer brought a card to witness in which Banm stated the medicine pre-scribed by witness had failed to relieve him. Witness called at the Banm that and was taken to Brandt's room, where the latter lay in bad. He was introduced by Baum to Mrs. Meyer as his wife. Examined patient and found that his bowel men were injured while coupling cars complaint that grown worse. He supcomplaint had grown worse. He sup-

At the evening session Dr. Mimien was cross examined by Lawyer (\*Sullivan. He denied that he had been promised any money by the district attorney, but admitted that the Murual Life Insurance time spent on the case.

#### Killed in a Gale in England.

London, flee, D.-A hurricane awept over the south of England, and telegraph lines have been blown down in all diable to enter Folkestone burbor and was obliged to proceed to Dover. A dispatch from Plymonth announces the capsizing of a boat in that harbor, by which four men-of-warsmen were drowned. The roof of the railroad station at Portsmouth col-lapsed, wounding two persons, one of whom will die. Numerous other casualties are reported. The gale is very severely felt in London.

Detailed by a Furniture Wagon Campex, N. J., Doc. 13.—The Millville express collided with a furniture wagon and team at Seventh and Mount Vernon streets fast evening. Three horses were killed. Charles Cox. the driver, had his leg cut off and was badly injured inter-pally. The tender of the engine and the express car were decalled. Firman Charles C. Maybow was knocked from

the cab by the overturned wagon. To Suppress the Quarks. New York, Die U.—Under orders from Superintendent Byrnes the police are making a cereme of the doctors in this city. It is being done at the request of the Surry Medical society, which has in-formation that a large unrader of doctors

who have no diplomus are practicing in the city-Co-operative Gines Workers. Pirrsnono, Dec. 18 — The American Flint Glass Workers' union is considering the advisability of starting co-operative factories in opposition to the United States Glass company, which recently locked out its employes. The plan is generally fa-vored by the officers and men.

Murder and Incendiarism Suspected. FORT WAYNE, Ind., Dec. 13.—The Au-burn church furniture factory at Auburn was destroyed by fire. George Fredericks, night watchman, was cremated. It is be-lieved he was robbed and bound by tramps, who robbed the building and set fire to it.

A Juvenite Postoffice Thief. COVINGTON, Ky., Dec. 18.—In the United States court a boy wearing short trousers, and only 10 years old, was put on trial for raditing the Moorbead, Ky., postolice. The young this was sent to the reform school at Washington for one year.

Livile to Be Condemond. Leyron the 13 - At the Trades union congress it was decided to issue a manifect of the touch of

IN SENATE AND HOUSE.

The Federal Election Law Repeal Bill Brought Up in the Senate.

WASHINGTON, Dec. 13.-The first gun of Further Testimony Against the Alleged Poisoner. the inevitable parliamentary battle in the senate upon the question of the repeal of the federal election laws was fired yesterlay, and it came from one of the oppo nents of repeal—Secutor Cullom, of Illi-bois. Sepator Stewart, of Nevada, in a short speech, advocated the repeal of the The Doctor Declares That the Medicine election laws and incidentally gave ex-He Prescribed Contained Neither Aran the linancial question. The resolution railing upon the president for additional information in the Hawnian matter was laid over in order that Mr. Feye, of Mains,

Charged with Parcicide, Mirriestows, Pa., Dec. 13.—James S. arpenter, a blind huckster, who lived in the village of Fort Royal, three mileseast of this city, has been murdered, and his son, James B. Carpenter, is under arrest and suspected of the crime. Carpenter's family consisted of himself, his wife and the son who is now under arrest. Domestic brotls have been frequent, the son and mother always taking sides against the father. The son has been frequently heard to threaten his father, and has deelared to increase his latter, and his de-elared his intention to get even for a real or functed injury. The body of the innr-dered man, terribly untilated, was found in Tuscarora creek by a party of searchers.

Her Life for Her Sister. BHMINGHAM, Alu., Dec. 13.—At Dale-ville, Dale county, P. Berkbun's house on the stand. Her testimony was not di-rectly pertaining to this particular crime, daughters, Laura, aged 19, and Lizzie, and of no value.

Then Undertaker Kip testified to the fineral of Brandt and the exhumation of the body, and Coroner Schulz testified regarding the inquest, when it was decided that Brandt had been poisoned by antimony and arsenic.

All were thought to be safely out when Laura resolicated that Lizzie was still in the burning building and rushed back. Getting Lazie in her arms she emerged with her from the burning building. As she reached the parch the bulency over it follows. Brandt had been poisoned by anti-r and arsenic.

Given B. Minden testified that in on the two. Their bodies were burned on the two.

Incompetent Ballrowlers Injured. PERTH ARROY, N. J., Dec. 12.—Four box men injured to a wreck on the Ravitan George Larure had his right arm crushed between two of the cars, and was had

posed that the patient had taken medicines prescribed by him, but was not certain. Witness attended him dr ly until the time of his death, He had grown worse with each day. Dr. Minden said that if the medicines had been given to his patient it could not have been in the way prescribed by him. None of his pressure that if the medicines had been given to his patient it could not have been in the way prescribed by him. None of his pressure the first pressure that the contained could not have been in the way prescribed by him. None of his pressure that the contained could not have been in the way prescribed by him. # ANGRY RAILROADERS.

Lehigh Valley Men Again Becoming Dissatisfied.

THE SITUATION IS CRITICAL.

The Discharge of Old Engineers Who Had Been Re-employed May Previpitate Auother Strike, Which Will be Stubbernly

WHATESBARRE, Pa., Dec. Di.-The em loyes of the Wyoming division of the elligh Valley relicond have been notified of a reduction in wages. In future yard engineers will be paid at the rate of \$3 per day, a reduction of from twenty fire to fifty cours per day. Finings will reserve \$1.50 per day for the first six months, M for the second six months and \$2.10 after

The local Brotherhood of Engineers held acsecret meeting here but evening to take were discharged on Monday. As a result of the conference Charmon Rice, of the grisvence conceptual, the first telepant to interview President William.

Chairman Elizaben Scinisty awaited by the amployes in this city new, he there are deep mirrours of disaffection regard-ing the action of the company in disthe action of the computy in the charging all engineers over the rears who were engaged in the strike. Those men were called lack for duty last week, and after three days' service were notified of their three days service were mission of their discharge according to the new rule of age limitation. Periods in grievance preceding the strike has caused such a strong feeling as this. Four engineers on the Wyoming division who were dis-charged oversite in years old and are well-preserved. They have served the company for twenty to thirty years, and were among the lest engineers on the read.

Already the indications are that this actrouble, and conservative business me hereabout aftern that unless this rule ! modified the company will have another strike on its hands, and that other road are likely to be involved. The situation is critical. The men have some to be in a temper to rescal those though and should the chiefs give any encouragement, it is believed that a second strike would be precipitated, and it would be a tighter tie up

The men say that one of the cardinal features of the sectlement of the strike was the agreement of the company that the old employes should not surfer from prejudice on account of the strike, yet the wages of the former strikers on the North-ern division are being reduced, while the wages of these who did not go out re-main as before, and engineers over 45 years

service of the company.

Rechistra, N. Y. Dec. 13.—Those of the Lehigh strikers who have gone back are willing to join in another the up, and agitators are adding fuel to the flames. I would not surprise anybody here to lear
