The news just received changed the whole aspect of affairs. The rebel warships, it was then learned, wore not on their way to Permandence, but, on the contrary had salled towards the mountaines and ranged island of Fernande de Nabonilo, where there is a large convict settlement. The island, despite its ruggedness, possesses considerable fertility, and its several harbers, defended by forts, would suchle Mello to make a signorus resistance if attacked.

The revolutionary admiral's object in going yo Fernande de Noronia, which is over 100 miles from the main coast of firmal, is to compel as many able boiled emvicts as he can find in the settlement to go alloared his vessels and join their green. It is said that he expects to secure
