THIS IS GOOD NEWS!

The Celebrated Dr. Moore to Remain 'Till Jan. 10.

WONDERFUL CURES MADE.

Not Alone Are Shenandoah People Benefited by the Works of This Wonderful Man. But Men From All Over the Region Cite in Shouting His Praise.

Dr. J. Harvey Moore, who has been located at the Ferguson House the past two weeks, having performed a number of surgical operations which need his personal supervision, has concluded to prolong his stay to January 10th. This, indeed, will be good news to many who have been unable to consult him. He has been eminently successful in Shenandoah, performing cures that seem almost miraculous, yet when sifted down were found to be based on purely scientific treatment.

Often, as is well known, the afflicted are required to travel a long distance in order to reach one who is capable of removing their particular ailment, and when reached his reputation stands upon the testimony of those who are equally strangers; but in the case of Dr. Moore all this is changed. He has been in our midst long enough to become one of us. The names and address of many of his patients whom he has cured in this region have been published in the HERALD. Many were well known citizens, whose words are undoubted and who are easy of access. His works have been for the betterment of the condition of our friends and neighbors, and thus it is that his fame and success rest upon solid ground, continuing to grow and spread from day to day.

Dr. Moore is a specialist of undoubted skill in the diseases which he treats, and while he has paid particular attention to the eye and ear, and has been eminently successful, he is not lacking in testimonials from those in our midst as to the success of the treatment of other diseases. He does not cure all, for the reason that he does not accept all the cases that come to him, and in this particular he is certainly very different from many other physicians.

The doctor's practice since located here has been very large, and investigation shows that his beneficence not only covers a wide field, but that he is honorable in his practice, and will not lend himself to the delusion of those in whose behalf his great skill will not avail. Those contemplating consulting this eminent specialist would do well to avail themselves of the last opportunity. The last days of his stay he will undoubtedly be so busy that it will be impossible for him to call to see him. In his advertisement may be found a number of testimonials of cures effected while in Shenandoah.

The Show-Boat night. There can be no doubt of the success of "Master and Man." It is an intensely strong play, perfectly presented. The scenery and mechanical devices, the play itself and the company all command respectful attention and are worthy of outside attention. The scene of the Carlton Iron Mills is decidedly novel and rouses the audience to the highest pitch. Altogether the performance is thoroughly enjoyable and we pronounce "Master and Man" a hit. At Ferguson's theatre to-night.

I-quest Postponed. The coroner's investigation of the mine disaster at Oak Hill colliery which caused the death of three men has been indefinitely postponed. Testimony was to have been taken yesterday, but owing to the flooded condition of the mine the jurors were unable to make an examination.

COMMISSIONERS ORGANIZE.

Appointees Under the Deal Named--The Controller's Office.

The new Board of County Commissioners, comprising Messrs. Allen, Bentz and Martin, was duly organized at Pottsville yesterday with the election of Mr. Allen as president, upon the nomination of Mr. Martin.

After about an hour's session the Commissioners proceeded to make the appointments. Messrs. Bentz and Martin nominating applicants and Mr. Allen casting his vote with Mr. Martin on the elections. All the appointments were made by a vote of 2 to 1, Mr. Bentz being in the minority and the fall Allen-Martin side went through.

The following were the appointments made: Chief Clerk, Phil J. Connell, of Givardville. First Assistant Clerk, Carl Coogan, of Shenandoah.

Docket Clerk, Richard T. Lewis, of Mahanoy City. Second Assistant Clerk, Horace Reber, of Pinegrove.

County Solicitor, J. O. Ulrich, of Tamaqua. Janitor, William T. Davis, of Tamaqua. Clock Winder, B. F. Geist, of Pottsville, unanimously elected.

Prison Warden, W. C. Dunkelberger, Tamaqua. Matron, Mrs. W. C. Dunkelberger, Tamaqua. Deputy Warden, William Carner, St. Clair. Prison Clerk, Isaac Sotzin, of Washington. Boss Weaver, Michael Shoemaker, Pottsville.

The positions of assistant janitor, fireman and night watchman at the jail were left vacant, as the tenure of office of the incumbents does not expire before April 1.

After the dinner hour the Commissioners and Controller Severn met in joint session to fix salaries. The salary of the Controller's chief clerk, George Walker, was fixed at \$1,750; Commissioners' chief clerk, Phil J. Connell, \$1,200.

It is proposed to make the salaries of the Quarter Session clerks \$1,200. Their predecessors drew \$1,500 and \$900, respectively. Treasurer Deibert will only have one clerk and the salaries of the two prison watchmen will be increased from \$45 to \$55. All the other salaries will remain the same.

THE BOARD OF HEALTH.

It is Determined to Enforce the Regulations.

At the last meeting of the Shenandoah Board of Health President Spaulding made an address, in which he stated that there were many people in the town who were treating the board with seeming contempt, and he proposed to inaugurate a decisive policy to show these people that the regulations and orders of the board must be obeyed, or those who refused to do so must answer to the law. The remarks led to the adoption of a motion instructing Health Officer Miles to notify all undertakers and funeral directors that the Board of Health will proceed against them for the first violation of the rules and regulations.

It is said that the rule requiring undertakers to take out burial permits has been almost entirely ignored.

The Board also decided, in view of the increased business on hand, to meet hereafter twice a month and the next meeting will be held on Friday, 12th inst.

Secretary Scanlan reported the following statistics received since the last meeting: 141 cases of measles; 4 of scarlatina; 2 of diphtheria, and 1 of chicken pox.

The committee on nuisance reported having investigated the complaint against the Womer property and found no nuisance.

The following monthly report was submitted: "Ash bin, corner of Coal and Bowers streets, cleaned. Ash bin at Centre and Market cleaned. Also one opposite same. Nuisance of oyster shells on North Main street removed. Yard corner White and Centre streets cleaned. Ash bin and gutter corner of Lloyd and Emeric streets cleaned. Gutter on North Pear alley cleaned and repaired. My attention was called to the condition of a house on Jardin street, between Centre and Oak streets, in which there was a fever case. I visited the place and notified the guardian to clean up the yard.

"I requested Messrs. Beddall and Bridgman and Mrs. Burns to clean out houses and they did so.

"I also notified parties not to pile ashes on Cherry and Gilbert streets.

"I visited the slaughter houses and found them in good condition, with the exception of one, which has been put in better condition. Zimmerman's is in number one condition.

"Many other nuisances not here mentioned were removed, 137 places having been cleaned since I have been on duty.

"EDWARD MILES, "Health Officer."

THE BRIGGS CASE.

A Motion to Quash the Indictment Overruled. Special to EVENING HERALD.

POTTSMILLE, JAN. 2.—The motion to quash the indictment in the case of the Commonwealth against Briggs, which is one of the Gilberton riot cases, has just been overruled and the court has ordered that a jury be secured. This will probably take the balance of this afternoon and the witnesses for the Commonwealth will be called to-morrow morning.

Committed to Jail. Paul Lukas was taken to the Pottsville jail this morning to await trial for assault and battery and forcible detainer. He beat the husband of his paramour, \$300 bail was required in each case and he was unable to furnish it, whereupon Justice Williams committed him.

NO TIME TO WASTE.

The Dates for the Primaries Drawing Near.

LESS THAN A MONTH LEFT.

The Committees Must Get Together and Fix the Time for Holding the Primaries and Many Other Things Must be Done Within Four Weeks.

The day for the spring elections for 1894 will be the third Tuesday of February, which is the 20th of the month, and under the present system of making nominations the time is drawing near when the party organizations will have to take up the question.

The amended ballot law of 1893 requires that all nominations by certificates of party organizations for township and borough offices, and School Directors in the same, shall be filed with the County Commissioners at least eighteen days before the election, and nominations for same offices by nomination papers at least fifteen days before it.

It will be seen by computation that the certificates of nomination must be filed by the first of February and that, therefore, less than a month is left for the respective parties to get their committees together, make their nominations, prepare the certificates and have them filed as required.

The committees should be at work now and they should hold their meetings to draw the plans of the campaign this week, or the first part of next week at the latest. Many people are allowing themselves to be misled by the date of the election and are not considering the eighteen days which must elapse between that date and the completion of the work for the campaign.

Meanwhile if there any citizens who intend running for office, they should hustle and let the people know they are candidates. The best way to do that is by putting an announcement in bold, bold type in the newspapers.

GET READY.

Examinations for Letter Carriers and Clerks in February.

Immediately upon the advent of Postmaster Mellett into office the following notice was sent the HERALD for publication: U. S. Civil Service Examination.—A competitive examination, under the rules of the United States Civil Service Commission, of applicants for the grades of clerk and carrier in the classified postal service at the post office in the borough of Shenandoah, Pa., will be held in as a borough on the tenth day of February, 1894, commencing at 9 o'clock a. m.

Applications for this examination must be made on blanks prescribed by the United States Civil Service Commission. Such blanks can be obtained at the post office from the undersigned.

Applications will not be accepted unless filed before the hour of closing business on January 21, 1894.

A Good Show. Mark Murphy, in "O'Dowd's Neighbors," at Bayolin's theatre last night, played to a full house. The play was much appreciated, as was attested by the continued laughter and applause. The specialties were good, and the singing of Miss Taylor was very fine. The dancing of Mattie Lockette has never been excelled in this city. In fact, the entire company was of a high standard of excellence, and the entertainment in its entirety deserved the large patronage it received.—Gleanings Commercial-Gazette, at Ferguson's theatre to-morrow evening.

"Master and Man." "Master and Man" is one of the best melodramas now before the public. The scenic effects of the play are without doubt the grandest ever offered by any attraction. The success, however, does not depend to any extent on the scenery, as the company throughout is far above the usual sensational class. With such sterling artists as Frank Karrison, Daniel Jarrett, Miss Fealy and Miss Marlon, it may be judged that an acted performance of the highest order is assured, the scenic part adding greatly to the beauty of the performance. "Master and Man" will appear at Ferguson's theatre this evening.

UNDER THE WHEELS.

A Shenandoah Young Man Killed at Packerton.

REMAINS BROUGHT HERE.

Thomas Reynolds Attempted to Jump Upon a Moving Freight Train, But Fell Beneath the Wheels and Was Crushed to Death.

The Lehigh Valley passenger train which arrived here at 8:58 this morning brought the dead body of Thomas Reynolds from Packerton. Undertaker O'Hara took charge of the remains and conveyed them to the home of the deceased's mother, Mrs. Mary Reynolds, a widow residing on West Oak street.

Reynolds met his death on the Lehigh Valley Railroad at Packerton last night. He and a young man named O'Brien, said to have been from the First ward of this town, were walking about the railroad yard and when a freight train approached Reynolds tried to jump on it. He slipped and fell beneath the wheels and his body was terribly mangled.

The deceased was 21 years of age. He worked for the Hoehler Bros. on South Jardin street. When in town he made his home with his mother. About a week ago he got into some trouble and having heard that the police were after him he disappeared. He was to have gone to Buffalo and it is supposed that his object in attempting to jump on the freight train was to continue his journey to that point.

Among the items surcharged are four aggregating \$850 paid to William Wilhelm, Esq., for professional services to the County Commissioners in supervising the triennial assessment last year. The grounds for the surcharge are that the Commissioners are bound personally to supervise the triennial assessments, and to hear appeals from the
