Evans Not Yet Captured.

FRENNO, Cal., Jan. 2 .- Sheriff Scott and couse, who are after Chris Evans and Ed Morallo, are still unheard from. The fact that some word is not received from them is said to be due to the order Scott gave the posse to keep their work a secret from the press, claiming that the bandits would make use of the published plans of the officers in evading the officers. From this it seems that nothing is likely to be heard from them till they do battle and make a capture or give up the chase.
