uch a chance, it will give Mr. Brumm an un eniable reputation of being one of the ber trimmal lawyers in the state

At he the grabbing of the gun Mr. Brannin aid that the Commonwealth in trying to outradic: Swerny by Loyle and proved othing. Boyle swere that Sweeny tald him hat after the shot was fired Mahony took It has been an uphill light. He started out ith what appeared to be a doomed thurdered the gain from Briggs; bu. Boyle did not sweat Sweeny fold fins that Mabou v did not grab Strengy told inn that Malaary did not grab in guin before the shot was fired. To usy mind, word dr. Brunnin, there exists in 611 berron a reage of terror and most of the men of that place who earne here to full the truth were afraid. And after this versited of no guilty Parfi's friands will congratulate them, selves upon finding that they were led into error by the lift will and iff feeling of a few Connerimen who wanted to risk a whip over the Trainton Comment for a me arread over during the past iew days, if they were in the inry box, they would be obliged to acquir. Briggs. A Potteville gentleman, of established reputation, not a plawyer, and entirely dia interested in either the priorner or the quasi-prosecution, but who was impelled by curineity to attend every seaion of the trial, stated hast evening that the whole question in the case had bolied down to a second and after taking all the testimoury into consider ation he feit that if seated in the jury box he would be obliged to acquir hiriggs. However, the prosecution has bed summed up. Perhaps after it does some of the con-vinced and some of the dealstill more will change their views, and perings not. There were several pittini accurs in the relative restriction of a site and up to Mr. Brunners standard, but a plain, dis-tinct and analytical presention of acces, and the formation of appearently insignificant details into ever several pittini accurs in the manuful effort the cumming up was not up to Mr. Brunners standard, but a plain, dis-tinct and analytical presentation of acces, and the formation of appearently insignificant details into every shore of the docensed and the presented of the docensed and the actionation of the docensed and interview of the restriction of a way that effort that eating differ and a first and the presented to seep. A "Determine spatial control of sensitivity of the control of cracks are below particle control of control of control of cracks are below particle control of control of control of cracks are below particle control of control of control of cracks are below particle control of control of control of cracks are below particle control of cont the Traction Company for some purpose con-In his show. The patholic scene above reterred if was re-peated by Mr. Brunnes turning to Mr and Mrs. ('arfit and saying, the shot that struck year dear bey killed bins and inade him fall the someant it struck him. Mrs. Pathi exclaimed aloud "O, God 9" and the rest of her abort sectoric was made india that her sale. The patholic score above referred it was re-readed that the Borough of Officerial mode extended the full length of the street upon which the company clause right of Was it upon which the company clause right of Was it is, Cariff and aying, the shot that street is, Cariff and aying, the shot that street is, Cariff and aying, the shot that street is, Cariff and sping, the shot that street is constant if street him. If a costomer drinks but haif a glass of beer for which the has paid. Mr. Fariff exclaimed aload "O, God " and inter by her sola.
