LATEST FROM HAWAII.

The Provisional Government Pursues a Waiting Policy.

PREPARED TO SQUELCH ROYALISTS

Marshal Hitchcock Declares That Any Uprising Will be Promptly Suppressed. Report That Minister Willis Wished to Withdraw His Correspondence.

SAN FRANCISCO, Jan 20.—The steamer Monawai arrived from Sidney, Auckland and Samoa via Honolulu late yesterday afternoon. She brings full Hawaiian advices to the Associated Press nearly a week later than previous advices.

Since the sailing of the last steamer political affairs have been a drug in Honolulu. The government is pursuing the policy that no action be taken until some definite policy regarding Hawaii has been announced by the United States.

The candidacy of Walter G. Smith, editor of the Star, to fill the vacancy to be created upon the return of Hon. M. F. Hatch, who will resign to accept the position of minister of foreign affairs, still holds a prominent place in Hawaiian politics. Objections are urged to Hatch as the representative of sugar corporations and attorney for Claus Spreckels. As stated in our last dispatch, the fight is virtually one between the radical and conservative elements of annexationists.

Both Minister Willis and Consul General Mills appear to be sore on account of the snub to the United States government in Hawaii, as well as on account of the personal snubbing they claim the American residents here have given them lately.

The government has determined to celebrate the 17th day of January as a holiday, and preparations are being made to carry out a big demonstration which will include a military display in the afternoon and a torchlight procession and fireworks at night. Both the American league and Annexation club will take part, as will the political organizations to be organized in favor of annexation.

Rumors of expected royalist uprising have prevailed recently. In an interview with Marshal Hitchcock that officer said: "The government is fully prepared to meet any outbreak either here or on other islands. The royalists have threatened so long that the royal standard would be raised on one of the other islands that we have prepared to thoroughly squelch any uprising that may be made either through irresponsible persons or through the influence of the Spreckels-Cornwell faction."

The marshall also said:

"The royalists have sent several lobbyists to the United States lately, and I understand that Hon. C. W. Ashford goes by the Monawai today to appear before a committee of congress at its present session. Ashford was preceded by Hon. E. C. MacFarlane and Arthur Peterson, accompanied by Mr. Sampker, for the avowed purpose of enlisting Claus Spreckels in the lobby campaign in favor of restoration."

Just previous to the sailing of the Monowai a sensational rumor was current, which was traced to an authoritative source, that a few days after President Dole's reply was delivered to Minister Willis, and before full details of Willis' demand and Dole's reply had become public, Willis called on Dole and endeavored to persuade him to return all of his (Willis') correspondence on the subject of restoration, and to expunge from the records Dole's reply and everything else pertaining to the subject and to maintain absolute secrecy about the whole transaction.

Dole flatly refused to enter into such a plan, and it is said that Willis then attempted to force Dole to act according to his wishes, threatening to take the American men-of-war out of the harbor and practically break off diplomatic relations between the United States and Hawaii. Dole still refused to enter into the project, and Willis' alleged attempt to nullify his restoration policy failed.

Love Drove Him Insane.

UNIONTOWN, Pa., Jan. 20.—William King, a raving maniac, was brought to jail here yesterday by Constable Wilson, of Connellsville. King is a German widower with five children. His wife died about a year ago. He at once began looking for another, and in a short time he centered his affections on Mary Jones, a girl living in New Haven. She allowed him to come to see her, but gave him no encouragement, on the ground that she did not want to care for so many children. King grew desperate, and on Tuesday last became a raving maniac and broke up all the furniture in the house. He talks about love all the time.

Strike Against a Crank Juror.

NEW YORK, Jan. 20.—A novel feature in the annals of trial by jury was recorded here. Eleven jurors in a criminal case before the court of general sessions have gone on a strike for the reason, as they explain, that the twelfth juror in the case is a "crank." The jury found that they were of one mind with the exception of David Rousseau, who obstinately held out for acquittal. Then the eleven announced that they would refuse to serve with Rousseau on another trial.

An Embezzling Cashier Taken Back.

MILLBANK, S. D., Jan. 20.—Sheriff Williams returned from Chicago with Major D. W. Diggs, against whom two indictments were found at a recent term of court in connection with the failure last April of the Bank of Millbank, of which he was cashier, involving nearly $200,000. Diggs gave bonds for his appearance at the next term of court. Diggs was a prominent man, and came very near being nominated for state treasurer by the Republican party.

A "Countess" Sued for Breach of Promise.

WILKESBARRE, Pa., Jan. 20.—Andrew Saball, a Hungarian, has brought a breach of promise suit against "Countess" Ellyon Lath Deralia, claiming $5,000 damages. The defendant is said to possess the title of countess in Poland. Saball says that he bought her many presents and that she promised to marry him, but at the eleventh hour gave her love to another.

Furnace Suspends Permanently.

BLOOMSBURG, Pa., Jan. 20.—The firm of William Neales' Sons have suspended all work at their iron furnace after being in active operation for almost forty-five years. The supply of ore is exhausted, and it is not likely that the furnace will ever start up again.

The Hurt Jury Still Out.

DOYLESTOWN, Pa., Jan. 20.—The jury in the case of Wallace Burt, charged with the murder of Mr. and Mrs. Rightley, has been out since Wednesday last.

ACCIDENTAL DEATHS.

Caused by Carelessness.

The majority of people die sooner than they should. Evidence of this fact is growing daily. Waring says: "Disease is not a consequence of life; it is due to unnatural conditions of living—neglect, abuse, worry." Dr. Stephen Smith, on the same subject, says: "Man is born to health and long life, and if one is unnatural, death, except from extreme age, is accidental, and both are preventable by human agencies." This is almost invariably the case of death resulting from heart disease. Careless over-exertion, intemperate use of tea, coffee, tobacco, alcoholic or other stimulants are generally the causes of the difficulty, and indifference to its progress results in sudden death, or long sickness and suffering in death. By the newspapers it can be seen that many prominent and hundreds of persons in private life die from heart disease every day.

If you have any of the following symptoms: shortness of breath, palpitation, irregular pulse, fainting and smothering spells, pain in shoulder, side, or arm, swollen ankles, etc., begin treatment immediately for heart disease. If you delay, the consequences may be serious.

For over 20 years Dr. Franklin Miles, the eminent specialist, has made a profound study of heart disease, its causes and cure, and many of the leading discoveries in that direction are due to him. His New Heart Cure is absolutely the only reliable remedy for the cure of heart disease, as is proved by thousands of testimonials from grateful persons who have used it.

James A. Pain, editor of the Corry, Pa., *Leader*, states: "After an apparent recovery from three months of la grippe, I fell on the street unconscious from heart disease. In one month from that time I was unable to walk across my room, and my pulse beat from 85 to 116 times a minute. I then used Dr. Miles' New Heart Cure, and at once became stronger. After using six bottles I was able to work as usual and walk a mile every day, my pulse ranging from 68 to 80. Dr. Miles' remedy is not only a preventive but a cure."

Dr. Miles' New Heart Cure is sold by all druggists on a positive guarantee, or by Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, $1 per bottle, six for $5, express prepaid. It is positively free from opiates or dangerous drugs. Dr. Miles' Pills, 25 cents. Free book at druggists, or by mail.

FINANCE AND TRADE.

The New Bond Issue Has a Beneficent Effect.

THE INCREASE OF PRODUCTION.

The Resumptions of Manufacturing Enterprises, However, Show Sweeping Reductions in Wages—Imports Decrease and Exports Increase at New York.

NEW YORK, Jan. 20.—R. G. Dun & Co.'s weekly review of trade says: The event of the week is the offer of $50,000,000 United States 5 per cent. ten year bonds. The decision of the secretary gives much satisfaction to all who care for a sound currency, because the necessities of the treasury were dangerously strengthening to those who urged the issue of $50,000,000 more silver certificates against silver "seigniorage" to be coined. The gold not represented by certificates has fallen below $70,000,000, the revenue continues to fall behind that of last year about $5,000,000 per month, and action in congress on various financial matters is liable at any time to excite doubts whether gold payments can be maintained. Hence replenishment of the gold reserve was necessary to a restoration of confidence or a revival of business. The immediate effects were not great, though it is hoped improvement in trade and industry may be hastened.

While industrial improvement continues, the gain is slow, and increase in the purchasing power of the people by enlargement of the men at work is counterbalanced by the loss in purchasing power of the people through reduction in wages paid. During the past week dispatches have told of reductions averaging 12 per cent. in fifteen iron and steel works, and averaging 15½ per cent. in eleven textile works—five employing thousands of hands each, having reduced wages 20 per cent. Meanwhile twenty-five textile and seventeen iron and steel concerns resumed wholly or in part, against seventeen steel and four iron concerns stopping or reducing. The volume of business has increased in leading branches, but not largely. Textile works resuming are mostly carpet and knit goods concerns, with some worsted works.

Gain in retail distribution of products is still small. Imports at New York show for thus far a decrease of more than 30 per cent., while in exports a gain of $2,300,000, or nearly 20 per cent., appears. The excess of exports over imports in December was $40,000,000, but the exchanges seemed to foreshadow gold exports.

Failures for the week have been 407 in the United States, against 290 last year, and 46 in Canada against 42 last year. For the first eleven days in January the reported liabilities of firms failing were $9,641,225, of which $6,069,053 were in manufacturing and $3,246,372 in trading concerns. But the number of failures about the first of the year does not necessarily indicate a bad state of business.

Betrayed by a Love Letter.

CLEVELAND, Jan. 20.—Last Tuesday Lucy Wyndet, a servant girl, left the residence of R. A. Harmon, on Prospect street, and with her went diamond jewelry worth $1,800. Yesterday by means of letters found in a trunk belonging to a man who is now known to have been her lover, she was arrested. The diamonds are believed to be in the possession of the young man, who cannot be found.

Spain Will Exact Satisfaction.

MADRID, Jan. 20.—El Liberal asserts that the foreign minister has issued a declaration in regard to the Melilla troubles, which contains a covert threat that Spain will exact satisfaction by landing 40,000 men on the port of Morocco and bombarding the various ports, unless the sultan accedes to the Spanish demands for reparation.

Refused to be Evicted.

MIDDLESBORO, Ky., Jan. 20.—Yesterday was set for the eviction of miners at the Mingo mines. Twenty United States marshals were on the ground, but the miners absolutely refused to move, and should violent means be adopted trouble will follow. Six hundred Clear Creek miners have notified their Mingo brethren that they will help them at a minute's warning.

Valuable Iron Plant to be Sold.

UNIONTOWN, Pa., Jan. 20.—The plant of the Columbia Iron and Steel company, which cost $750,000, will be sold at sheriff's sale on Feb. 10. The sale is brought about by the action of the second mortgage bondholders. It is thought now that not more than enough to pay the first mortgages will be realized.

Another Victim of the Bridge Disaster.

NEW YORK, Jan. 20.—The body of Bernard Boyle, of Brooklyn, was recovered from Newtown creek yesterday. This makes the eighth victim of the Penny bridge disaster. William Marten, of Greenpoint, is still missing.

The Portuguese Minister Recovering.

WASHINGTON, Jan. 20.—Senhor De Souza Roza, the Portuguese minister, who was thrown from his carriage and quite badly injured on Thursday, is improving rapidly, and no serious results are anticipated.

ASK HIM WHY?

Ask the grocer who attempts substitution, why he tries to sell an unlabeled article when people call for that popular and well-known article, COTTOLENE? Perhaps you can guess.

ASK HIM WHY?

Ask yourself not YOU use COTTOLENE instead of lard or any other compound, for all cooking purposes? It has the highest endorsement from Physicians as to healthfulness; from Housekeepers as to superiority; from Housekeepers as to economy. Try COTTOLENE and be convinced.
