POTTSVILLE, Jan. 31-The Republican borough ticket nominated here has caused disappointment to many and there are loud ries of bitterness and threats to vote for Jeremich Seitzinger for Chief Burgess. Bribery is charged. It is alleged that Conferrees instructed for men other than the nomine sold their votes at \$60 per man. If this is true, the who matter ought to be ventilated

true, the who matter ought to be ventilated and the guilty parties prosecuted. I do not know what your readers think, but it is my humble opinion shift William Wilhelm, Eq., would make one of the best Congressiven this district ever had since the days of "Jimmy" Campbell, but it would be medens to try and elect him with the Repub-lican party it ais and savers. Were there is justican in the ranks all our bright young men would get to the front in turns, but the trunble is they all want to "get there" at all.
