Regular Meeting Was Held Last Evening.

All the Officials Make Statements T nching Upon Their Respective Offices Parthe Past Month-The Board of Health Presents a Longthy Address.

A regular meeting of the Borough Conneil was held last evening, Mesers. Betteridge, M.Guire, James, Gallagher, VanDosen, Holman, Dougherty, Stout, Gaffigan, Conkley and Lamb being present.

Mr. Rrewer and J. J. Francy, representing the Columbia Brewing Company, asked permission to run waste water from the browery into the borough drain. The request was granted.

Supervisor Liewellyn wanted to know rhother he should stop throwing syster shells into holes in the streets, as he had been releved by the Board of Health. Mr. James

said by was in favor of standing by the Bosid and the subject was drupped. Electrician Davis said the fire alarm system was our of order and had been since Tuesday and he was unable to locate the cause of trouble. He said the services of an experi line man would be required. The matter was referred to the fire apparatus committee with instructions to have the matter attended to without delay.

Mr. Holman said the condition of a design

Mr. Holman said the condition of a drain

Mr. Holman said the condition of a drain at the seach end of Market sidey had been complained of. The matter was referred to the street committee.

The Herialit's claim against the Borough Council was then taken up. Mr. Lamb reported that Council had previously offered \$101 in settlement.

On motion of Mr. Gallagher, the Treasurer was instructed to make a result offer of \$100 in full settlement of the claim and costs.

The report of Treasurer Bradigan showed a beliance of \$6,345.38. Mr. Bradigan was granted \$150 for extra service in connection with the water works and J. H. Pomoroy, Eq., was granted \$150 for like services.

The report of third Burgess Burns for the month of January showed lines

Evg., was granted \$150 for like services.

The report of Chief Burgess Burns for the month of January showed fines collected, \$12; heaves fees, \$24; total, \$56.

The report of Chief of Police O'Hara for the month of January showed 10 arrests; 8 paid fines, 2 served time, 2 were ducharges, and longings were furnished to 25 persons.

Secretary Scanlan, of the Board of Health, presented the following:

To the Officers and Members of the Barragh Chancel, of Shemanlock, Pa.

GENTLEMEN: The Board of Health re spectfully autualia the following report for the fractional part of the year ending Janu-ary 1st, 1894:

Much time has been spent since the organi-strated, 1994; Much time has been spent since the organi-stion of the Beard in shatting rates and re-gulations, investigating the best methods of preserving the public bushts and systematis-ing ties workings of the Beard.
There has been reported in the secretary furing the past term of cases of typhold fever, 101 cases of mealer, III scariet fever, 6 dipu-tive is and one varieties. In this connection the Beard district to state that they have de-cided to piace a placard or all houses in which a communicable disease exists, the instanc of the disease to be recorded as the card with pensities designated Thereon in case the no-tice be violated.

tice be violated. While thus quaractining afflicted families we may apparently impose northing upon them, we have nevertheless decided that it is the only safeguard toward the mobile furthe preventing of the spread of a communicable.

preventing of the spread of a communicable disease.

The number of draths from the diseases are: typhoid fever, 3, measies, 1; scarled fever, 2; diptheria 2. These figures are by no means esimplete, as much difficulty was experienced by the Beard in having the proper relaxasimate by doctors and mulertakers.

Total number of deaths, 47, of which 27 were males and 20 femiles. The ages were: Under 1 year, 10; 1 to 10 years, 10; 10 to 20 years, 3; 20 to 30 years, 2; 30 to 40 years, 3; 40 to 50 years, 2; 50 to 60 years, 1; 50 to 70 years, 4; 70 to 80 years, 5. Places of birth—Pennselvania, 30; England, 4; Iroland, 6; Wales, 3; Russia, 4.

The Health Officer has served notices on single 100 property holders and thealth, 6; which 137 complied and had their premises cleaned up and nitionares removed. The others will be any marriy steal; with in due time.

which far compiled and Mad their premises on the premise of the pr

that remains unprovided for in this borough is a system of pathering and disposing of house garbage. Our present method or rather tack of method, is antisely inedequate in their and anthealthy. All satisfary experts agree that the proper way for the disposal of garbage is by oremation, and we would reconstruct the proper way for the disposal of garbage is by oremation, and we would reconstruct the proper way for the disposal of garbage is by oremation, and we would reconstruct the proper way for the disposal of garbage is by oremation, and we would reconstruct the remarker their shower attention of investigate some of the systems of cremation with the view of adopting one, as splicing original and thrive only in fifth.

Every government coves order, law and protection to its cirizens, and one of the most important obligations it has be parform is to preserve and project its sater supply. We are pleased to note that Cooncil has already eithink the invites of water that is rare and unpallisted a God sent to a community. We also hope for a continuisies over this treasure—the source of good health and property.

Means should be adopted by which hop peth source of good health and property.

Means should be adopted by which health of the public. We would, therefore, recommend the removal of all hey-poss kept and unintained within the borough timits.

Another nationals of all hey-poss kept and unintained within the borough timits.

Another nationals and detriment to the public health is the harling of manure through our streets in ancovered wagene it day time. Particularly is this the case in summer, when the son striking it, citizes it to exhall a dorring the intention.

The above report was read and accepted at a meeting of the Bornuis Council.

S. C. Syaliolysi, M. D.

Press Roard of Health.
