

ACCIDENTAL DEATHS.
Caused by Carelessness.
 The majority of people die sooner than they should. Evidence of this fact is growing daily. Warning says: "Disease is not a consequence of life; it is due to unnatural conditions of living—neglect, abuse, want." Dr. Stephen Smith, on the same subject, says: "Man is born to health and long life; disease is unnatural, death, except from old age, is accidental, and both are preventable by human agencies." This is almost invariably true of death resulting from heart disease. Careless over-exertion, intemperance, use of tea, coffee, tobacco, alcoholic or other stimulants are generally the causes of this difficulty, and indifference to its progress results in sudden death, or long sickness ending in death. By the newspapers it can be seen that many prominent and hundreds of persons in private life die from heart disease every day.
 If you have any of the following symptoms: shortness of breath, palpitation, irregular pulse, fainting and smothering spells in the shoulder, side, or arm, swollen ankles, etc., begin treatment immediately for heart disease. If you delay, the consequences may be serious.
 For over 20 years Dr. Franklin Miles, the eminent specialist, has made a profound study of heart disease, its causes and cure, and many of the leading discoveries in this direction are due to him. His New Heart Cure is absolutely the only reliable remedy for the cure of heart disease, as is proved by thousands of testimonials from grateful persons who have used it.
 James A. Pain, editor of the *Curry*, Pa., *Leader*, says: "After an agonizing recovery from three months of heart disease, I fell on the street unconscious from heart disease. In one month from that time I was unable to walk across my room, and my pulse beat from 85 to 116 times a minute. I then used Dr. Miles' New Heart Cure, and at once became stronger. After using six bottles I was able to walk as usual and walk a mile every day, my pulse ranging from 65 to 80. Dr. Miles' remedy is not only a preventive but a cure."
 Dr. Miles' New Heart Cure is sold by all druggists on a positive guarantee, or by Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, \$1.00 per bottle, 6x for \$5.00, express prepaid. It is positively free from opium, alcohol and other drugs. Dr. Miles' Pills, 25 cents. Free book at druggists, or by mail.

NO TRUCE IN BRAZIL.
Insurgents Still Insist on President Peixoto's Resignation.
HIS WAR MINISTER HAS RESIGNED.
He Favored a Policy of Conciliation, and to This Peixoto Objected—Cruisers American and Nietheroy Useful—Ships of All Nations at Rio Janeiro's Wharves.
 RIO DE JANEIRO, Feb. 3.—Dispatches from Rio de Janeiro say that the Brazilian minister of war has resigned after a somewhat excited interview with President Peixoto. The cause of the resignation of the minister of war is said to have been the fact that he disagreed with President Peixoto as to the state of affairs in Brazil, and that he protested strongly against the president in prolonging the siege. The minister of war is said to have been in favor of a policy of conciliation, which in his opinion would end the disturbances in Brazil much sooner.
 The dispatches from Rio de Janeiro also say that an armistice is improbable, as the insurgents demand the resignation of President Peixoto and the formation of an absolutely civil government.
 The dispatches further announce that the cruiser America, fitted out in New York, is useless on account of the fact that she has no crew to work her, owing to the failure of the Brazilian government officials to arrive at an understanding with her American officers and crew, and that the latter will not fight her on account of these disagreements.
 Concerning the dynamic cruiser Nietheroy the dispatches announce that she has been damaged to such an extent as to be practically useless until placed in the hands of skilled workmen, who will have to spend a considerable time upon her before she is again in fighting condition.
Foreign Ships at Rio's Wharves.
 WASHINGTON, Feb. 3.—Advices just received at the state department from Minister Thompson assert that the blockade has been raised, and that the bay is now open to commerce. Minister Thompson's dispatch reports that ships of all nationalities are now coming to the shores in consequence of the withdrawal of the insurgents' restrictive orders, and that under the influence of the action taken by the United States naval forces in protecting American vessels against the insurgents' fire, commerce is reopening favorably. The successful outcome of the incident of the 29th is a source of undisputed satisfaction to the officials of the departments involved, and it is confidently believed that whatever may be the future course of the insurgents they will be careful not to interfere with American interests.
Religious War in Crete.
 ATHENS, Feb. 3.—The execution of four Christians, who were sentenced to death for various crimes in the island of Crete, has incensed the Christians of the island against the governor. Their indignation is increased by the fact that several Mussulmans who were convicted of capital charges have been relieved. Two Mussulmans were found hanging to trees near Selino recently, and it is thought they were executed by Christians. The lynching of these two men led to wholesale arrests, and the fanaticism of both sects has been aroused.
Another Prize Fighting Scheme.
 KANSAS CITY, Mo., Feb. 3.—Local sporting men are endeavoring to push a scheme which they assert will furnish a permanent ground for prize fights. Just opposite Kansas City, in the Missouri river, lies a small island. It is claimed that the state authorities have no jurisdiction on the island, and that the United States authorities would not likely interfere. It is the purpose of the projectors, who are actively pushing their scheme, to bid heavily for the Corbett-Jackson contest.
Bogus Physicians Bagged.
 MADISON, O., Feb. 3.—Barberick and Richards, traveling specialists, advertised medical and surgical services free. Consultation was free, but medicine cost high, and they realized over \$300. They have been arrested for obtaining money under false pretenses. They showed no diplomas, and inquiry at Cincinnati brought the information that they were not registered there as claimed. They are billed for other towns.
Ohio's Oil Excitement.
 FOSTORIA, O., Feb. 2.—The oil excitement here continues with increased fury. The Lambert well is still throwing out 2,000 barrels a day, even with the tool-joint in the well. Dozens of derricks are going up all around the big wells.
Drunkenness Led to His Death.
 CHICAGO, Feb. 3.—During a fire in the Star hotel last night a man supposed to be William Hill was burned to death. He was drunk when shown to his room, and caused the fire by upsetting a kerosene lamp.
Chinese Highbinder Hanged.
 SAN QUENTIN, Cal., Feb. 3.—Lee Sing, a Chinaman, was hanged at the state prison yesterday. His crime was the murder of a Chinaman belonging to a rival tong during the highbinder war last March.
Bull Fighters Reconciled.
 ROME, Feb. 3.—The pope has approved the decree forbidding the clergy to attend bull fights in Spain. He orders that the priests must refuse to give absolution to a dying matador.
