

A VETERAN'S VERDICT.

The War is Over. A Well-known Soldier, Correspondent and Journalist Makes a Disclosure,

int Makes a Disclosure.

Indiana contributed her thousands of brave officers to the war, and oo state bears a better record in that respect than it does 'to be requered in that respect than it does 'to be requered in the respect than it does 'to be requered in the respect than it does 'to be requered in the respect to the second party. In war and Interstree should be seen to be seen

The Exciting Trip of the British Steamer Beta.

BADLY BATTERED BY HEAVY SEAS.

The Water Poured Through the Satoous and Wreeled Excepting Reform It. White the trew Had Difficulty in Keeps ing the Vessel Albest.

HASITAN Feb. 6 - The British Statuter HALLY A. Fyth 6.—The British starmer Beth. Capmin timpline, just are self-on. Maintages fout a very serious time and lesks posity will bettered up. United Matanas on Jan 24. On Funday machine, the joth the world viered around to the West, a terribic cross see, was running and the stemmer began to ship bring quantities of water. About 4 a clock that norming the waves singularly in the form of the colling the waves singularly in the form of the colling the waves singularly in the form of the colling the waves singularly in the form. heirad beents new gld a need tunds bin

the slilp.
At Bo'clock on Tasseby night the exp At the bridge and referred to his best, when a great way, want the respect way, want the respect for his best, when a great way, want the respect just forward of the after channe and carried away two boats, destroyed the bridge and thooled the possencer school. The ways broke the whole sale out of the saleon and chart house and harded the possence than Hopkins out af bed and through the opposite wall, in the meanting the vessel shipping tons of water, which in pouring down the companionways broke the from down the companionways broke the iron banisters into pieces. The staircase was crushed to the floor of the salmon, and the cable fittings were smashed into frag-

ments.

The water powed along the corridors and wrecked the hoties' dorating and both room. The water carried everything along with it, finding an outlet through the right near the stoke hole and driving the firemen from their work. All the time the error were hard at work attempting to keep the ship about and securing the articles that were being thrown about. Two scames were found insensible and bleeding under the fee bulwarks. Captain Hopkins was brulsed and half stunned and was found under a pile of chairs and tubies. Canyass and heards were fastened up over the saloun house, and the piles of wreckage which were laying around were cleared up as well as could be done.

On Welnesday morning the gale sub-

sided, and the steamer was found to have drifted during the forty-eight hours that the gale lassed 150 miles southeast. Dur-ing the whole time the engines were kept working, and yet the ship lost ground.

An Police of the Jones Locky War.

Cypo, 1 T., Feb. 6.—The Choctaw dis-trict court convened here yesterday with a dozen marder cases before it, revera death sentences are expected. The most important and the one that is likely to result in trouble is that of Shubel Locke, son of Dick Locke, the leader in the late Antiers war. Shubet is to be tried for murder. The man he killed was a Jones man, and he is to be tried by a Jones court. Locke's friends, it is said, will never allow him to be shot should the court convict him.

German-Russian Beergreestly.
