At the Theatre. The entertainment given in Ferguson's theatre last night, with the exception of the exhibition of strength given by Miss Yocco, was a disappointment. The tons of strength were substantially as given at the special performance for the benefit of the medical profession and the great audience applauded Miss Yocco heartily after each feat. The sporting exhibition closed the entertainment and was a very tame affair. The balance of the program was about on the same grade. Miss Yocco's exhibition is worth stressing, but she needs a better program to fill up the balance of the evening.

MANY WEARY MOTHERS.

Tired Women Whose Nervous Energy is Not Enough.

The Sense of Exhaustion that Paine's Celery Compound Readily and Permanently Cures—The Experience of Mrs. Butler as She Tells It.

There are many weary mothers and tired young women who never have enough nervous energy to carry them through the day.

A sense of exhaustion comes from protracted in-door labor, the absence of pure air and sunshine.

To meet the needs of these spendthrifts of nerve force and vitality, Paine's celery compound has been prepared. New strength, new life, and new health comes to the whole system.

Paine's celery compound is the result of the life-long study and experience of one of the ablest physicians of his day, Prof. Edward E. Phelps, M. D., LL. D., of Dartmouth college.

His experience was one of the largest, his scientific knowledge surpassed that of any practitioner of his generation.

Prof. Phelps first prescribed Paine's celery compound, the remedy that gives strength to the weak, that makes the sick to be well, that gives food to the nerves, that enriches impoverished blood, that cures rheumatism, kidney complaints, liver troubles, and all diseases that arise from an impaired nervous system, the remedy that is incomparably the greatest in the world.

Thousands it has made well. Here is what Mrs. E. D. Butler, of Cleveland, Ohio, says: "I have used Paine's celery compound for headache and it gives immediate relief. I had used several kinds of headache drops and powders, and at last tried Paine's celery compound which helped me at once. I think it is the best remedy for the nerves that I ever tried, and I have used several kinds."

Presentation of People of Renown To the People of Shenandoah and The Mahanay Valleys.

To make a voyage around the world and meet the crowned heads of Europe as well as the most distinguished people in this country and abroad would cost lots of money, wouldn't it, even if you had the entree into their society? But suppose you could sit in your own home with your wife and children around you and come face to face with splendid photographs of these people of note, that would be quite a big step toward knowing them—as near, perhaps, as you will ever get.

And when you begin to weary of studying the features of this class of society we will show you a good many places and things in far-away climes that many of your brethren have paid thousands of dollars to see.

MRS. E. D. BUTLER.

You can take Your Family with you without EXTRA COST, and without the discomforts of Travel to you all.

The advantages of pictorial representation as a means of informing and verifying can hardly be exaggerated. Wherever travel is practicable there the lens, with its quick flash of light and swiftly caught image of nature and man, has come in to supply the deficiency and to transmit to homes in distant lands the picture and visions of the reality.

Now if you will come with us on this

... Voyage... Around the World

You will see many wonderful things, meet many celebrated personages, and you will not lose any time from business.

The first week we are going to introduce to you:

- 1st. The venerable Justices of the Supreme Court of the United States, in their black robes of office.
2d. The lovely Mrs. Cleveland.
3d. The President of the United States, Mr. Cleveland.
4th. The Cabinet of Mr. Cleveland's second administration with a splendid photo (by Sarony) of Mr. Cleveland in the centre.

8th. Twenty-eight Governors now in office.

10th. Prominent Republicans.
11th. Prominent Democrats.
12th. A dozen Generals famous since the War.
13th. Celebrated Union Generals.

The following week we shall present to you bishops, archbishops, cardinals, newspaper men, authors, composers, millionaires, actresses, actors, Queen Victoria, the Prince of Wales and his family and others.
