penial Hesiand correspondence.

Porrsviner, Feb. 8.—I have just comeross an opinion that means much to the poor men who are imprisoned for costs im posed upon them by juries. It has just been filed by Judge Clayton, of Delaware county It is based on a petition filed on behalf of citizens praying for the release of a poor man, who, as prosecutor in a case, had the costs imposed upon him, and in default of payment went to jail. Under the Act of

coans imposes upon him, and in default of payment went to jail. Under the Act of 1887 the judge finds that the Court and the County Commissioners have the power to discharge a prisoner where they are satisfied of his involvency.

County Controller Severn has asserted his surface to the Directors of the Poor of Schurik III county that under the Controller's Act they have no authority to advertise for our award contracts for supplies, that such advertising and the unking of contracts for supplies must be done through the Controller, in addition to this, he has notified the Directors that be will not sign warrants for payment of hills for advertising, or on contracts for supplies already awarded.

The newspaper champions of reform (\*) in this borough have avidently sustained a severe shock by the geomin policy of reform instituted by the Controller and County Commissioners. The developments in connection with the election ballot contract has created a sensation, but at the same time it has aroused an already and the payor in the contract has created as ensation, but at the same time it has aroused an already and the contract has

short by the Courteder and County Commissioners. The developments in one of the contract was the state of the contract with the court of the contract and pay \$50.00 and the public editable to death of the public editable t
