To be Ilade in the Tariff Bill by the Senate Committee.

THE OUR NOIS FOR THE INCOMETAX

That Festure of the Wilson 1911 Will Eminuterally Reach a Vote in the Sonate, Though It May be Acted On as a Separate Managers.

Wasterscros, Feb 10.—The Domineration sub-continuous are gaining a life to the continuous site purpose to all all the time lost the physical conductors of the first continuous to the product of until the bill can be put into charge for presentation to the full committee. While there is a stream to the number reported starting is again several times the number reported deal yet to be done the selection matter than progressed so are than Semintor Voice. Washington, Felt in .- The Domneralis deal yet to be done the subsequenties has progressed so for that Scinter Voses here suit to done that Scinter Voses here suit to ay that he was hopeful that the bill would be completed the latter part of next week. The monitors of the subsequenties will, however, place the limit at done week.

the convenities is endeavoring to tunch as few interests as possible in making the changes. All the definite reports still have about the daty on sugar, coal and from ore and the lax on whicky and the income tax. If the income tax is left in the hill it will not be so there are to put dathes on these imports and to change of the firm of sudenberg & the whicky for This fact rendres the Co., car maintactures, were arrested income tax question up of vital important.

there is some difference of opinion as to of the the expediency of coupling it with the makers tariff bill. One of the leading members of the committee, in reply to a question, and that an income tax would be voted by the present congress, but added that it was not as yet decided whether the has would be included in the tariff bill as re-The preponderance of opinion about the senate, however, seems favorable to the retention of the lax on the tariff bill.

Senictor Fauthmer Elected Chairman Wassington, Pels 10.—The Democratic yestership. Senator Panilaner, of West Virginia, was elected chairman, Hom. Lawrence Gardner, of Washington, seers tary, and James L. Norvis, of Washing-ton, who was conserned of the Cleroland brangeration commuttee, treasurer. Thus is the first year that the chairmanship has

over in front of the boy to take a whiff at the bouquet. As he did so a stream of his head where it belonged, took out a of water shot out of the innocent looking eigerette and lit it, and after puffing bouquet and struck bim full in the face of the grocery cat that and run down over his shirt, and the was sleeping on the cover to the sagar grocery man yelled murder and fellower barred he said: barrel of an helves and souths smaths "If I was a provision pirate that never

bere? I will manl you by thunder," gud he called up his shirt sleeves.

man who would get mad at a joke was a on the next corner. fool, and now I know it. Here, let me show it to you. There is a rubber nose cut sleeps in the dried apple barrel, that the unice made nests in the prune box my pause pecket, and there is a bulb of rubber that hads about half a pint, and that you never wash your hands except when a feller smells of the pesy I squeeze on Decoration day and Christmas, that the bulb, and you see the result. It's fun where you don't squirt it on a person and that you have the itch, do you think

the boy hulf a pound of figs if he would buy sourkrant of a wooden shoed Po-lend the bonquet to him for half an hour lacker, who makes it of pieces of cabbage the nextle so it would squirt right back you pay your rent? If I should tell them bulb in his pants pocket got to leaking, and the rest of the water ran down the onto you, and now you apologize for rocery man's tronsers leg, and he gave pulling my ear." t up in disgust and handed it back to

some from the sociable in a back the ther night?" asked the grocery man as he stood close to the stove so his pants less would dry. "He has not got to drink-

trig again, has her "Oh, no," said the boy as he filled the tuils with vinegar to practice on his chum. "It was this bouquet that got Pa into the trouble. You see, I got Pa to mell of it, and I just filled him chuck full of water. He got mad and called as all kinds of names and said I was no prison, and he said it was different with got him right over the hole the first time joke there was a certain dignity about it that was lacking in a boy. So I lent it to him, and we all went to the sociable in the basement of the church. I never see He filled the bulb with ice water, and the first one he got to small of his button.

"Yes, it is repeated that we had burthe first one he got to smell of his buttonhole bouquet was an old maid who thinks Pa is a heatnen, but she likes to be made

something of by anybody that wear pants, and when Pa sailed up to her and the Christian whatnes of the land were not to give me away. It's a go is ill doing in education the heather she felt buve always seen afraid of you, because smiell of it.

by order of the state board of health, half a boscupful of water struck her on a fellow. But if you wen't give the Special officers patent the town and pre-right in the mest, and same went into away, here goes. You see, I heard M her strangto place, and, on, my, didn't tell Pa to bring up another bottle of his she yell. The sisters gathered around ment last night. When Ma has a pain her, and they said her lines was all cox- anywhere, she just uses imiment for all ered with perspiration and the paint was coming off, and they took her in the kitchen, and she tall from Pa had slapped chum, and we had for Pa. This liniment she was learning took fire from a lamp for with a dish of the create, and the Ma uses is offul het and almost blisters and the a busine got increased and got I don't think it is right for a man to go near Pa, and Ua bet the water go at him to the theaters and not take his wife or and his lorn on the eye, and then a dea- his little boy, con go as the many and Pa laughed, and then the minister, who used to go to college agreed to lay on the stairs, and when he and be a baser and boxer, be gottmad and came up my efform was to hit him on the squared out goal bit Pa three times right | head with a direct bladder, and I was to Manasov City, Pa., Feb. 10.—Leon Pa., and Pa got mad and said he could stick and broats the immension of the Manasov City. Pa., Feb. 10.—Leon Pa., and Pa got mad and said he could stick and broats the immension make him think he was killed.

"It couldn't have worked better if we had reheared it. We had talked about him out doors, and Ma get mad to see him the could be had reheared it. We had talked about burglars at support time and get Panery. ay the eye, and one of the deaconsideked stab but on his breast pocket with a

things for the whole mining, ra says "Say, do you tions a little practical haven't set any more Christian charity loke does any hurry rescent the had boy of in that church than they have in a tanthe grocery man as became in with his nery. His eyes are just getting over be-sunday ent on and a honomet in his hut-ing black from the sparring lessons, and controls and pried off a couple of figs now he has got to go through systems

tonhole and pried off a couple of figs from a new loss that had been just opened.

"No, sir," said the grocery man as he licked off the grocery man as he licked off the grocery man as he had been just on the ground of the grocery man as he pure the strup that dripped from a quart measure from which he had been filling a just. "I held that a man who gets und at a practical joke—that is, one that does not injure time—is a fool, and he cought to be shumed by all decent posple. That's a nice honguet you have in your cost. What his —pursies? Let me smell of the "And the grocery man bent over in front of the boy to take a whiff."

The log pulled his ear back on the side.

and then groped around for a towel to sold anything but what was spoiled so it couldn't be sold in a first class store, "You condomn skink!" said the gro- who chested in weights and measures. cery tour to the boy as he took up at ax who bought only wormy figs and de-helve and started for him. "What kind cayed codfish, who got his butter from a of a golblasted squirt gun have you got fut rendering establishment, his cides from a vinegar factory and his sugar from a glucose factory, I would not in-"There, keep your temper. I took a test suit the son of one of the finest families wote of you on the subject of practical Why, sir, I could go out on the corner jokes before the machine began to play and when I saw customers coming here I upon the conflagration that was raging could tell a story that would turn their on your whichy nose, and you said that a stomachs and send them to the grocery "Suppose I should tell them that the

your business would be improved? Sup The grocery man said he would give pose I should tell the customers that you to play it on a customer, and the boy that he gets by gathering swill, and sell fixed it on the grocery man and turned that stuff to respectable people, could nto the grocery man's face. He tried it that you put lozengers in the collection on the first customer that came in and plate at church and charge the minister set it with in his own face, and than the 40 cents a pound for elemangarine, you would have to close up, Old man, I am

The grocery man turned pale during the recital and finally said the bad boy "How was it your Pa had to be carried was one of the best little fellows in this town, and the boy went out and hung up A sten in front:

TO COOK.

CHAPTER XXI.

"I hear you had burglars over to your bonse last night," said the grocery man to the bad boy as he came in and sat on the counter right over a little gimlet ood on earth and I would fetch up in hole, where the grocery man had fixed a state's prison, and then he wanted to borrow it to wear to the sociable. He said is would have more fun than you could shake a stick at, and I asked him if he didn't think he would reten up in state's got him right over the bole the first time got him right over the bole the first time. darning needle so that by pulling a string a man. He said when a man played a It made him laugh to think how he would Pa more kitteny than he was that night. boy sat still. He pulled again and again,

glars over there. Oh, you needn't pull that string any more. I heard you was setting a trap for me, and I put a piece of board inside my pants and thought I Pa he said for us to go to bed all fired would let you exercise yourself. Go ahead if it names you. It don't hurt

The grocery man looked sad, and then smiled a sickly sort of a smile at the failure of his plan to puncture the boy, and then he said: "Well, how was its The policeman didn't seem to know much about the particulars. He said there was so much devitry going on at your home that nobody could tell when mything was serious, and he was in clined to think it was a put up job,"

"Now let's have an understanding, segan validing about what a great work said the boy. "Whatever I say, you ar real good, and then she noticed Fa's posy | you have a sort of decayed egg loo Businesses. Par. Feb. 10.—X close in his buttonbole, and she tenched it, about you. You are like a peck of pois quarantees was praced on Publishwa, this and then she reached over her heak to toes with the big ones on top, a sort of strawberry box with the bottom rabis "Pa he squeezed the bulb, and about up, so I have thought you would go be whatmen told the minister and the deat Pa went to the Langury show and did come, and they wond to Pa for an expla- not get home till 11 o'clock, and me and mation, and it would then it was not so, my clima decided to teach Pa a lesson.

I had to stay and eat ice cream and ous, so when he came up stairs and was

bit on the head with the bladder the first thing he said was Burglars, by mighty, and he started to go back, and I hit him on the breast pocket, where he bottle was, and then we rushed by him down stairs, and I said in a stage whisper, 'Guess he's a dead man,' and we went down cellar and up the back stairs to my room and undressed. Pa hollered to Ma that he was murdered, and Ma called me, and I came down in my night shirt, and the hired girl she came down and Pa was on the lounge, and he said his life blood was fast ebbing away. held his hand on the wound and said he could feel the warm blood trickling clear lown to his boots.

"I told Pa to stuff some tar into the wound, such as he told me to put on my lip to make my mustache grow, and Pa said: My boy, this is no time for tri-fling. Your Pa is on his last legs. When I came up stairs, I met six burglars, and I attacked them and forced four of them down and was going to hold them and send for the police when two more that I did not know about jumped on me and I was petting the best of them when one of them struck me over the head with a crowler and the other stabbed me to the heart with a botcher knife. have received my death wound, my boy and my hot southern-blood, that I offered up so freely for my country in her time of need, is passing from my body, and soon your Pa will be only a piece of poor clay. Get some too and put on my stomach and all the way down, for I am

"I went to the water pitcher and got a chunk of ice and put inside Pa's shirt. and while Mu was tearing up an old skirt to stop the flow of blood I asked Pa if he felt better and if he could describe the villains who had murdered him. Pa gasped and moved his legs to get them cool from the clotted blood, he said, and se went on: One of them was about t foot high and had a sandy mustache. got him down and hit him on the nose and if the police find him his nose will be broke. The second one was thick set and weighed about 200. I had him flown, and my boot was on his neck, and I was knocking two more down when I was hit. The thickset one will have the mark of boot beels on his throat. Tell he police when I'm gone about the boot med marks."

"By this time Ma had got the skirt ore up, and she stuffed it under Pa's hirt right where he said he was hit, and Pa was telling us what to do to settle his state, when Ma began to smell the lininent, and she found the broken bottle in is pocket and searched Pa for the place where he was stabbed, and then she be gan to laugh, and Pa got mad and said he didn't see as a deathbed scene was such an almighty funny affair, and then she told him he was not hurt, but that se had fallen on the stairs and broke his bottle and that there was no blood on aim, and he said, 'Do you mean to tell me my body and legs are not hathed in human gore? And then Pa got up and found it was only the liniment.

"Look a here, it I find out it was you

"He got mad and asked Ma why she didn't fly around and get something to take that liniment off his legs, as it was eating them right through to the bone And then he saw my chum put his head in the deer, with one gallus hanging down, and Pa looked at me, and then be wild. "Louis a horse if I finitenet it was your boys that put up this job on me. PH make it so hot for you that you wil think liniment is ice cream in comparison.' I told Pa it didn't look reasonable that me and my chum could be six burglars 6 feet high, with our noses broke and boot heel marks on our neck, and quick and give him a chance to rinse off that limiment, and we retired. Say, how does my Pa strike you as a good, single handed har?' and the boy went up to the counter, while the grocery man went after a scuttle of coal.

In the meantime one of the grocery man's best customers-a deacon in the church-had come in and sat down on the counter over the durning needle, and as the grocery man came in with the coal the boy pulled the string and went outdoorand tipped over a business of rutabugas, while the deacon got down off the counter with his hands charged and anger in every feature and told the grocery man he could whip him in two minutes. The grocery man asked what was the matter, con's fists while he explained about the darning meetle and that it was intended for the boy. How it came out the boy did not wait to see.

It has been proven by living witnesses that Pan-Tina has remarkable specific for the quick cure of the difficult and daugerons throul and lang granthes—its round can't be found. Coats E cents—Pan-Tina is said at P. P. D. Kiriin's freig store.
