Work on the Lakeside Railway Progresses Rapidly.

it is Expected all Connections Will be Made For a Trial Trip on St. Patrick's

The Lakeside Electric Company is pushing work on its road and the power house plant at Mahanoy City so rapidly that the line will be in operation by the opening of spring In spite of the recent scorms the company has kept its men at work with excellent success

kept its men at work with excellent success.

The power house is rapidly nearing cum pletion. The walls of the building, which are eighteen feet high and about twenty inches thick, will be finished within a weak roof will be added without delay.

At the same time work on the flooring will begin. The dimensions of the flooring will be added of the flooring will be about the flooring will be about the flooring will be about the work on the flooring will be about the work on the flooring will be about the work of the flooring will be about the will be finished within a month. The two Westinghouse kiedak compound steam engines are already in place and the argument of the water case. Mr. Burke will be put in position near week, as well as the ballers. The track connections between the line and the power house will be made sarly in March.

The contractors expect to the a rapever the road on St. Patrick's day but the year.

What a Half Dollar will Buy

The contractors expect to the a car over the road on St. Patrick's day, but the road will not be thrown open for traffic before April 1st. It is intended to use four cars on the line between Mahanoy City and Shenandonh, a car leaving each terminus every 15 minutes from 5 a. m. until midnight.

New History of Schurikill County,

New History of schurikili County.

The Biographical and Cortrait Cyclepedia of Schuylkill county, published by Rush, West & Co., of Philadelphia, is before us. The work is a handsomely executed volume containing nearly nine hundred pages, elegantly bound in morocco. It is divided into two parts, historical and biographical, with an sualytical index to every incident of history and biographical sketch. The general history is a concise out congressioning procentation of the mann fleas of the history of the county and incides much that a valuable pertaining to the races that are supposed to have occupied his section prior to the white man, the formation of the country, the development of the coal industry, civil rester, the gart taken by the county in the civil war, and much information relative to the many boronchs and townships of the county, together with their various industries. In the biographical department are to be found the sketches of heavy of the representative mean of the county. Same of these sketches are illustrated with portraits of a high style of art. The besis, upon the whole, he very creditable and will prove a valuable work of reference to present and succeeding generations and townships of the county. The Examination.

town on Saturday by the local beard of examiners, comprising Mesors. John Barrens and John Bock and Miss Kats Glover. The examinations are strictly private, only the examiners and the applicants being admitted to the examiners and the applicants being admitted to the examiners and the applicants being admitted to the examiners and the applicants being the Civil Service Commission at Washington. The applicants who appearsd for examination on Saturday were Patrick Cenry, Henry F. Rellly, Greorge Piopperi, Jr., Martin J. Malone, Simon Romantitis, James J. Bell, Jr., and Miss Julis L. Bradigan. The last named two are applicants for clerkships and the rest for carrierships.

At the Theatre.

A season of laughter and enjoyment is promised the patrons of the theatre on the arrival here of Fred P. Wilson's production of "Pack's Ead Hoy." The piece has been considerably improved, and the company has been changed for the better, and anyone who won't laugh at the play, as it will be presented, must indeed be cold of good hunor. At Perguson's theatre on Friday evening, Pebruary 16th.

John Johnson, of Reading, visited his cousin, Ross Bond, on Sunday afternoon,

The business sugarity of Commissioner, Carles F. Alen was exhibited patering in a remarkable degree. For pinting the fickets at the camp February election tile eading publishing houses of Schuy Kiff canhoved and the towest hid presented was \$1.500,00. Our the asiman Mr. All mat once det cled the fright rin the wide pile, and immediately communicated by telegraph with Witkes-Barre, Residing and Allentown and as certained that the same wark was being done in the latter city for much less than our rounty concerns demanded. The result was a burried trip to Reading, on Wednesday night, the meeting of the representative of an Allentown publishing house in the city of Reading and the completion of the contrast for \$1.270.88, for which air county publishers demanded \$1,000.00. The result is a saving of over \$5.230,000 to our lax payers. Well done. over \$2,200,00 to our taxpayers. Well done, Commissioner Allen; your work is that of the true reference, and your efforts are appropriated by every taxpayer of our county.

—Tannayan Recurder.
