BOME UITE ELECTIONS.

A Very Close Vote in Lineaster's Mayor-nity Contest. Construe, Feb. 21 — Uniscity is Republi-

SUSQUERTANNA, Par. Feb. 2t. -B. F. Pride (Rep. 1 was cleared unique of this city by 67 majority over Joseph F. Lamon (Dem.). Autors A. Foli 21.—This city voted for

we school directors, five select conneilmen and twelve common conneilmen The Republicans got everything but one SHAMORIN, Feb. 21 .- This borough has

gone Republican by 500 amjority. The of-ficials elected are: Chief burgess, W. H. R. Smink, high constable, S. B. Campbell; tax collector William C. Roth, auditor. James M. Snyder; poor director, Henry

gives (frow 88 majority and elects Wible (Rep.) burgess by 57 majority. Republican councilmen are elected in all three wards. making the council 8 to 1 Republican. The Democrats elected two school directors and the Republicans one.

HAZLETON, Feb. 21.—The vote on the

state ticket gives Grow 758 in this city: Hancock, 654. This is a Republican gain of 100. The Republicans gain three councilmen. This will give them a majority in select council. West Hazieton borough elects Kern chief largess. Hazle town ship gives the usual Democratic majority LANCASTER, Feb. 21 .- The bitter fight to

mayor in this city resulted in the probable election of Edwin S. Smeltz (Rep.) over Robert Clark (Dem.), the present incum bent, by a majority less than fifty. I may require the official count to determin the result. Councils are Republican by a large majority, and Grow carries the city by about 500 majority, Pirranuna, Feb. 21.—The municipal

election yesterday was one of the most exciting ever held in Pittsburg and Alle gheny, and the result was a substantial victory for the Republicans. In several wards the contests were very close, and revolvers, jacknives, "handy billies" and brawny lists were potent factors in deter mining the results. The returns indicate a majority for Grow of 30,000,

TO ARREST CONGRESSMEN

Deputy Sergeants-at-Arms Scouring the Country for Absent Members. WASHINGTON, Feb. 21.—The deadlock on

the Bland seigniorage bill is still un-broken in the house. Yesterday Sergeant at arms Snow reported the arrest of seven members Musses. Appley Hilborn, Lucas, Marvin, Gardner, Post and Randall—under the order of Monday. They were all Republicans, and on their coming before the bar of the house it developed that three of them were present Monday and that two were absent by leave of the house. All were excused. Roll call followed roll call until 4 o'clock, when, it being appar ent that Mr. Bland could not muster a quorum on his proposition, he moved as adjournment. The high water mark yes terday was 170, nine short of a qui Deputy sergeants at arms started night for all parts of the country to absentees under the continuing order passed on Monday, and the house leaders assert most emphatically that the light will be continued until a quorum is ob-

special interest. Senator Daniel, of Virginia, concluded his speech on the Hawallan question, and while supporting warmly the course that has been followed by the administration he declared that new there was nothing to do but recog-nize the new government and wish it God speed. After the conclusion of Senator Daniel's speech the bill for additional printing office facilities was discussed in a desultory manner the remainder of the

DAVID FAUST.

"DIRT DEFIES THE KING." THEN IS GREATER THAN ROYALTY ITSELF.

They Thresten Death in Return for Diserinduation Against Their Race.

New Castle, Pa., Feb. 21 - Several weeks ago nearly all the New Castle mannfacturers and all the calleonds centering here decided that in the future they would employ no Bullan labor, but would give the work to American citizens. Since the this policy has been strictly carried out and not an Italian has worked at the local furances, mills or other manufactories. As a result the Italians are in sure straits for food, and many of them in this valley are on the verge of starvation. They have been greatly energed at the latter hosses, thinking them to blame for this discounnation, not understanding that it is the owners of the plants who have given the

REVENGEFUL ITALIANS.

orders against them.
Yesterday a well known farecom, who has heretofore employed and had charge of from thirty to fifty Italians, re-elved a strange letter. It was veriften in Italian in a near hand, and the envelope fore the postmark of "Levellville, Ohlo." The letter says the foreman is a spotted man, and there are men who have said they would take his life by the kuife, revolves or the cinb. If within one week three Italians were given jobs his life will be spared. It says further that other foremen will be treated the same, as the writer is in "great earnest." The threatened fore-man is greatly starmed, and is now carry-

To Save Them from the Chinamen.

Cinexon, Feb. 21.—The fear that the young lady school reachers who instruct the heathen in the Chinese Sanday school will be injured by the vile influences of the celestials has caused actions trouble in the aristocratic First Presbyterian church of this city. Some of the gentlemen of the congregation have formed an "Apri-Chi-nese Sunday School society," of which Dr. J. W. Carris president. They claim that the lady teachers, who almost without exception are young, are in great danger from the close personal contact with the Mongollans. Cases of marriage of pupil and teacher are cited, and a determined effort to rescue the young ladies from pos-sible peril will be made.

Flored at Stockton, Cal-

Fixed at Stockton, Cal.

STOCKTON, Cal., Feb. 21.—The indications are that the city of Stockton, will be entirely flooded. The great storm is not ended, and a warm rain here is falling and melting the snow in the mountains and fouthills. The water is reported coming in with a rush, and at Holden, a sation.

ger family at Michigan City. The father and mother died last week and were

buried in the same grave. Yesterday two children found relief in death. The four remaining children are bedfast. Death was canned by eating pork infected with trichtuse. A new case has developed in the family of Fred Sass, that of a young girl, 20 years of age, who is in a critical condi-

Anoma's Camp, Cal., Fish, 21.—Four Ans-trian miners have been arrested, suspected with having placed giant powder under the Magude bearding house. Suspicion rests mainly upon Autone Bocovich, Magude's brother in baw. The escape of the Maguele family from instant death is due to the fact that they were out of the direct line of comcassion. Magado is improving, and his child, which was found in a barred of wine in the cellar, will not suffer serious injury.

THE TARIFF MEASURE.

Still Held Back by the Senate's Finance Committee,

A CAUCUS MAY BE NECESSARY.

Senator Gibson, of Maryland, Believer the Democratic Members Must Meet to Define a Line of Action -Probable Coages atoms to Nugar Men.

Westmarrox, Feb. 21 - There is comed-erable talk about the south of the prepect of a Democratic manner to be appeared a Democratic manner to the form the rould hill. Semmor fillmen, or Mary-land, who has been exceptrating with rem-ator Gorman and others to seeme a duty on coal, said that he considered a cames inevitable, and that he thought it would be held during the first part of max work, or needly the latter have a live resemble. or possibly the latter part of the present week. Members of the finance country do not consider that a cancer-will be to sary, and they confidency posites that none will be held. They attribute the caucus reports to the disasticled element. and are evidently of opinion that they will not be able to socure sufficient backing among Democratic squares to force a

The meeting of the full Democratic committee yesterday did not change the as-pect of the situation, six for as can in bearied. The sugar schedule appears in be at present the item which is giving the greatest annoyanes, and there is no doubt that but for the unsatisfactory status of this matter the other disputed questions this matter the other dismated questions would have been agreed upon before this time and the bill reperted to the full constitute. There is no feature of the bill concerning which the members of the committee are so non-communicative as this, and they say they cannot talk for the reason that anything they would say would be misleading. They are undecided between a wish to report favorable to free sugar and a desire to insure the harmony of the Demogratic semators and make sure of the message of the bill in make sure of the passage of the bill in the scinite.

melting the snow in the mountains and foothills. The water is reported coming in with a rush, and at Holden, a scation seven miles cust of here, is four feet deep on the railroad track. Business men worked all night getting goods from cellars and low floors. The Catavers river and a stream adjacent are out of their banks, and the connection and additions of the committee admit that the pressure porth of the cits resolved their full benefit. banks, and the connectes and additions morth of the city received their full bounds is very strong for 1% cents, but say they feel very confident that even if the bill is reported without any duty it will receive the full bemocratic support in the senate when it comes to the test of a voice, and deaths were reported in the stricken Krue they may yet decide to let it go in at that figure.
There is good mutherity for the state

ment that the committee has decided upor a small duty on coal, and also on lead ore The load ore men are very conflicint that they will get a duty of at least one cent a pound. There is some notherity for the streament that iron one will be undisturbed and will be the same in the senate as in the house hill. A member of the concentred gave his opinion today that the tax on manufactured tobacco would be undeturbed, but thought it possible that a tex would be placed on unmaintfactured leaf tobusco.

Austria's Secretive Amurchists.

Vienna, Feb. 21.—It does not appear likely that any startling revelations will be disclosed by the trial of the twelve anarchists who are charged with conspiring against the life of Emperor Francis Joseph or that anything will be developed that will three light upon the movement on Big Claim Against Uncte Sam.
