## COUNTY SEAT LETTER

Observations on Doings by Aspirants For Office.

## HARMONY SUGGESTIONS

One Way in Which Mr. Brumm May be Side-Tracked From the Congressional Fight and the Field Left to Losh and Shoener.

Special HERALD correspondence. POTTSVILLE, March 10.—The political cauldron is beginning to bubble and in a few weeks it will boil over. Activity is more especially noticeable in the contest for Congressman, in which ex-Congressman Brumm, Hon. S. A. Losh and Hon. John T. Shoener are the leading contestants. All three are making an earnest fight and at this time it is hard to predict who will get on top.

It has been suggested, in order that there may be no friction, that the candidate who shall head the county ticket be selected by the state leaders, namely, Senator Quay, State Chairman Gilkison and Hon. Christ Magee. Should this suggestion be adopted, Losh would no doubt be chosen, through the intercession of his friend, Magee.

To make Losh's chances more certain everything is being done to urge the nomination of Brumm for Congressman-at-Large as a mate to Mr. Gray. In case of success in this connection the field would be left to Losh and Shoener, with chances in favor of the former.

But will the Republicans of the county permit this nomination to be left to the dictation of outsiders? However, Losh grants the nomination and wants it, and he will leave nothing undone to make his point. He is a shaper of no mean ability and is better known in the state than any other Schuylkill countian at the present time.

Hon. John J. Cogle, of Mahanoy City, has decided to be a candidate for Senator in the 30th district and will make a desperate fight for the nomination. His only opponent now is Major John F. Finney, of Shenandoah. If both remain in the field it will be a lively contest.

Hon. D. D. Phillips, of Gordon, should help a candidate for the Legislature this year, will have a competitor in Mr. Hunter, of Ashland, son-in-law of W. H. Lewis, of Wm. Penn.

Since my last letter the fight for the Republican nomination for Sheriff has become quite interesting and the contest is now on for blood. Hon. Elias Davis, of Broad Mountain, the workmen's friend, who has served as clerk of terms in the Legislature, made an early canvass and is pretty well entrenched, but he must be very watchful if he doesn't want some of his outposts captured by Alex. Scott, of Frackville, who is making a stubborn fight for the nomination.

There is little to be said of the candidates for the Legislature in the Fourth district. There are only a few who are showing results, among them being Will E. Haring, Palo Alto; Hon. Ramsey Potts, Pottsville, and Earl Whitman, Schuylkill Haven. Haring seems to be making the greatest headway, as he is really a most popular young man and never fails to hold friends.

## SPRING TOURS.

To Florida via the Popular Pennsylvania Railroad.

On March 13th and 27th the Pennsylvania Railroad Company will run the last two personally conducted tours to Florida. Special trains in charge of experienced tourist agent and chaperon will leave New York 9.30, Trenton 11.08 a. m., Philadelphia 12.30 p. m. These trains will be composed of Pullman sleeping and dining cars fitted with modern appointments and conveniences of the most sumptuous type.

\$50 from New York, \$48 from Philadelphia and Baltimore, and proportionately low rates from other points on the system, will cover all expenses on route—transportation, Pullman facilities south-bound only, the limit, however, being May 31st, thus allowing a much longer visit.

A stay of two weeks in the glorious health-inspiring peninsula may be enjoyed on the first, and that time may well be spent in following out the numerous side trips available from Jacksonville. These tours are especially delightful during the present season when the beauties of this magnificent state are at their best, and a vacation spent there should necessarily result in great benefit to those participating.

## THEY WILL CONTEST!

Citizens Party of Shenandoah Takes Action.

## PETITION FILED TO-DAY!

W. J. Whitehouse, Esq., Asks That the Election Officers of the Borough be Required to File Duplicate Returns of Votes in Their Wards.

Special to the HERALD. POTTSVILLE, March 12.—Preliminary steps to a contest of the recent borough election in Shenandoah were taken in court here to-day.

J. W. Whitehouse, Esq., presented a petition signed by twelve citizens of Shenandoah and sworn to by John L. Hassler before Justice Williams.

The petition sets forth that the election officers of the five wards of Shenandoah failed to make duplicate returns of the vote cast in each ward for the office of Chief Burgess. And also sets forth that they are contestants for that office.

The petitioners also say that the filing of the duplicate returns will expedite matters and save costs to them.

The court granted a rule that all the election officers of the borough of Shenandoah show cause why the duplicate returns shall not be filed. The rule was made returnable on the 26th inst.

Although this petition is filed there are no contest papers on record and it is presumed that the application for the rule to show cause is merely a preliminary step to contests which will follow the filing of the duplicate returns, should that be ordered by the court.

## NEW RULES.

The Republicans Are Again Talking of Reorganizing.

A meeting of the Republican Standing Committee of this town will be held some time this week to consider matters pertaining to the party's future success.

A proposition to adopt the Crawford county system in making borough nominations will be considered and papers are being prepared for the inspection of those interested.

At the same meeting a proposition will be made to drop the name "Citizens" and sail under the regular Republican banner.

The majority of the party's leaders have concluded that had straight Republican nominations been made for the last borough election the result would have been quite different. It is evident that the Republicans have become tired of and disgusted with the Citizens' business and will have no more of it. Of late years it has simply been made a whip by designing politicians. Democrats have made the nominations at the primaries and cut the ticket at the polls, and Republicans have felt themselves bound by the nominations.

With a straight ticket of good men the Republicans can secure more than they have gained under the farced Citizens banner.

## RECOVERY AT PLYMOUTH.

Bodies of the 10 Fatal Miners Found—All Instantly Killed.

Special to the HERALD. PLYMOUTH, March 12, 3 p. m.—The bodies of thirteen of the miners who were imprisoned by the great cave-in at the Gaylord colliery were found this morning.

It is clearly apparent from the positions in which the bodies were found and character of the wounds on the remains that all the men were under the terrible crash and instantly killed. A. P. A.

## LARGE ATTENDANCES

A Great Throng at the English Baptist Church.

The attendance at the English Baptist church last evening was very large. Every seat was occupied three-quarters of an hour before the service commenced. Seven new members were baptized. This congregation is enjoying prosperity and much credit is given the new pastor, Rev. William H. Harrison. The membership has recently been increased by about thirty admissions and eight more people will be baptized next Sunday. The trustees are making arrangements to expend \$5,000 or \$4,000 in enlarging the church in the near future. Rev. Harrison will deliver a lecture for the special benefit of men next Tuesday evening.

The attendance at the Trinity Reformed church was also very large last evening. All the seating capacity was in demand and there was hardly standing room after the service commenced.

Miss DeMott, the evangelist, is drawing large crowds to the Primitive Methodist church every evening. The lady is doing excellent work and has been induced to prolong her stay. Revival services will continue this week. Yesterday there were continuous services from 9 a. m. until 1:30 p. m. and from 6:30 until 11 p. m. The altar crowded with penitents at both services.

## Obituary

Mrs. Julia Dalton died this morning, at 10 o'clock, at her residence, 223 South Jardin street. The deceased was 60 years of age and is survived by her husband, six sons, James, John, Thomas, Patrick, Michael and William Dalton, and two daughters, Mrs. Carl Cosgan and Miss Ellen Dalton.

Daniel Malone, died yesterday at his home in Cumbyola, in his eightieth year. The deceased was born in County Kerry, Ireland, in 1814. He settled in Cumbyola upon his emigration to this country in 1841 and remained a resident of that place until his death. He was an honored and respected citizen and from time to time filled every position of trust in the gift of the people of Blythe town ship. He left two sons, M. D. and Martin Malone, both well known residents of Shenandoah. The deceased was one of the last of the old pioneer miners who first helped develop the Schuylkill coal basin. The funeral will take place on Wednesday and interment will be made at New Philadelphia.

## At the Theatre.

"Tough and Reddy," the title of last night's entertaining play at the Grand opera house, applied to the conditions under which Lizzie May Uimer and her strong supporting company began their six-night engagement. Although the weather was "rough" the theatre-going public was "reddy" to give the company a hearty greeting. The opera house was filled—the audience would have been a larger one if Miss Uimer had the weather made to order. The audience was an appreciative and enthusiastic one, and its manifestations of approval guaranteed good business for the remainder of the week.—Norristown Times. At Ferguson's theatre for one week commencing this evening.

## Held For Trial.

Anthony A. Rice prosecuted Charles Fulmer before Justice Tomney, today for selling clothing for cash, payment and making returns that it had been sold on the instalment plan. When Rice went to make the collections the purchaser showed his receipted bill. Fulmer was held in \$200 bail. As the case was disposed of Rice said, "Mr. Justice, I'll excuse that fellow anything if you let me have fourteen minutes with him on the street. I tear him like out rat." The Justice told Rice that Fulmer should be consulted on that proposition and the court could not give such a license.
