DESCREATERS REPORTION STATE COMPLETE Philadelphila, Fab. 24, '94, 26 the Republican Elector of Periodictania

26 the Republican Elector of Perceptonia I am directed by the Republican State Committee to automore that the Republicans of Pennsylvania, by their doly chosen representatives, will meet in State convention at Harristanz, P.a. on Wednesday, May Et at 11 o'clock a. m., for the following pirpose, to wit: For the nomination of conditates re-spectively for Governey, Licenteautification error, two members of Congress Iron the error, two members of Congress Iron the error, two members of Congress Iron the error, two members and for the transaction of nuch other business as may be pre-sented.

Attention is called to the rule adopted

Attention is called to the rule adopted at the State Convention of 1856 providing for the basis of representation as follows: Representations in future state conven-tions shall be based upon the vote cast at the Presidential or gubernatorial decision (numediately preceding, one delegate being allotted to each legislative district for over 2000 Republic in votes and an addi-tional delegate form fraction exceeding 1,000 votes, each district to have at least one delegate.

and delegate. By order of the Republican State Com. B Y. GLARSON, Chairman, Attart: A train B. Rus A. D. FLARDOR, Secretary. The representatives to which each dis-rriet of the county is entitled to is as fol-lows:

First district, 1, Second district, 1, Third district, 1 Fourth district, 3

A TIMELY PUBLICATION.

The State Department has shown its in telligent appreciation of public condition and needs in this Wilson (bill period by the publication of a bulky volume on "Va grancy and Pattors Charithes in Foreign Countries." The brightent thing that Sec petary Greshum had done since entering office has been this prompt recognition of public need of information as to the best ways of providing for choice who are reduted to used by the willopus-wallopus of Tariff Benerul.

Worymanneily, and very properly; the greater part of the land, is taken up with datable of the minagement of phipeden in this Paradisc of Free Trade-Great Britain. No other country in the world knowach a large properties of about the purpore in her population, and, to be credit be it said, none does more to prop only easy. for them - One man and woman in every 30 of the population of England is a chronic, hopoless purper who has to be supported all the time white an additional large percentage are "easuals" who get occasional relief.

Consul Lathrop reports that the rich city of ligistol spends \$1,000,000 a year incaring for its paupers. As Bristol has only 200,000 inhabitants, this means a tax for this purpose alone of \$5 a head, or \$25 a family. The parliamentary statistics show that one in every 25 of the people of Bristal is a chronic baumer. Throrest of the towns and cities of the King dom the ratio runs about the same, except in London, where it is much higher. The whole Kingdom is divided for pauper provision into 630 "unions." Each of these has a workhouse, where the appear in the tricoming and are used in habitual pupers are supported, and the "casuals" given food, lodging, etc. The total number of men of this latter class. given relief every day in these institutions is from 5,500 to 7,700. The women and children are miditioual.

economic discovery of the century, and THE WEEK IN CONGRESS navigation since the launching of the Ark or the Argo.

THE Board of Health, in the absence of a disposition on the part of the borough decided to take the best hold of the question it can by assigning certain grounds as a public dumping place and enforcing the law against people who may dump garbage elsewhere. If the Gilbert Estate allows the use of some of be at least a temporary disposition of the difficulty.

The contest for the Senatorial nominaion on the Republican ticket in the 30th district is growing warmer and candidates seem to be multiplying on both sides, but the strongest candidate thus far named on the Republican side seems to be Hon. J. J. Coyle. Hisfidelity to his constituents has made him a most likely man.

COXUY and his officers sleeping in a notel while the rank and file of his army rost on the hospitable floor of a police station is a sight to make Mrs. Lease and the other prophets of equality and brotherhood sigh over the innate selfishness of the human heart, even as it beats in the ineast of, reformers.

BRECRIVERING wants to be vindicated by are election to Congress. He may be

re-elected, but it will take more than a majority vote of his eight countles to vindicate him.

duputes from its howle for grub, l'oxoy's army is most interested in the com non-yeal. Farmers will do well to keep an eye on their calves.

APRIL Fool Day fell upon the Sabbath this year, but that did not deter some

TRUM TOQUES AND CAPOTES.

Nearly All Spring Headwear Has Je

Metal and Lice Ornamentation. The display of millinery this spring is a and warded as any one could desire The manufacture of artificial flowers has risen from a handleraft almost to un art and binssome that are really wonderful im tations of the tre reswit the constructions of the hops and more the carried hats that the stops and micro the investid bala dari this season has produced. Violetanal reduces are the relation favorites, repeating the purple and correlate tints so fashionable in fabrics. We are evidently optacing on a partial of fixeds coloring, for the fail dist-and sublaced database which have been con-sidered "the thing" beneform an giving place to brithmat reds, clear blues, vivid greens and unmental able yellows. Some very boundful mixed strays are seen, mathly in conditinations of greens.

The Tariff Bill Fairly Launched in the Senate.

authorities to invest in a crematory, has SEVERAL WEEKS OF TALK AHEAD.

As Many Senators Bays Speeches to Deliver No Idea as to When the Vote Will be Taken Can be Given-The House Contexted Election Cases,

WASHINGTON, April 9.-The tariff bill Gilbert Estate allows the use of some of its land as a dumping ground there will be at least a temporary disposition of the ance with the agreement arrived at in the committee on finance, and will in all prob-ability be the prominent topic of debate during the entre week. There are other measures which may claim attention, but noise of them are likely to receive it with out the consent of the managers of the topic with turiff bill.

The tariff bill will be the only order after 1 o'clock each day of the week, or until the morning business shall be dis-posed of, and there will be two hourseach day for the consideration of miscellaneous questions which properly belong to that 20000

Several amendments to the tariff bill will be offered by the committee on finance, after which the speaking will begin, in which Sonator Yourhees, as chatranan of the finance committee, will lead off. He will be replied to by Semitor Allison, but beyond these speeches it is not known in what order senators will be beard. It is quite thiely that Semitors Melbherson and Hill, on the Democratic side, will speak early in the week, and it is known that on the Republican side of the chamber Senators Hale, Lodge, Cal-lom, Hear, Hawley, Morrill and Mitchell, of Oregon, are prepared to speak, but it is Several amendments to the tariff bill of Oregon, are prepared to speak, but it i not probable that even a majority of these can be heard during the present week. Indeed, if the speeches should prove to be long, as many of them will, it is likely that for the present not more than one will be heard in a day. Semator Peffer is ilso expected to speak on the torif this week or next.

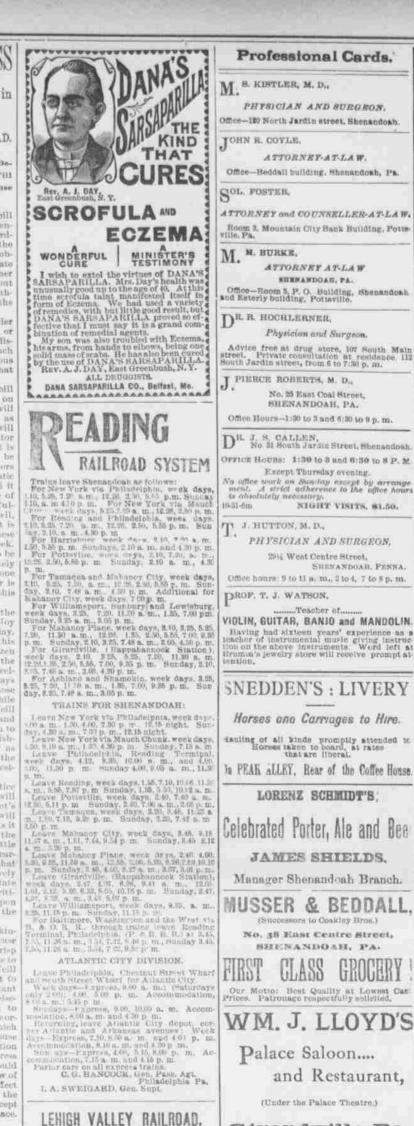

An exciting week is promised in the ouse. The straggle over the O'Neil-Joy contested election was resumed today. Although it has been apparent since this case has been up that at least a dozen bencerats were opposed to scatting the benceratic contestant, the partian feel ng empendered doring the had these days of the fillbacter has several to drive those who were lukewarm into emp, and while hey will probably not vote for O Neill hey will at least lend their votes and presence to make the necessary quote num-scatt the St. Louis Democrat. The English-Illiborn case will follow, and so far as known the Democrats are unlited on the proposition to sent English, the contest-

Tomorreval, according to the notice served by Mr. Bland on Friday, he will nak the house to consider the president's veto of the silver esigniorage hill and will move to pass the bill over the veto. As it requires a two-fairly vote to override the physicil most the used burt there is little requires a constant of our to correction the objections of the president there is little hope that Mr. Bland's motion can be car-ried. But revertheless it is expected that the debate will be of an excessingly lively character. The alver non are in a sinte of revolt, and some very outspoken criti-cism can be looked for. The debate upon the proposition to pass the hill over the veto may hot all week. No brough to expected by the Breckin-

No brouble is expected by the Breekin-ridge forces in the breach of promba case from the writ signed by Spanker Crisp automening him to appear at the house to help make a quorum for the Joy-O'Neill election contest. A formal statement to the house of the encodingly important housiness which demands his presence else-vines will exclude her the house to where will probably lead the house to make an exception in his case from theor-der revoking all leaves of absence which was passed inst week. Should the house reference in the second refuse to do this an interesting question of supromacy between court and congress would arise, which lawyers think would be decided in favor of congress, in view of the constitutional provision to the effect that members in attendance upon the house shall be exempt from arrest except for trenson, felony or breach of the pence

President Atharton in Mexico.

CITY OF MEXICO, April 2,-Mexican pa-pers devote a large space to interviews with President Atherton, of the Pennsyl-State college, who is now traveling In this country. His discussions with Hon. Josquin Baranda, secretary of jus-tice and public instruction, upon the rela-His discussions with tive condition of education in the two republics, seem to have attracted a pread interest. Dr. Atherton will also study the educational systems of the west-ern part of the United States before returning home

In 1975 the population of England and Wates was until 10,010. In door paupirs, 154.1711 outchoor, 570.148; total; SULGIA, In 1983 the promination was 25,973,110. Ontdoor paupars, 600,000; in-door paupars;

Trung he that the theory propounded by the ingenious Mr. Edison that growing the sides of ships will so diminish the resistance of the water as to Increase their speed by one-third, and if in, it will be another instructed the suscence segments advantage residing in a simple appliance lying always ready to hand, and overlooked in the costly and Inhorious search for remotor ones. Who can origipate the millions which have been and are still being expended in increasing the speed of ships figthing for hours and half hours and minutes even with a fervor of ingenulty which spared no cost and loft no paramatic or mechanical or constructive resource unexplored? It will be a starting disclosure to naval architects and engimeers if the solution of their problem be found not mainly in improved wave lines, or tabalar boilers, or tripie screws, but, like truth in a well, at the bottom of the obscure and unregarded grease pot. Perhaps Mr. Edison has made the greatest

OTTIPURE CAPOTE

and soft as muslin. Many of the wide hats have the brim shaped in starlike points while in others it is bent and twisted in ev ery conceivable fashion. Spangles alway moderately. A black neapolitan flat trim med with black had the bent brim covered with black spangles of all shapes and sizes, while in lace hats the pattern is followed out on the net by them. The lace is gathered vary little, of course, Besides the large hats, a number of toque

and unpoles are shown. The trimming is often allowed to fall on the bair at the back Sometimes it is ribbon how, sometimes two writhree jet grownenth with pendants, some times only a tamph of violate. There is searchy a hat or bonnet to be seen into the construction of which have of sense sort ies not enter, while everything gillter eith metallie or let decoration.

A stringtons clipple is shown with a crown topsigled guipure. A scant rullle of inco takes the place of a brin and is arranged a droop upon the hair behind. A black resette to placed in the middle and on each side, and in front are two black estric JUDIC CHOLLET. \$-ittenes.

IT FOLLOWS AFTER -a discribured liver-that you're subject to attain of cold or oblids on allyfit expenses. You get "tired" easily. The feeling is me-companied by a "tired" dignation, which fails to assumine the feel. This often results in what we call haligentian or fillowness. Dr. Pierce's Flumant Feillets couse the liver to vigorous action, and this in turn starts the machinery of the body into activity. Liver, atomich and lowals feel the tonic affect, and in conseponce the softme system is invigo-rated. The processes become soft regulating, and a reserve force is stared up against ex-porare to dimets.

and a resorve force is stored up signifies ex-posure to disease. If you're too thin, too weak or nervous, it must be that food scalaritation is arrong. This is the time to take Pleasant Pollets. They permanently calve Constipation, Sour Stomach, Dyspenia, block or Billious Head-ache, Dizziness and Jaundica.

Catarrh sured by using Dr. Sage's Ramady. | preaching to his congregation near Savan mak yesterday.

A Jersey Oyster War Imminent.

BRIDGETON, N. J., April 2.-Sheriff Allan B. Shinn sailed in a tag for the oyster grounds at Fortescue, in compli-ance with a request from the riparian owners, to protect their grounds from the raid of a powerful oyster association and others, who have formally declared their intention of dredging on them. The cys-ter association claims that the beds are untural ones, and open to everyone. Trous ble is anticipated when arrests are made.

Eilled by Religious Excitement.

BALTINOUE, April 2.— Manuto Harris, a colored woman, while attending services at inclued A. M. E. church, was seen to fall over in what was thought to be a When picked up, however, she SWIRDIN. was dead. A physician pronounced the cuture of death beart discass, superinduced by religious exchanant. She had just been converted and was in church to take

Welshman Blew Out the Gas.

Il Announue, April 2.-William Bowen and John Dudley, the plate workers, who came to this country from Wales recently s search of work, blow out the gas in bolt room at the Groyes hotel, in this city. When the porter went to call them liowen was dead from the effects of the gas and Dudley was traconscious. Dudley was removed to the hospital.

Psunsylvania Latherna Convention.

Hammingtonans April 2.—The state con-weation of the Pennsylvania Lutherane will be held in Harrisburg, June 45 and 26. Rev. Dr. W. H. Singley, of this dity, who has charge of the arrangements, says there will be 5,000 delegates pre-ent.

Dropped Dead in Mis Pulpit.
