## THE SCHOOL BOARD!

One of the Organization's Final Meetings.

## THE VACCINATION RULE!

Exceptions Which Meet With the Sentiments of the School Directors—The Physical Condition of Children Must be Taken Into Consideration.

The next to the last regular meeting of the present School Board was held last evening at which the following directors were present: Messrs. Conry, Davenport, O'Hearn, Burke, Devitt, Ogden, Titman, Manley, Gallagher, Hanna, Lynch, Brennan, Muldoon and Trezies. The meeting was a short one and very few important topics were discussed. The principal topics were the exonerations of tax collectors and the vaccination rules.

Superintendent Whitaker made his monthly report showing the following statistics: Term enrollment—boys, 1829; girls, 1467; total, 3296; monthly enrollment—boys, 1148; girls, 1295; total, 2443; average daily attendance, boys, 972; girls, 1076; total, 2048; percentage of attendance, boys, 90; girls, 87; average, 88; number of pupils present every session, 592; number of visits by citizens, 158; number of visits by directors, 32.

The superintendent's report concluded with the order for vaccination is complied with. While many children have been obliged to remain a few days out of school on account of sore arms, it is gratifying to find that there is scarcely any opposition to the rule by parents.

Chairman Lynch, of the High School Committee, made a report concerning the disposition of the complaints against some of the pupils of the High School, a full report of which was given in the HERALD when the cases were disposed of. The committee on text books and supplies made a report showing that the money thus far spent for books and supplies to comply with the new law amounts to \$4,437.18.

The board decided to meet on Thursday night and every night for the balance of this week to complete a review of tax exonerations. The board will meet as a committee of the whole.

Before the board adjourned Superintendent Whitaker presented a series of questions as to how he should act in enforcing the vaccination rule.

First, There are some children who, on account of physical condition, it is not deemed entitled to admission to the schools, even though the marks be over seven years old, as that appeared to be the sentiment of the board at its last meeting.

No formal action was taken by the board on any of the questions or the latter statement, but it was the sentiment of the meeting that the superintendent's instructions to the teachers was a correct one.

As to question No. 1 it was the sentiment of the board that where a physician's certificate is produced showing that the physical condition of a child is such as to make vaccination dangerous, that child shall not be required to comply with the rule, provided, that should small-pox make its appearance in the town the child must be vaccinated, or remain suspended from the schools.

As to question No. 2 the board's sentiment was that where a child is operated upon two or three times and the vaccination does not take a certificate from a physician that attempts to make a vaccination effective have been made will entitle children to admission to the schools.

On question No. 3 the sentiment of the board did not seem to be clearly expressed, although the question seemed to drift under the sanctioned instructions of the superintendent that where children bear the vaccination mark they are within the bounds, independent of the source of operation, and of course, that implied understanding disposed of the fourth question.

The last regular meeting of the present School Board will be held on the first Wednesday of May. The new board will be organized on June 4th.

"Little Johnny Doogan," prince of Irish ballads, by phonograph at McElhenney's.

Joined in Wedlock. Miss Bridget Gannon and Charles Ford, of Girardville, were married at that place yesterday. Miss Kate O'Boyle was the bridesmaid and Thomas Durkin the groomsmen. After the ceremony the party drove to this town and partook of an elaborate spread at Burchill's hotel.

Bargains. I now offer taweling at 4 cents per yard, elegant corsets at 50 cents, nice plaid muslin at 5 cents, good gingham at 2 cents, new dress gingham at 6 cents and standard dark prints at 5 cents per yard. 20 South Main street, Shenandoah. 4-5-tf P. J. MONAGHAN.

The way to get rid of a bad cough or cold is to use Dr. Coxe's Wild Cherry and Seneca. Price 25 and 50 cents.

Now on Tap. Rettig & Sons' celebrated back beer is now ready and on tap at all the leading hotels and restaurants in Shenandoah and vicinity. This is no counterfeiter, but the genuine back beer, and is acknowledged to be the finest brew now on the market. All orders left at 120 South Main street will receive prompt attention. 4-1-tf. SOLOMON HAAK, Agt.

## THE P. O. S. OF A.

A Successful Reunion of the Camps at Girardville.

GIRARDVILLE, April 5.—One of the most successful reunions of the P. O. S. of A. camps in Schuylkill district, No. 5, was that held under the auspices of W. Camp, No. 125, of town, in their cozy and commodious lodge room in the Palace theatre building. It was a success socially, intellectually and numerically, there being about 250 members present, including representatives from Camps No. 42, 71, 75, 66, 113, 125, 130, 225, 148, 284 and 124. Shenandoah was represented by about fifty members, making the trip in a special car on the electric road.

The meeting was called to order promptly at 7:30 o'clock, with District President S. L. Brown presiding. In his opening address Mr. Brown spoke earnestly upon the grand work which the order was organized for and made a strong plea for practical results in that direction. His address was listened to attentively and met with hearty applause at its conclusion. Then followed the regular program of the evening.

The subject under discussion was the public school question, and it was handled eloquently and in an able manner, thanks to the enjoyment of those present. Those who took part in the discussion were: Rev. Schuler, of Frackville; James H. Lewis, of Shenandoah; J. H. Habb and W. S. Britton, of town. These speeches were interspersed with songs by I. H. Abrams and E. D. Gregory. Town and comic recitations by George Watkins and other members of Camp 125. This concluded the regular program of the evening, and members from the various camps represented were called upon to address the meeting, and among those who responded were John Bitler, A. C. Morgan and C. T. Straughn, of Shenandoah; Harry Miners, of Wm. Penn, and other prominent members in this locality.

At the adjournment of the meeting those present were invited to the adjoining room, where a light luncheon was spread and to which all did ample justice. It was a red-letter day for Camp 125, and the committee having the affair in charge, consisting of P. L. Evans, W. S. Britton, Jerry Blass, J. R. Green and S. W. Brown, deserve much credit for the success of the affair.

The next reunion will be held at Ashland some time in the near future.

"Jack Won't Forget You," a delightful ballad, by McElhenney's phonograph.

## Belled the Bottle Market.

Hundreds of school children flocked to the cellar where good Hillier's drug store at the corner of Main and Centre streets, during dinner hour yesterday. The attraction was the hundreds of old bottles that lay about the place. The first to make the discovery was an enterprising young chap who waited until the watchman's eyes were in another direction. He then dropped noiselessly into the cellar way and emerged a moment later with a bottle bulging from each pocket.

The boys of the kind spread like wildfire and in a few minutes hundreds of boys and girls were upon the scene, upsetting boxes, old lumber, poking everywhere for the coveted bottle, and leaving the place with more old glass than they will know what to do with in six months. The watchman smiled grimly and said nothing, the drugist doubtless believing it an excellent way to herd of worthless stock and ordering the watchman to offer no opposition to the boys, (the little fellow, with a foreboding that his fellows, gathered a lot into a box and then waited until the market was unloaded. Sure enough when no more were to be found the less fortunate swooped down upon him and, in a few minutes he was practically forgotten, fought them off and when the reporter left was driving a great trade with marbles, old knives and chewing gum.

## PENCIL POINTS.

The Borough Council meets to-night. A B-Chloride of Gold Institute and a plant for manufacturing elevators were started in Bloomsburg last Monday. The Lehigh Valley Railroad Company has ordered the construction of forty additional cars, to be used in carrying milk.

The G. B. Markle Company, who operate collieries in this county, have reduced the wages of the afform men in the breaker from \$1.16 to \$1.05 per day.

Diphtheria is an epidemic at Allentown. This state of affairs is due to the absence of sanitary measures in allowing public funerals where the deceased died of a contagious disease.

Schuylkill is 37,055 tons of coal short of her output as compared with one year ago. But the Lehigh and Lackawanna regions still have a big lead in the race for the markets.

They Want Names. The Russell Art Publishing Co., of 925 Arch St., Philadelphia, desire the names and address of a few people in every town who are interested in works of art, and to secure them they offer to send free "Cupid Guides the Best," a superbly executed water color picture, size 10x12 inches, suitable for framing, and sixteen other pictures about same size, in colors to any one sending them at once the names and address of ten persons (admirers of fine pictures) together with six two-cent stamps to cover expense of mailing, etc. The regular price of these pictures is \$1.00, but they can all be secured free by any person forwarding the names and stamps promptly.

NOTE.—The editor of this paper has already received copies of above pictures and considers them really "Gems of Art."

The Crowds at Wilkenson's. Dry goods at prices new to Shenandoah still continue to attract eager buyers. A feature of this sale is its honesty, everything being exactly as advertised. See our window full of lace curtains at 30, 50, 55 and 75c per pair; and all new goods just received. Prices all through our immense stock are equally interesting. L. J. WILKINSON, 29 South Main St.

The Lakeside Opening. The Messrs. Coogan will have a grand opening at the Lakeside hotel (East Mahanoy Junction) Thursday evening. For the accommodation of the many people of Shenandoah who will attend a special train will leave this town at 7 p. m. and returning leave Lakeside at 3 a. m. Everybody invited. The Schoppe orchestra will be in attendance. 4-4-tf

Bear in Mind. John A. Reilly's is the place to get the purest wines and liquors, best beer and ales and finest brands of cigars.

## A BRAKEMAN'S DEATH

A Sad Accident at Mahanoy Plane This Morning.

## LEVI HUBLER THE VICTIM

His Finger Was Caught as he Attempted to Uncouple Cars—He Fainted, Fell Under the Trip and Was Almost Ground to Pieces.

SPECIAL TO EVENING HERALD. MAHANAY PLANE, April 5.—A frightful accident occurred on the hill track west of the plane, here at three o'clock this morning. Levi G. Hubler, a brakeman, was run over and almost instantly killed.

The victim's right leg was cut off just above the knee and the left was served at the hip. He breathed for but a few moments after the accident, but was not conscious.

No one saw the accident, but the circumstances point clearly to the manner of Hubler's death. He stood between a moving trip to uncouple cars on the hill track and his finger was caught between the rails and the wheels then passed over and cut off the leg.

The first man upon the scene was a fellow brakeman, who summoned others and Dr. Enterline. The doctor could do nothing but view the remains.

Hubler was 25 years of age and unmarried, and was looked upon as a good railroader. He had worked at Gordon for two years and was transferred to Mahanoy Plane last week, when the Gordon hoisting machine was destroyed by fire. His parents will receive \$500 from the Reading Relief Society.

"When There is Love at Home," beautifully rendered by McElhenney's phonograph.

PERSONAL. Harry Hart, of Ringtown, spent to-day here. Dr. E. J. Sallada, of Ashland, spent last evening in town.

Feed, Burkhardt spent to-day transacting business at Pottsville. David Levine has returned from a trip through the southern states.

J. H. Pomeroy, Esq., transacted legal business at the county seat to-day. William Snyder, of Ashland, circulated among Shenandoah friends last evening.

Oscar Yost left town this morning to visit friends at Wilkes-Barre and Scranton. Miss Alice Black, of Berwick, is the guest of her brother, Frank Black, of Burchill's cafe.

Miss Mary A. Stack, one of our most popular public school teachers, is off duty on account of illness. Mrs. Levi Clifford and Mrs. Robert Stevens, of Ashland, spent the day in town and were the guests of Mrs. Froude, at the P. M. parsonage.

Edward T. Johnson, who had one of his hands injured in one of the HERALD presses about three months ago, yesterday resumed his old position in the office, the injury having healed.

Mr. T. C. Waters bid farewell to his family in town yesterday and left for his new home in Bucks county. Mr. Waters was one of the oldest and best known of our townsmen and in his departure the community loses a good citizen. He left to better his fortune and many will join in the hope that his expectations may be realized. Mr. Waters said with leaving that he would visit this town to keep up his custom of many years in participating in the Memorial Day exercises in Shenandoah.

Kicked by a Horse. Harry Guin, of 22 West Lloyd street, employed as a bootler at Suedden's livery stable on North Bear alley, last night received a kick from a horse that temporarily caused apprehension for the young man's life. Guin was brushing out the horse's tail, when the animal kicked him in the stomach. The animal was knocked back several feet and dropped in a heap. The breath appeared to have been completely knocked out of him and with his eyes bulging and mouth wide open, without a sound issuing from it, he presented a pretty serious sight. The people who went to his rescue feared he would die, but after getting straightened out and working one or two kinks out of his stomach and chest he commenced to recover from the shock and got on his feet with the assistance of Mr. Suedden and others. He was able to walk to his home with assistance, but is confined to his bed. It is thought he will be all right again within a few days.

Colliery Notes. All the P. & R. collieries suspended operations last night and will remain idle until Monday next. The Wm. Penn colliery resumed operations this morning, but it is impossible to say whether the operations will continue for the balance of the week. The condition of the coal trade is such that the colliery is dependent upon a few hours notice to stop and resume work. It is probable that the colliery will be in operation to-morrow.

St. George's Day. The Lutheran Catholics to-day observed St. George's Day by attending services in their churches. A large number of the Lutherans of town attended the church in Mahanoy City and many people of the latter place attended the church here. On account of this exchange of attendance the traffic on the railroads was quite brisk.

Celebration Postponed. Yesterday was the day for celebrating the anniversary of the birth of Thaddeus Kosciuszko, the Polish patriot, but it passed unobserved here, the Polish organizations having decided to postpone the celebration until some time next month.

## TWELVE RIOTERS KILLED.

BLOODY WORK DONE AT CONNELLSVILLE THIS MORNING.

Twelve Hungarians Reported to Have Been Killed in a Battle With Sheriff Wilhelm's Posse—Jails Filled With the Arrested Rioters.

SPECIAL TO EVENING HERALD. UNIONTOWNS, PA., April 5, 2 p. m.—The reign of terror and tragedy continues here and the latest reports from various mine workings in the valley say mobs of Hungarian strikers and posse organized by Sheriff Wilhelm are having frequent and bloody encounters.

This morning a large mob clashed with a posse at Conneltsville and it is said twelve Hungarians were killed.

Sheriff Wilhelm has just jailed one hundred and twenty-five of the rioters. They are jailed at Pittsburg.

This morning big mobs advanced on the Mt. Braddock, Mt. Pleasant, Lamont and Olive works. The result is not known. The dead bodies of six strikers were found this morning at Adelaida, near this place. They were remains of Hungarians. It is supposed they were killed in a skirmish with a posse.

President Davies, of the Mine Workers' Association, is in jail at Pittsburg. Davies is charged with inciting riot and with being an accessory to the murder of Chief Engineer Joseph H. Paddock, of the H. C. Peick Coke Company.

Sheriff Wilhelm has just come into this place with ninety-five additional rioters in his custody and has lodged them in jail.

Sheriff Wilhelm says his posse are in almost constant bloody conflict with the strikers and the list of killed and injured is very large.

Adjutant General Greenland, of the National Guards of Pennsylvania, has arrived at Pittsburg this morning and has decided to call out the troops. A. P. A.

LATEL. UNIONTOWNS, April 5, 3:15 p. m.—The dead bodies of eight Hungarians have just been found in the woods at Dawson Station, eight miles below Conneltsville. It is supposed they were killed in one of this morning's battles. A. P. A.

[Full account of yesterday's battles on the second page.]

The Borough's Great Need. EDITOR HERALD:—Once more touching the matter of the great and urgent need of this borough for more electric lights, permit me again to urge Council to treat the petitions of citizens asking for the same with liberality. Shenandoah is the town of this county with the largest population and extending over an extensive territory as any other save perhaps one, and it is lighted with only thirty-nine lights costing \$351 per month, which is \$9 per light. The police pay roll is not the borough's heaviest item of expense, inasmuch as the force is small and the salaries low, and the Borough Council can well afford to expend a little more towards creating that greatest of necessities to our night patrolmen—light. This is a question of the greatest importance and every Councilman, each one of whom is asked to remember that the honor of his position was not thrust upon him, but was sought under an implied, and in many cases, an express promise that he would legislate for the taxpayers' and citizens' benefit, is hereby solicited to give every petition for new lights the same attention that he would give to a personal request for assistance by a member of his family, or an appeal to aid the poor. D. U. C. Shenandoah, April 5.

Sorely Afflicted. SPECIAL TO THE HERALD. QUAKERTOWN, April 5.—George Wetters, of this place, has lost four children by scarlet fever within a week. On returning to his home Sunday, after burying one child, he found two more dead. Another one soon followed and they were placed side by side in the White church graveyard yesterday. The funeral services were conducted by Rev. Koser, of Mahanoy City. Two more of Wetters' children are still down with the same disease, but an infant child has thus far escaped the attack. All the children were under ten years of age.

A LITTLE MORE SOUR KROUT

LEFT AT

Graf's

123 North Jardin Street

**A CALICO HOP!** All day To-day  
Everybody is invited to attend in our store, from 9 o'clock in the morning till 9 o'clock at night. All CALICOS will be sold at **4c a Yard.**
