THE GREAT NORTHERN STRIKE. A Restraining Order Served on Strikers by Justice Sanborn.

ST. PAUL, April 19.—The order for the Great Northern men to strike at Minneapolis was issued last night. It first read for 7 o'clock this morning, but was later changed for 1 o'clock this morning.

A temporary restraining order issued by Justice Sanborn calls for a hearing in this city on April 27, at which time the leaders of the strike are to show cause why they should not be permanently restrained from 'disabling or rendering in any way unfit for immediate and convenient use any of the property of the company used by it in the interstate commerce...

The reports received here from points along the line of the Great Northern are much of the same tenor. The men are announcing their peaceful intentions, and at the same time, without great violence, preventing the running of any trains and making up of any new trains. North Dakota points supplied with mail and provisions over the Great Northern are complaining seriously over their isolation.

At Wilmar, Minn., the firemen surrendered their charter in the brotherhood and all joined the American Railway union, and the correspondent at that point adds that the engineers may follow their example. It is just the other way at Crookston, where the men refuse to have anything to do with the strike until ordered by their brotherhood.

At St. Cloud W. A. Morris, attorney for the county officials with the object of securing their services in getting out the several trains. United States Deputy Marshal Banks is also there, and the company will attempt to make up trains and have the marshals serve injunctions in case of interference. The county officials refused to assist, but said that if violence was attempted warrants could be issued for assault.
