THIRD EDITION

THE WEEK IN CONGRESS

Republicans Senators Will Contest the Tariff Bill Inch by Inch.

WASHINGTON, April 23.—The prospect is that the tariff debate in the senate will continue this week much on the same lines as have been observed since the agreement for the regulation of hours of debate was entered into, notwithstanding the arrangement that the reading of the bill by paragraphs should begin on Wednesday at 1 o'clock. The Republican senators are counting upon the continuance of this program for at least another week, and expect to go on with their general speeches just as they have been doing for the past three weeks. "General debate," said Senator Aldrich, in discussing the outlook, "will conclude Tuesday at 5 o'clock and will be resumed Wednesday at 1 o'clock."

Nine Republican senators will make manifest their disposition to contest every inch of ground at the very beginning of the discussion of the paragraph on Wednesday by attempting to have the provision of the first paragraph, providing that the new tariff shall go into effect on June 30, changed, and they will contend that the custom has always been to give at least six months notice in making a change of the tariff laws.

Appropriation bills will continue to occupy the attention of the house during the week after today, which, under the rules, is devoted to the consideration of business reported from the District of Columbia committee. Tomorrow the diplomatic and consular bill, which consumed the major portion of last week, will probably be finished, and on Wednesday the postoffice appointment bill, the consideration of which was interrupted by the departure of Chairman Henderson, of the postoffice committee, as one of the committee to attend the funeral of the late Senator Vance, will be resumed.

Special low prices to all in watches, jewelry and silverware at Holderman's, corner Main and Lloyd streets.

GIRARDVILLE.

Miss Kate Martin, of Shamokin, circulated among friends here last evening.

A young engineer has arrived at the house of Thomas Coughlin.

The Co. F, 8th Regt., has erected a 75-foot flag pole in front of their new armory.

Quite a number of young folks have received invitations to attend the May Party to be given by the Emmet Band at Ashland on May 2nd.

A grand ball will be held in Armory hall on Tuesday evening, May 29th, under the auspices of the Columbian Social Club. Music will be furnished by Reilly's orchestra and the principal feature of the evening is a waltzing contest for a ladies' gold ring.

Between the hours of 3 and 4 o'clock Saturday morning a bold attempt was made to burglarize the store of Philip Blass, but the parties were frustrated in their undertaking by Mr. Blass, who was aroused by the noise and discharged the contents of his revolver. The burglars returned the compliment with harmless shots and made good their escape.

Our better halves say they could not keep house without Chamberlain's Cough Remedy. It is used in more than half the homes in Leeds, Sims Bros., Leeds, Iowa. This shows the esteem in which that remedy is held where it has been sold for years and is well known. Mothers have learned that there is nothing so good for colds, croup and whooping cough, that it cures these ailments quickly and permanently, and that it is pleasant and safe for children to take. 25 and 50 cent bottles for sale by Gruhler Bros.

Wanted.

A gentleman with $500 or $1000 available capital to join with another who has the general agency of Eastern Pa., for a specialty needed on electric roads, factories and hotels, to take a half interest in the business, and a profit of 100 per cent. Address T. F., HERALD office. tf

Suggestion Endorsed.

EDITOR HERALD:—Your article in Saturday's HERALD on "Make peddlers pay" is an excellent move. There is more illegal peddling and hawking of wares in and around Shenandoah than in any other town in Pennsylvania. The legitimate merchant is taxed to death in numerous ways. The combined taxes are 3½ per cent., insurance 3 to 5 per cent., interest on his money 6 per cent., making 13 to 14 per cent. before he has any profit. They are also handicapped by these peddlers selling their wares right under their noses from day to day. As a rule these peddlers get out of town about the time tax is collected, hence they pay no support to the borough. I think the borough authorities should make an effort to prevent the illegal peddling and those who have a legal right should bear their share of the burden that now rests so heavy on the merchant. MAHANOY CITY.

MAHANOY CITY, April 23.

Mrs. Lizzie Faust, of Lakeside, was a Sunday visitor to Mahanoy City.

Miss Jennie Hardily spent Sunday afternoon with Shenandoah friends.

Messrs. W. E. Jones, Arthur and Joseph Hoppes, William Prince and Harry Day were entertained in Shenandoah yesterday.

Phillip Coyle was among the spectators at the St. Nicholas fire yesterday morning.

Mrs. Charles Krebs is visiting her daughter, Mrs. R. A. Bacon, in Philadelphia.

The Philador Club's April Assembly will take place in Armory hall to-morrow evening. Invitations were sent to the belles and beaux of the county, and an affair of elegance is anticipated.

Miss Carrie Buck, of Orwigsburg, is the guest of Miss Cora Dilcher.

William Davis, a Shenandoah telegrapher, was a visitor to town on Saturday evening.

Messrs. Matthew Whalen and James Devlin, of Cumbola, visited Mahanoy City friends yesterday.

Mrs. Mary Lyons died at her late residence on East Centre street on Saturday night. She was a widow and is survived by several adult children.

Nelson Brandon, of Brandonville, is making a canvass for his candidacy for Poor Director.

Miss Maggie Lester has accepted a position as pastry cook at the Hotel Kaier.

William Reppert, of Pottsville, was in town on Sunday.

Messrs. R. H. Cress and Beaver, of Centralia, drove through town yesterday.

John L. Williams, of Mt Carmel, was in town on Saturday. Mr. Williams is about 75 years of age and although he has spent sixty of his years about the mines, is erect, hale, hearty and as vigorous as many men twenty years his junior.

M. A. Saeger, the Lehigh Valley station baggage master, was on Saturday the recipient of a handsome gold pin, the gift of his brother and a souvenir of his birthday.

Two men and a woman, all Polish, were thrown from a carriage at Main and Centre streets last evening by the breaking of a bolt. The fore-wheels parted company with the rest of the vehicle, dumping the two men to the ground and pitching the woman on top of them. No one seemed worse for the adventure except the man underneath, who bellowed loudly over his broken hat.

Wayne Kratzer, a diamond salesman from Allentown, was registered at the Hotel Kaier yesterday. Mr. Kratzer carries some of his samples upon his person. One of his fingers was decorated with a big ring of three diamonds valued at $3500 and from his broad white bosom gleamed a beautiful diamond the size of a sparrow's egg and valued at $4500. Although weighing 210 pounds Mr. Kratzer rides a bicycle weighing 26 pounds. He thought of wheeling over the mountain to Shenandoah yesterday afternoon until informed of our good crop of highway robbers who are always pleased to entertain diamond brokers and other people of such affluence.

Telegraphers all over the county, in all over the Reading and Valley lines, are brushing up their Morse in view of entering the speed contest to be held in Shenandoah on May 4th, in connection with a grand ball. Telegraphers are at all times ambitious to "send" their messages a little faster than the fellow at the other end can receive them, and these speed contests generally decide who of the cracks are the fastest. To test their ability, each contestant is given some reading matter to transmit, generally the President's message. At a given signal he rattles off at the top of his speed for five minutes, when the words sent are counted and the operators having the greatest number to their credit are awarded the prizes, the quality of the sending of course being considered by the judges in making the award. The greatest speed yet made was by one Pollock, a New Haven train despatcher, who at a contest in New York about two years ago transmitted 70 words in one minute, a rate that few operators can copy. Pollock beat his... [illegible] of the Western Union by about five words per minute. In the local contests the best speed has been forty-six words per sixty seconds. The Shenandoah boys expect to beat this.

Those who never read the advertisements in their newspapers miss more than they presume. Jonathan Kenison, of Nolan, Worth Co., Iowa, who had been troubled with rheumatism in his back, arms, and shoulders read an item in his paper about how a prominent German citizen of Ft. Madison had been cured. He procured the same medicine, and to use his own words: "It cured me right up." He also says: "A neighbor and his wife were both sick in bed with rheumatism. Their boy was over to my house and said they were so bad he had to do the cooking. I told him of Chamberlain's Pain Balm and how it had cured me, he got a bottle and it cured them up in a week. 50 cent bottles for sale by Grubler Bros.

Preparing for the Mill.

Harry Hughes, champion light weight boxer of Mahanoy valley, was in town on Saturday. "Dinkey," as he is popularly called, was here trying to get a match with some Shenandoah sparrers in the athletic entertainment to be given in Girardville next month. He will go into training soon and expects to be in condition to meet any light weight in Schuylkill county by the night of the show.

It will be an agreeable surprise to persons subject to attacks of bilious colic to learn that prompt relief may be had by taking Chamberlain's Colic, Cholera and Diarrhoea Remedy. In many instances the attack may be prevented by taking this remedy as soon as the first symptoms of the disease appear. 25 and 50 cent bottles for sale by Gruhler Bros.

LAKESIDE RAILWAY.

The Difficulty About Crossings Amicably Settled.

Captain Bailey and other gentlemen connected with the Lakeside railway, called upon General Manager R. H. Wilbur, of the L. V. R. R., in the latter's office at South Bethlehem, on Friday, in reference to the grade crossings of the new line in Mahanoy City and Shenandoah. The Lehigh Valley officials have opposed the grade crossings, and as a reason Mr. Wilbur cited the danger to the electric line's passengers. To his remark, Captain Bailey replied that overhead bridges would be impracticable, and as to danger, the Valley Company would hardly be held liable. The matter was referred to the railroad company's legal department and a permit to cross will probably be handed the Lakeside company to-day.

The line to Lakeside has been surveyed and contracts for grading will be awarded next week. The company hope to carry Delano passengers by June 15, and to Lakeside a month later. The route surveyed is by way of the wagon road from Trenton to Delano, passing through the part of Delano near which the church is located and out across the railroad west of the wagon bridge. The line from this point to Grier City will be parallel with the wagon road for some distance, but about 600 feet west.

From Grier City to the picnic grounds it will traverse the wagon road. The passengers from Delano to Grier City will enjoy a delightful and exciting ride. No better view could be had of the summer beauties of the Quakake valley than while riding down the steep mountain incline. The grade on this part of the line is nearly 275 feet to the mile or about twice the pitch of the Valley road west of the Mahanoy City station.

As there need be few stops the run from Shenandoah to Lakeside may be made in 45 minutes and from Mahanoy City in a half hour.

Our "Sinclair Curtain Frame" is the only one in the state outside the large cities. We got it expressly for lace curtains. At Brennan's Steam Laundry, South Main street. 4-16-tf

DUNKIRK, N. Y., April 23.—The fishing tug Grace, of Dunkirk, commanded by Captain Helwig, was seized by the Canadian authorities off Port Colburne, together with over 3,000 feet of nets. Five other Dunkirk tugs escaped back to American waters. The captain and crew were held with the boat, and the owners in Dunkirk were notified.

Religious Riots in Florida.

PALATKA, Fla., April 23.—George Dunford, a Canadian, has been here several months representing the A. P. A., and has made remarks about the Catholics which have aroused a strong prejudice against him. Saturday night a fight occurred between H. C. Newbeck and Dunford, in which the latter was badly disfigured. Marshall Nix, recently from North Carolina, espoused the A. P. A. cause and is alleged to have made serious remarks against the morality of Catholic priests. This aroused the indignation of the Catholics, and yesterday George E. Mundee, C. J. Rogers and H. G. Newbeck sought Nix in his room and gave him a dreadful cowhiding. Nix was ordered to leave town, but stopped, and was again cowhided. Meantime a crowd of a hundred men seized Dunford and hurried him to the outskirts of the city. Sheriff Hagan sprang into a buggy and started after the crowd. The sheriff seized Dunford, put him in his buggy and drove him to the depot, where he left for Jacksonville, to sail from there for New York. Nix is under the protection of the sheriff.
