COTTOLENE IS MADE TO EAT

Made from clarified oil, expressed from Cotton Seed—as pure and golden as the Southern Sunshine which produces it.

For convenience in handling, there is added to this oil enough beef suet to make it a semi-solid.

The combination of these two pure natural products makes Cottolene, a shortening and cooking fat, with which in healthfulness, cleanliness, flavor and economy, nothing in the world can compare.

IMITATIONS are MADE TO SELL

To sell on the merits of the genuine. To sell by substitution; or by deception. To sell to the injury of the genuine, to the dissatisfaction of the consumer, to the detriment of the dealer, to the loss of all concerned—except the scheming counterfeiter himself.

If you wish the best food and the best health, you should insist that your cooking be done with genuine Cottolene. Refuse all conterfeits.

Sold in 3 and 5 pound pails.

THE STRIKE EXTENDING

Connellsville Coke Workers Join with the Miners.

FRICK'S WORKMEN WILL COME OUT.

Men Who Refused to Engage in the Recent Strike the First to Quit Work at the Call of the United Mine Workers' Association.

CONNELLSVILLE, Pa., April 24.—The delegate convention of coke workers at Scottdale yesterday passed resolutions ordering the entire region out to join the national strike of coal miners. The prospect of spreading the strike in the coke region has thrown this section into excitement. The leaders here now confidently assert that within two days all the miners in the region will be out. While they expected a cessation of work at some of the smallest of the plants yesterday, none even of the most sanguine leaders expected the larger plants to shut down and when the news reached here that the men of Valley and Standard, the largest plants of the region, had all come out, there was general rejoicing among the strikers.

These men refused to join the recent strike, but now they are the first to obey the order of the United Mine Workers' association for the general strike. This indicates that the northern end of the region is prepared to come out, and that Frick's men will join the strike. Many of the operators now admit that the whole region will be on strike in a few days. Some of them predict a long strike, characterized by more violence and bloodshed.

More Illinois Miners Out.

DANVILLE, Ills., April 24.—None of the miners of the Consolidated Coal company' Grape Creek or Kellyville went to work yesterday. These, together with the Fairmont men, constitute the greater number of miners in the Danville field. A few of the smaller mines are still running. None of them have any grievance excepting the Kellyville miners, who have been paid their wages in store checks. The strike is for sympathy. Three large lodges of the United Mine Workers have been organized.

ST. LOUIS, April 24.—Advices from the coal mining district of southern Illinois show that about 1,250 men have been added to the list of strikers. The men in the Halliday pits at St. Johns, Ills., about 250 in number, and the men employed in the mines along the Mobile and Ohio railroad, a thousand or more, have decided to cast their lot with the United Mine Workers' association strike.

The Workman's Argument Prevailed.

PITTSBURG, April 24.—The joint debate yesterday at Turtle Creek between President De Armitt, of the New York and Cleveland Gas Coal company, and Organizer O'Malley, of the Miners' union, resulted in a victory for the miners. On this meeting the success of the strike in this region largely depended, and consequently every effort was put forth on both sides to win the day. At the close of the debate, by unanimous vote, the men decided to obey the call of the National Miners' union. The accession of these men to the ranks will make the number of men out in this district between 18,000 and 20,000.

Missouri Mine Strikers.

KANSAS CITY, Mo., April 24.—The coal mine operators in the Lexington and Higginsville districts have reported to agents here that all the miners are out except those in the Beatty & Jones mines at Higginsville. In the two districts there are between 800 and 900 men out. Two-thirds of them are in the Lexington districts. The Higginsville men have struck on account of the United Mine Workers' order.

West Virginia Miners at Work.

CHARLESTON, W. Va., April 24.—Reassuring reports still come up the river and everything now indicates that there will be no strike among Kanawha miners. At a mass meeting held at Black Band the men all decided to continue work. The men exhausted themselves in the March strike, and quitting work now means starvation.

Indiana Miners at Work.

BRAZIL, Ind., April 24.—The miners and operators of the block coal district will meet here tomorrow to arrange a scale for the coming year. It is hoped the operators will continue to pay the old price until a final settlement is made throughout the country. The men will probably continue work.

Urging a Conference.

CHICAGO, April 24.—Colonel W. P. Rend sent a communication to President McBride, of the United Mine Workers' association, suggesting an immediate conference between the laborers and operators. He said he did not fear disturbances would arise, requiring the interference of military force.

Free Whisky in South Carolina.

COLUMBIA, S. C., April 24.—Governor Tillman today publicly expressed himself on the supreme court decision. He confessed that he cannot solve the problem now puzzling the people of the state—whether prohibition exists, or whether the decision leaves the gap open for free whisky. He gave it as his opinion, however, that the decision means free whisky, the establishment of saloons at every cross roads and street corner, with no law to license, restrain or prevent them in anything they may do.

Died from a Broken Heart.

HOBOKEN, N. J., April 24.—The young son of Patrick McGueness, of this city, died under peculiar circumstances. The body of his mother, who died on Saturday, was being lifted from the icebox to her coffin when the little fellow, who has been sick for some time, saw the body. He became hysterical and died shortly afterwards. The doctors say he died from a broken heart.

Victory for the Olympic Club.

NEW ORLEANS, April 24.—The Olympic club has won a big victory in the supreme court, which yesterday affirmed the decision of the lower court, and the result of which means that the club may give fights again. The suits against the Olympic club were brought several months ago, at the time when there was a sentiment throughout the country against prize fighting.

A Little Child Burned to Death.

ALLENTOWN, Pa., April 24.—Cora, the 4-year-old child of Charles P. Herbert, of Weisenburg, this county, while playing with matches, set fire to her dress and was burned to death. Another child died soon after from scarlet fever. Both will be buried in the same grave.

THE NATION'S LAWMAKERS.

Senator Peffer's Effort to Appoint a "Coxey Committee" Defeated.

WASHINGTON, April 24.—In the senate yesterday Senator Washburn, of Minnesota, consumed almost the entire afternoon in a speech against the tariff bill. In the few moments that remained between the time Senator Washburn concluded his speech and the hour of 5 o'clock Senator Dolph gave another short instalment of his speech.

During the morning session a bill was introduced (by request) by Senator Peffer "to dispose of idle labor and discourage idle wealth in the District of Columbia," which was referred to the committee on the District of Columbia. He also sought to take up from the calendar his resolution for the appointment of a committee on communications—his "Coxey Committee"—but the motion was lost by a vote of 17 to 26.

The house devoted all of yesterday to business from the committee on the District of Columbia. Two bills of more or less general importance were acted upon. The first, which was passed, was a bill extending the time allowed the Metropolitan Street Railroad company, of this city, to change its motive power. The company must within eighteen months put in an underground electric system or forfeit its charter. The other bill was one to permit bookmaking at the regular spring and fall meetings of the jockey clubs and driving parks of the District of Columbia. It was defeated by a vote of 87 to 63.

A Deputy to Stand Trial.

ROME, April 24.—The chamber of deputies gave its assent to the prosecution of Pietro Casilli, who represents the Tenth district of Naples in the Chamber. Casilli is charged by the government with belonging to a criminal association. It is said that he, together with the socialist deputy, De Felice-Ginfrida, and the exile anarchist, Cipriani, plotted to start a revolution in Italy. Casilli will be tried at Naples with forty other socialists and anarchists, who are charged with being implicated in the same plot.

Lynched in a Court House.

NEW ORLEANS, April 24.—Sam Slaughter, Tom Claxton and Dave Hawkins, the three negroes confined in jail at Tallulah charged with being members of the party which shot and killed Manager Boyce on Friday last, were taken from their cells by a mob and hanged to the banisters of the court house. Five of their accomplices are still at large.

Murder Quickly Avenged.

CHEROKEE, Kan., April 24.—On Sunday night several miners went to the house of Frank Haman, a white miner employed at the Schwab mines, near here, for the purpose of robbery. Haman ran out to get help, but was shot dead in the road. Jeff Tuggle, the leader of the mob, was captured and lynched yesterday.

RIOTOUS FEMALES.

They Make a Bold Attack on a Sheriff's Posse.

ONE WOMAN KNOCKED SENSELESS.

She Attempted to Brain an Officer with an Ax, but He Evaded the Blow—Several of the Amazons Wounded in the Battle That Followed.

UNIONTOWN, Pa., April 24.—The Oliver plant near here was the scene of disorder and bloodshed yesterday. A striker named Michael Fetzko stoned the coke drawers while they were at work in the yard. Sheriff Wilhelm and a posse of deputies arrested him, when about fifty women assembled and demanded his release. The officers warned the women not to interfere. The answer was a yell of defiance, and then the whole crowd of cursing, screaming women charged the squad of men, attacking them with every conceivable missile and firearms.

Blood was flowing from numbers of men in a moment, and when some of them had been knocked down they were forced to fight back. Mrs. Fetzko, the leader of the furies, rushed at Deputy Sheriff Richards with an uplifted ax. He evaded the blow and knocked her senseless with his revolver, and she lay stretched at length on the ground with the blood gushing from a gash in her forehead.

The cry was raised that she was killed, and the bedlam of savage excitement cannot be described. But she revived after fully twenty minutes. When she struck at Richards with her ax the other deputies threw off the restraint that had made them helpless against these women heretofore. Numbers of women were felled with blows from maces, others were stabbed with bayonets or beaten with the stocks of Winchesters, and the sheriff had great difficulty in preventing the men from shooting them down like dogs. The situation at Oliver is alarming.

The Top of His Head Knocked Off.

BALTIMORE, April 24.—Thomas Wyeth, 28 years old, and unmarried, had charge of the dynamo that supplies light to the large plant in the Maryland Steel works at Sparrow's Point. Yesterday he was caught by the big belt as he reached under it and hurled against the machinery. The top of his head was knocked off and his brains scattered around the place. This makes the second death in the electrical department of the works in the past month. Professor Reese, who had charge of the plant, while making experiments several weeks ago, accidentally touched a live wire and fell dead.

SAILED THE SEAS 38 YEARS.

One of His Experiences.

For thirty-eight years Capt. Loud followed the sea, most of that time as master of a vessel, and upon retiring from the water was appointed by the Secretary of the United States Treasury to superintend the seal fisheries in Alaska, which position he held five years. He relates one experience as follows:

"For several years I had been troubled with general nervousness and pain in the region of my heart. My greatest affliction was sleeplessness; it was almost impossible at any time to obtain rest and sleep. Having seen Dr. Miles' remedies advertised I began using Nervine. After taking a small quantity the benefit received was so great that I was positively alarmed, thinking the remedy contained opiates which would finally be injurious to me; but on being assured by the druggist that it was perfectly harmless, I continued it together with the Heart Cure. Today I can conscientiously say that Dr. Miles' Restorative Nervine and New Heart Cure did more for me than anything I had ever taken. I had been treated by eminent physicians in New York and San Francisco without benefit. I owe my present good health to the judicious use of these most valuable remedies, and heartily recommend them to all afflicted as I was."—Capt. A. P. Loud, Hampden, Me.

Dr. Miles' Restorative Nervine and New Cure are sold by all druggists on a positive guarantee, or by Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, $1 per bottle, or six bottles for $5, express prepaid. They are free from all opiates and dangerous drugs.
