Persons who sympathize with the afflicted will rejoice with D. E. Carr, of 1225 Harrison street, Kansas City. He is an old sufferer from inflammatory rheumatism, but has not heretofore been troubled in this manner. Last winter he went up into Wisconsin, and in consequence has had another attack. "It came upon me again very acute and severe," he said. "My joints swelled and became inflamed, sore to touch and almost to look at. Upon the urgent request of my mother-in-law I tried Chamberlain's Pain Balm to reduce the swelling and ease the pain, and to my agreeable surprise, it did both. I have used three fifty-cent bottles and believe to be the finest thing for rheumatism, pains and swellings extant. For sale by Gubler Bros."
