The Loss in Chippewn Valley Alone Is Estimated at Fully Two Millions of Dollars Saveral Bridges Gone and Railread Traffic Interrupted.

MILWAUKEE, May 17.—The wall of water sweeping down Black River valley struck River Falls at 1 o'clock in the morning. The fire alarm bells were rung, and the residents hurried from their homes to the aid of those living in the path of the flood. The dam of the prairie mill checked the rush of water for a few minutes, but the wall of stone could not withstand the pressure, and the dam gave way. Two big bridges were carried away. Several small buildings followed. Mealy's starch factory went down stream. Another

factory went down stream. Another large bridge went next.

Foster's sawmill was in the path of the flood, and that suffered. The damage at the Prairie mill is \$2,000, and at Fortune's mill it is \$4,000. Hailroad lines suffered severely from washouts. All the families on the large stream.

At Stillwater, Minn., several houses were undermined by the storm and let down into a guily thirty feet deep. The yard and shops of the penitentiary were flooded with sand, and the loss to the state will be heavy. Big rocks from the hill side were loosened, and one crushed in the roof and wall of the Schupp warehous. The loss is estimated at \$50,000.

Word from Menominee, Wis., states that the Red river is rising rapidly. Word from Rice lake says the water could not be held and the dam was opened. The dam at Codar Falls has given way and now the river is rising and threatening. At Me-nomines it is feared that the dam cannot stand the combined strain.

The Workers Demand a Restoration of the Old Rate, While the Operators Submit a Sixty-five Cont Rate for Pennsylvania and Forty-six Cents for Ohio.

CLEVELAND May 17.—Before the after-oon session of the miners' convention a conference committee of miners and opera tors, appointed at the morning session, held a joint meeting in the chamber of mmorce. The minors submitted their mand, which was a restoration of the old rate. The operators offered a sixty-five cent rate for Pennsylvania and fifty-six cents for Ohio. President John McBride made a strong speech, saying that the miners would never agree to a settlement on this basis,

Meantime the joint committee remained in session until 6 o'clock last evening, when an adjournment was taken. It was announced that no agreement had been reached. The miners refused to recede from their demand for a restoration of the old rate, and the operators, in the absence of instructions, could make no concessions. The operators held another meet ing last evening to determine whether they shall make an offer to settle the strike. The result of their deliberations was not given out.
