

Strikers Released on Bail. St. Joseph, Mo., June 7.—The miners who were arrested charged with stealing a Santa Fe train last week were released on bond yesterday, a formal charge having been made against them in the criminal court. The sum was \$500 in each case, and was furnished by the city marshal of Richmond, Mo., who brought the men sufficient money to pay their fare home, for which place they left at once.

Left Before the Militia Arrived. MARION, Ills., June 7.—The miners broke camp at Cartersville and retreated before the militia arrived. Forty cars of coal were run out that had been held by the miners. Six leaders of the mob, George Tygett, Wat Stocks, Adam Barth, Matt Walker and Parson McGinnis were arrested. There has been no loss of life and no property destroyed except the powder magazines.

Poor Prospects for Settlement. PITTSBURGH, June 7.—The prospect for a settlement of the miners' strike by joint conference committees meeting at Columbus has come to naught as far as the Pittsburgh district is concerned. The Pittsburgh committee appointed to represent the operators of this district is divided, and unless there is a change of sentiment a majority will oppose the Columbus conference and insist upon a sixty-five cent rate. Meanwhile the thick vein operators of the Youghiogheny are preparing to resume with new men under protection of deputy sheriffs.

Ohio Troops Ordered Out. COLUMBUS, O., June 7.—Governor McKinley has ordered out a force of 1,300 militiamen to the scene of the strike in eastern Ohio. All of the command of the Fourteenth regiment and the Eighth regiment and several companies of the Seventeenth regiment have been ordered out. The Fourteenth regiment left on a special train at midnight for eastern Ohio. The scenes of the trouble are in Belmont and Guernsey counties.

Coal Trains Stopped in West Virginia. WHEELING, W. Va., June 7.—Five coal trains on the Baltimore and Ohio were stopped by a mob of strikers at Neffs siding, west of Belaire, and the tracks blocked. The sheriff has gone to the scene, but as he has no deputies he will not be able to accomplish much. Coal trains on the Wheeling and Lake Erie were stopped at Laurelton, and on West Virginia coal whatever is now being shipped by any of these routes.

I earnestly recommend it for children with bowel troubles. I was myself taken with a severe attack of bloody flux, with cramps and pains in my stomach, one-third of a bottle of this remedy cured me. A NOTED CROOK DEAD

Edward Lilly a Victim of Asphyxiation in Baltimore.

BALTIMORE, June 7.—The old man supposed to be Alexander Stewart, who was asphyxiated by gas on Monday, is said to be none other than Edward Lilly, at one time one of the most notorious confidence men, forgers and boarding house thieves in the country. His picture adorns the pages of "Criminals of America." He was known as Henry A. Watson throughout this country and Canada as a most accomplished crook. He was arrested in New York in 1875 for getting \$600 worth of furniture for a worthless check of \$750, and receiving \$100 in change. For this he got two years and six months in prison. His next exploit was in 1879, when he stole money and jewelry to the extent of \$1,000 from a boarding house in Washington square, New York. In this case there was a lack of evidence, and Lilly went free. In 1885 he swindled a New Yorker out of \$250 and an Englishman, whom he met on an Anchor line steamer, out of 102 sovereigns. For this he served five years in the penitentiary. Lilly also had a record in Baltimore. On Jan. 9, 1893, he was picked up as a suspicious character, and was ordered to leave town. A few days later he was again captured and ordered to give the city a wide berth. In early life Lilly was a tent and awning maker in Washington, and is believed to have been born either there or in this city. Marks that led to Lilly's identification were the drawings of a sloop and an owl in India ink on his right arm.

PENNSYLVANIA PROHIBITIONISTS

A Fall State Ticket Nominated, Headed by Charles L. Hawley. WILLIAMSPORT, Pa., June 7.—Yesterday afternoon's session of the state prohibition convention lasted until 6 o'clock, when the ticket had been nominated and the convention adjourned. Following is the ticket nominated: For governor, Charles L. Hawley of Scranton; lieutenant governor, Homer L. Castle of Pittsburgh; auditor general, Charles Palmer of Delaware county; secretary of internal affairs, E. K. Kane of McKean county; congressman-at-large, Rev. L. G. Jordan of Philadelphia.

The new state central committee re-elected H. D. Patton, of Lancaster, chairman, and all of the old officers. Last night a big mass meeting was held, at which Volney B. Cushing, of Maine, and Editor Wheeler, of The Voice, were the speakers. The platform denounces the legalizing of the liquor traffic, favors female suffrage and an educational qualification for all voters, opposes sectarianism in the public schools, urges stringent laws for Sabbath observance, opposes trusts, favors election of president, vice president and United States senators by direct vote of the people and urges liberal pensions.

Robbing the Cherokee Indians. TARKLEIGH, I. T., June 7.—The big Cherokee payment now in progress at this place continues to attract people from all parts of the country. Over \$600,000 of the funds have been paid, and the new money is becoming as common as tradesmen's ledgers. Gambling houses, wheels of fortune and other devices of the sort are running wild open. Reports of robberies of half pay during the time of suspension, in from every direction. Everything is quiet, and but little drinking is being indulged in. No murders or rows have occurred. The next place of payment will be Vinita, beginning June 18.

The Verdict in the Maney Case. ST. PAUL, June 7.—The verdict in the Maney case has just been learned by The Dispatch. Lieutenant Maney was cleared on the first specification, but found guilty of the charge of conduct unbecoming an officer, and the sentence was suspension for one year, with forfeiture of half pay during the time of suspension. A recommendation to executive clemency, which accompanied the sentence, it is believed, may serve to clear him from the severity of the sentence.

Nebraska's Big Cowboy Race. CHADRON, Neb., June 7.—The hundred mile cowboy race against time was started yesterday in the presence of 2,000 people, with nine entries. The event will last three days. The track is five miles long, and the time expected to be consumed is eight hours, though the high wind prevailing may extend the time an hour. The judges, to prevent the cowboys riding too hard, have agreed to suspend any rider exhibiting cruelty to his horse.

British Columbia's Flood Subiding. VANCOUVER, B. C., June 7.—News from up the river is that the water is falling. Methods of communications are in such a demoralized condition that it is as yet impossible to estimate the loss of life or the damage to property. A number of bodies have been recovered, and it is known that many persons have been drowned. Victoria, Vancouver and Nanaimo are the only towns in British Columbia not affected by the high water.

Eight Years for Murder. BALTIMORE, June 7.—John T. Bunce, who was convicted on Saturday of murder in the second degree for killing Mrs. Martha E. Tegeler, was sentenced yesterday by Judge Harlan to eight years in the penitentiary. The crime was committed on Feb. 28. Mrs. Tegeler was found with seven wounds on her head and a bloody hatchet was lying on the floor. She died on March 5.

Industrialists Harred Out. CAIRO, Ills., June 7.—The advance guard of Kelly's fleet attempted to make a landing here yesterday, but was prevented by special officers, who are patrolling the levee. The men crossed to the Missouri side of the river, where they will wait the arrival of Kelly and the rest of the navy. The authorities are determined to keep the industrialists out of the city.

A Sympathetic Pastor Called Down. DENVER, June 7.—Rev. Myron Reed, pastor of the First Congregational church, has been summoned by the board of trustees of that church to explain his expressions of sympathy for the strikers at Cripple Creek and condemnation of the deputy sheriffs. Half the audience walked out Sunday to show their disapproval of his remarks.

Ex-Secretary Foster Home Again. SAN FRANCISCO, June 7.—Ex-Secretary of State John W. Foster arrived from the Orient yesterday on the steamer China. After the Behring sea commission concluded its session at Paris Mr. Foster started on a tour of the world. The ex-secretary will pay a short visit to Monterey and then leave for Washington.

The Weather. Fair, warmer; west to southwest winds.

Kansas Miners Working Full Time. PITTSBURGH, Kan., June 7.—Shaft No. 3 of the Western Lead Mining company, at Fleming, started yesterday with a full force of men. Now every shaft in the district is at work, and the men are making full time. There is some talk, however, of a visit from the Missouri miners.

Kentucky Miners Threatening ASHLAND, Ky., June 7.—The organized miners of this district have decided to use force if necessary to prevent the further delivery of coal to local mills and furnaces. The warnings will be sent out at once, and will very likely be respected.

Mrs. Cleveland at Gray Gables. BUZZARD'S BAY, Mass., June 7.—Mrs. Cleveland and her two children arrived here today, having left Washington yesterday morning. She will probably not return to Washington until the middle of October. In addition to the children, Mrs. Cleveland was accompanied by the German governess, two maids and the president's valet. She found Gray Gables completely ready for occupancy.

Robbed a Bank at Noonday. NEW YORK, June 7.—Arsangelo Defeo, an Italian banker at 95 Park street, was robbed of \$400 at noon by Harry Jais and Michael Olinio. The men went to the bank, and one represented himself as a detective. They got Defeo's attention diverted and then took the money from the inside window.

PAINT cracks.—It often costs more to prepare a house for repainting that has been painted in the first place with cheap ready-mixed paints, than it would to have painted it twice with strictly pure white lead, ground in pure linseed oil.

Strictly Pure White Lead forms a permanent base for repainting and never has to be burned or scraped off on account of scaling or cracking. It is always smooth and clean. To be sure of getting strictly pure white lead, purchase this brand:
