Republican State Ticket.

For Governor, GENL. DANIEL H. HASTINGS, Centre county. For Lieutenant Governor, WALTER LYON, Allegheny county.

For Auditor General, AMOS H. MYLES, Lancaster county. For Secretary Internal Affairs, JAMES W. LATTI, Philadelphia county.

For Congressmen-at-Large, GALUBA A. GROW, Susquehanna county. GEORGE F. HUFF, Westmoreland county.

The police investigation in New York is still on, and each succeeding witness adds to the many disgraceful revelations. How many more of the captains are yet to be overhauled is a problem, but if the committee performs its whole duty there will be very few who will pass unscathed.

THAT IS THE QUESTION.

If the Republicans of the 30th Senatorial district could attach any degree of certainty to their prospects for carrying it, irrespective of who the candidate might be, there would perhaps be some excuse for the fight which is now being made for the nomination, but it is generally known that no such certainty exists.

Mr. Coyle was not the choice of the HERALD for the Legislature two years ago, but he was nominated and elected upon the very policy through which the Republicans can alone elect a representative to the State Senate from this district this year.

It is true there are bitter grievances against Mr. Coyle, but they do not arise from any fault on his part as a member of the Legislature. They partake more of a personal character.

There are many men in this district who we believe to be the superior of Mr. Coyle in many respects, yet we do not believe, in face of all the circumstances, there is one of them who can make the Senatorial fight as successfully as Mr. Coyle.

The influence of a Republican cyclone sweeping through the state. It is human to err and we may possibly be mistaken in our opinion of the situation, but we have weighed the matter carefully and conscientiously believe it will be better for the interests of the Republican party in the Thirtieth Senatorial district to nominate Mr. Coyle and do not believe there is another man in the district who possesses the peculiar advantages that he does.

It is a safe remedial agent, a tonic and nerve guaranteed to cure those disorders and derangements incident to womanhood, or the money paid for it is returned. It would not pay to sell a poor medicine on these terms.

STILL STEALING TRAINS

Coxeyites Undeterred by Prosecution and Imprisonment. SPRINGFIELD, Ill., June 14.—Bluford Wilson, solicitor for the receivers of the Louisville, Evansville and St. Louis Consolidated Railroad company, received a telegram from J. R. Sampson, superintendent of the road, that fifty Coxeyites had seized last freight No. 78, bound from St. Louis to Louisville, and demanded free passage.

OMAHA, June 14.—Judge Dundy telegraphed United States Attorney General Olney for troops to protect the Union Pacific railway from further Coxeyite attacks at Julesburg and Ogallala. There is intense excitement at Julesburg. There are fully 600 Coxeyites there, who are a part of the Carter army which formed in Utah and stole one train. They are desperate, for they cannot go to Denver, having been sent there with a farewell of provisions to last them "for keeps."

LEAVENWORTH, Kan., June 14.—Judge Thomas of the United States circuit court, found Captain J. A. Ralston, Court Sergeant Frank E. Woods and Commissioner Ed Hart, leaders of the band of Coxeyites who seized a Union Pacific train at Watkins, Colo., and were captured at Ellis, Kan., guilty of contempt in that they interfered with a road in the hands of a receiver. Judge Thomas sentenced the men each to forty days in jail.

LOS ANGELES, Cal., June 14.—Judge Ross, in the United States court, yesterday sentenced the 170 Weathers who stole the train on the Atlantic and Pacific to four months in jail. Judge Ross has received a letter threatening dynamite.

Death of Baron Nicotera. NAPLES, June 14.—Baron Giovanni Nicotera, ex-minister of the interior and one of Italy's foremost statesmen, died at Vico Equense, near this city. Father and Child Killed by an Explosion. WILLIAMSPORT, Pa., June 14.—A sixty-five horse power boiler in the saw mill of Gressler & Co., at Dely, on the Fall Brook railroad, above Williamsport, exploded last night, killing Joseph Rickner and his 5-year-old daughter, and burying them in the ruins of the mill. Rickner, who was the foreman in the mill, had gone to the place with his child for the purpose of banking the fire for the night.

SPRING VALLEY, Ill., June 14.—At a delegate meeting of northern Illinois miners here yesterday, at which at least 10,000 miners were represented, it was unanimously voted to never dig a ton of coal until the operators restore last year's prices.

"We, the miners of Spring Valley, Ill., in mass meeting assembled, believe such action on the part of the national officers for which we are contending. We repudiate the action of our national officers in adopting the aforesaid scale, and call upon those who signed the scale to resign from the positions which they have disgraced.

CINCINNATI, June 14.—Dispatches from the mining districts in Ohio show that the miners are more determined than ever to reject the Columbus compromise agreement. They are conferring at different points to prevent work next Monday on the sixty-cent scale.

CAMDEN, N. J., June 14.—The house of assembly committee on elections began its investigation yesterday into the right of William J. Thompson, of Gloucester, to take his seat in the house. The sessions are to be held at the Camden court house, and a large number of witnesses have been subpoenaed in an attempt to prove fraud at the polls.

WASHINGTON, June 14.—A brief cablegram has been received at the state department from United States Minister Sill at Seoul, Corea, confirming the accounts already received of the uprising in that country.

FROSTBURG, Md., June 14.—Efforts at Louisa county to open the Detmold mine proved unavailing, the men who wanted to go to work being driven back by the strikers. Additional men went to work in Eckhart mine, but the situation at Hoffman mine continues the same, and Hoffman is considered the key to the situation.

NO TRUCE IN COLORADO. DENVER, June 14.—The coal miners' strike in this state does not appear to be nearing a settlement. Over three hundred men employed in the Crested Butte mines have decided to strike until the schedule of three years ago is restored.
