RAMAPO THE WINNER.

Captures the Suburban at Coney Island in Quick Time.

A LIVELY BRUSH AT THE FINISH.

Sport Puts on a spurt Which Forces Ramapo and Banquet to Their Speedlest-Taral, Who Rode the Winner, Goes in Chicago for the American Derby.

New York, June 22.-Suburban day at the Coney Island Jockey club track set in hot, but before the first race a cool air from the sea made the heat a trifle more bearable, although it was still too warm to move about. The attendance was by no means as great as on Brooklyn handi-cap day at Gravesend, but still there was an uncomfortable crowd. When the great race was started there was no such crowds of spectators covering the lawn as on the first day of the racing season. In the bet-ting ring, however, it was almost impossible to move about, and when some book-maker boisted a little better odds than another on some favorite animal the rush was irresistable. Hats were lost, coats were torn and tempers spolled in the struggle, and scarcely anybody escaped

the wild rushes.

It was a great day for the Coney Island Jockey ciub, and not less than 25,000 peo-ple were present to enjoy the sport. All went home happy for the favorite had won the Suburban. It was a wise move of Taral's to pay 8500 for the mount, as it brought him in much more money, for Rideon and Daly are by no means parsi-

minious owners. When the trumpet sounded for the Subarban the horses came out, and made the usual parade, with Henry of Navarrelead usual parade, with Henry of Navarre lead-ing, followed by Sport, Kinglet, Com-anche, Banquet, Bamapo, Charade, King Lee, Don Alonzo, St. Michael and Pick-pocket bringing up the rear kicking and plunging. Sir Walter was not in the pa-rade, but followed the others up to the postand getting the most amiluse, as he post and getting the most applause, as he was the only one who could be singled

At quarter before 5 o'clock the twelve At quarter before 5 o'clock the twelve horses which were to contend for the val-uable prize were all at the post. Several times they broke away and one or two were left. Finally Starter Rowe got down on the ground and tried his luck from that point. In the second break he caught them all in motion and sent them away to a fine start, with Kinglet leading, fol-lowed by Henry of Navarre, Pickpocket Banquet, Comanche, Ramapo, Sir Wal ter and the others.

The first quarter was run in twenty-five seconds, and then Kinglet had a length the best of it, while Banquet, with all of his weight, was taken into second place Simms, only half a length in front of amapo, on whom Taral had a gentle pull. Half a length behind Ramapo was Pickpecket, but Henry of Navarre, the 3year-old of which so much was expected,

year-old of which so much was expected, dropped back into fifth place.

The half mile pole was passed by the fly-ing Kinglet in 50 1-5 secs., but he was only three parts of a length in front of Ban-quet. Banquet was still half a length ahead of the next horse, but it was Pick-pocket who had changed places with Ramapo, and looked exceedingly dangerous. Henry of Navarre was still fifth, but could not get any nearer to the flying

At the three-quarters Banquet passed At the three-quarters Banquet passed the pole first in 1.161-5, leading Kinglet by a head. Kinglet was then two lengths ahead of Pickpocket, who was still going strongly, he in turn two lengths ahead of Henry of Navarre, Taral having let the 3-year-old pass him at the point. Sir Walter was running strongly in the sixth place. The time to the mile root was 141 and Kinglet, ander Grifpost was 1.41, and Kinglet, under Grif-fin's strong urging, had got the first place by a head from Banquet, but it was the last effort of that badly tired horse. Pick-pocket was still there, but by only a head ver Henry of Navarre, he in turn being a eck in front of Ramapo, Sir Walter still uning in the sixth place, and Sport was

Then came the turn into the stretch, and "Look at Sport" was the cry, for Thompson took him around next to the rail and he was cutting down the others in a most remarkable fashion. Taral heard the thunder of Sport's heels close behind him, as did Simms on Banquet, and they woke up to the fact that the rogue was coming down the stretch like a thunderbolt, and was fighting like grim death for at least a part of the money. Kinglet quit immediately, and took no further interest in the contest. Pickpocket had had enough of it, too, and he dropped back without a numur. Sport was not alone in his rush for the westerner. King While deaning house, will do well to call on or address. Lee was coming along, too, and it was apparent that the finish would lay between parent that the miss would say between Ramapo, Banquet, Sport and King Lee. Taral was riding Ramapo for dear life, with Banquet still a long distance in front, but he was gaining a few inches with every jump, while Sport was hang-ing on altogether too well to suit either Simms or Taral.

The three ran close together until the

The three ran close together until the last fifty yards, when the persistent spur-ring and flogging of Taral gradually drove Ramapo's head in front. Banquet's nose was beside him and it was all over. The game gelding was not equal to the emerg-ency, and he had to be content with sec-ond place, two lengths in front of Sport. King Lee got fourth by four lengths from Henry of Navarre, who ran a game race, but was in too fast company for his weight. Pickpocket was sixth, Sir Wal-ter seventh and the rest trailing behind,

ter seventh and the rest training beams, some of them pulled up.

The mile and a quarter was made by Ramapo in 2001-5.

After the race Taral, left at once for Chicago, where he rides Domino in the
