Last June, Dick Crawford brought his twelve months old child, suffering from infantile diarrhoea, to me. It had been weaned at four months old and being sickly everything ran through it like water through a sieve.

When Baby was sick, we gave for Castoria.

When she was a child, she used for Castoria.

When she became a girl, she clung to Castoria.

When she had children, she gave them Castoria.

WIPED OUT BY FLAME

The Town of Greenbush, N. J., Entirely Destroyed by Fire

EGG HARBOR CITY, N. J., July 18.—There is no end yet to the forest fires that have been raging in this city for the past week.

The residents in the mountains had driven their live stock to a place of safety, and when it became apparent that the village was doomed they loaded their household effects into wagons and hurried them away.

The flames reached the houses, the village stood in a little clearing in the pine belt, and the stacks of hay and the dry wood of the buildings proved even better food for the element than the woods around.

The village is now encamped in a clearing some miles away. In addition to the destruction of this village many residences and barns in the course of the fire have been destroyed.

A Discharged Employee's Death

DALLAS, Tex., July 18.—Just after the South Dallas cotton mill started work H. P. Barner, hose weaver, entered the office of superintendent A. H. Nickel, and assaulted that official with a knife.

Barner was arrested and taken to the jail. He was found to be suffering from a brain fever, and died yesterday.

Wounds to Father's Fatally Shot

NOTHINGVILLE, Miss., July 18.—George P. Wentworth, a young farmer living in the outskirts of this place, attempted to murder his father, John P. Wentworth, at their home last night, but met a terrible retribution.

The father was shot in the chest and was killed. The son was also wounded and is now in the hospital.

Hotel Kaiser, Mahanoy City, Charles Barrell, proprietor, has been arrested for the same reason.

Coming Events

July 19, 20, 21.—Bazaar of Nations, in Robb's opera house, under auspices of the R. Y. P. U.

July 20.—Lawn party for the benefit of All Saints' P. K. church at the residence of Dr. C. M. Dordner.

July 21.—Ice cream festival and bazaar, under the auspices of Camp 49, P. O. of T. A., in Robb's hall.

THE BIRMINGHAM TROUBLE

Over a Hundred Rioters Arrested for Participating in Tuesday's Battle.

BIRMINGHAM, Ala., July 18.—The situation is yet one of uneasiness and uncertainty. The arrival of the militia has had a quieting effect, but it is their presence which prevents a more serious state of affairs.

The dead, so far as known, are: B. W. Tiers, chief of the guards; John Flore, a French rioter; three unknown non-union miners; Anthony Carroll, a negro miner; George Campbell, a negro miner; will die; Rodriquez Rogues, a striking miner; Phillip Steiniz, a striker; Barney Anderson, a negro non-union miner.

The indignation of the citizens at the outrage reached a climax when a mass meeting was held to denounce the strikers. Strong resolutions were adopted and a committee on public safety was appointed to aid the authorities in bringing the guilty parties to justice.

The mines are guarded by fifteen companies of soldiers with orders to shoot to kill, and if another attack is made the troops will make short work of the rioters. Over a hundred strikers were arrested during the day. The prisoners were brought to Birmingham and are being guarded by a strong force of deputy sheriffs at the Jefferson county jail.

Two unsuccessful attempts to burn loaded freight cars were made in the Georgia Pacific yards. An attempt was also made to wreck passenger train No. 4, on the Louisville and Nashville route, but the engineer discovered the plot in time to save the lives of nearly a hundred passengers. All of the railroad yards here are being patrolled by soldiers and deputy sheriffs.

Beating Assaults on Trainmen

FORT WAYNE, Ind., July 18.—New men employed on Fort Wayne railroads, in the yards and as trainmen, are hourly subjected to the most brutal assaults from discharged men, Arthur Baldwin, Nickel Plate switchman, was found in the yards yesterday. Three other switchmen and a call boy were stoned. Conductor Mulehaly of the Pennsylvania road, was knocked down by a large stone and kicked in the face. Three switchmen in the Pennsylvania yards were clubbed. Both Nickel Plate and Washab passenger trains were stoned. Christian Hess, the only rioter arrested, fired two shots at Captain Borgmann, of the city police, before he surrendered.

Tricked to Wreck a Train

CHICAGO, July 18.—A mob of 300 men, armed with clubs and crowbars, tried to tear up the Michigan Central tracks five miles east of Hammond, Ind. The engineer was suspicious, and only slackened up. On either side of the track stood crowds of men, and some of them were at work on the fish plates when the train came in sight. When the mob saw that their signal was disregarded several of its members drew pistols and began firing at the trainmen. The shots caused the engineer to open the throttle, and the train sped away at a forty mile clip followed by a shower of bullets and stones.

Quoits for Breckinridge

LEXINGTON, Ky., July 18.—Fayette county held the two chief Ashland district congressional candidates yesterday. Colonel Breckinridge speaking at Donnell and Mr. Owens at Muir. There were many ladies present at both meetings.

The women at Donnell threw quoits at Breckinridge by the score, and the platform was smacked when he compared them to the women of old who sympathized with Stephen when stones were being cast at him. Breckinridge left for Washington after kissing his son Desha good-by in the presence of the audience.

Diseased Cows Killed

ONEIDA, N. Y., July 18.—The farmers of this vicinity are greatly agitated by the announcement that Dr. Henderson, of Syracuse, had condemned to death thirty-two head of cattle of Oneida Community (limited). Under the direction of the state commissioners he reported his decision after repeated tests for tuberculosis. It is feared that many animals here are afflicted with the disease, and there is much alarm among milk producers and consumers.

French Deputies Excited

PARIS, July 18.—It is stated that the cabinet will make the press bill a question of confidence in the government. The Radical newspapers continue to make a fierce opposition to this measure, and M. Drumont, editor of the anti-Semitic organ, 'Le Libre Parole,' has fled to Belgium rather than face the law. Mr. Drumont predicts that the passage of the press bill will be speedily followed by a revolution.

Mr. Cunningham opened the cemetery gates and a boy named Larkins attempted to drive in, but made a short turn and upset the wagon, dumping out the corpse. The horses attempted to run away and in checking them Mr. Cunningham's face was gashed and his side badly bruised. The boy had his leg bruised and the wagon was considerably damaged.

The picnic of the Mahanoy City Fish and Game Protective Association at Lakeside yesterday was a glorious success and it is in order to congratulate the committee of arrangements. It was a good day out. All the fish caught was put back in the water. The judges of the contests are also deserving of favorable mention. They gave a number of the competitors lessons how to keep off the grass. The police arrangements were in charge of Capt. Lugan and Lieut. Stern. Perfect order was preserved.

The amusements were of a varied character, and among the features were the melodious waltzes of Wallace Golderman and Alkin Seltzer. Among those who made addresses were E. B. Stillman, T. H. B. Lyons, Capt. H. Rindler, D. P. Faust, Col. Wetberil, C. W. Parkins, W. A. Bensing and J. W. Parker. The restaurant was excellently managed by Dr. H. J. J. Kelley transacted business in Shenandoah today.

At the circus on Monday evening Manager Walsh announced that the bear he had tamed by the name of Caray would wrestle the bear he had. Large numbers of people waited especially for this event, but they were disappointed, as the young man did not appear. Probably it was some of his companions and had refused the announcement as a joke on him. We do not think the young man ever signified his intention of doing so.

The Centralia Grays have defined a challenge sent them by the Ivy Leaf base ball club of town on the grounds that the latter have made no record for themselves in the best of the year and have not played one game this season. We would advise the I. L. to make a record soon and make it a little better than 14 to 0.

The shooting match to be held on Saturday is exciting considerable interest here and in neighboring towns. It promises to be one of the best ever held here.

Don't forget the W. C. band picnic on Saturday. It will be a grand one. Refreshments and amusements of all kinds will be plentiful and a good orchestra will furnish music for those who delight in dancing.
