They Issue an Address to the People of Alabama.

CHARGES OF FRAUD REITERATED.

"No Doubt That the Ticket Headed by Captain Kolb Has Been Elected," They Say, and Kolb Asserts That He Will Organize a Real State Government.

BIRMINGHAM, Ala., Aug. 10.—The conference of Kolb leaders give out a statement, which says: "The election returns, as reported by the press and supporters of the ticket headed by Colonel Oates, show a repetition of the election frauds of 1892, with less pretext and absolutely without the least semblance of justification, in order to overcome legitimate majorities for our ticket in forty-one white counties. These false and fraudulent majorities aggregate 94,107 from fifteen black belt counties. In 1892 these same black belt counties aggregated majorities of 89,000."

"In addition to these frauds that have been perpetrated in white counties is not less than 15,000. With the consumption of these has also been brought forth four or five fraudulent elections of senators and eleven or twelve fraudulent elections of representatives in the general assembly. This outrageous action, intensified by the impudence and affront with which it has been done, displayed a disregard of public sentiment in such a brazen faced manner that it seems to have been intended to add insult to injury."

"The law under which the election of 1892 was held, which was devised to assure the prevention of fraud with ease, facility and safety, has been amended by the Sayre law, the purposes of which were to disfranchise illiterate voters and to assure the perpetration of greater frauds by the election just held, and has been known and intended by the usurper who exercises the function of governor, illustrated by his remark when he signed that bill. A contest law was promised to allay and prevent a popular uprising in 1892, to be broken in the most shameful manner, and the perdy and treachery displayed was afterwards boasted of as a fine piece of legwork."

"We admonish our people not to accept promises nor pledges from those who have proven themselves recreant to every requirement of law, to every demand of honor, and to every exaction of duty. They demonstrated that they are enemies to liberty, and Republican institutions."

"The conditions in this state have reached a climax. There is no doubt that the state ticket headed by Captain Kolb has been elected. The alternative is presented of submission to wrong, insult and robbery or to assert the sovereign power, before which thrones, scepters fall and the outrages of tyrants cease. That alternative must meet a response from manhood or silent submission from those unworthy of citizenship. We do not advise fighting or lawlessness of any kind."

"The statement recommends the holding of meetings on Thursday, the 23d of August, at the respective court houses, to act upon this great crisis, and to insist that manhood, patriotism and love of liberty, which has always evoked prompt and decisive action from them, shall find expression in their course, that will be creditable to their revolutionary sires, and furnish a precedent in our history to which all will ever revert with pride and satisfaction. At the same time and place we would urge the organization of law and order leagues to uphold the supremacy of that greatest of all law and power—the sovereign will of a free people."

FIGHTING THE HEALTH OFFICERS

A Mob of Two Thousand Attacks the Van in Milwaukee. MILWAUKEE, Aug. 10.—The rebellion against the enforcement of sanitary laws bearing on smallpox cases has assumed alarming proportions in this city. The health department van, with a crew of six officers, went to the house of Ferdinand J. Butler, at 736 Muskego avenue, where a child was suffering from the disease.

Inside of ten minutes there was a mob of fully 2,000 persons on the scene. There were loud cries and threats against the health department officers, and a few stones were thrown. Before much damage could be done, however, a squad of city police arrived. The health officers broke in the door and soon reappeared with the sick child, which was placed in the van. The crowd now became furious, and as the van started up made a determined charge. The police would have been overpowered had not a patrol wagon filled with officers arrived.

Guarded by the police, the van passed through the mob and started for the hospital, pursued by the crowd. The patient was placed in the hospital before the leaders of the mob got there, but the rioters threatened to overturn the van. The police finally succeeded in getting to the health officers and their conveyance safely back through the crowd.

After a fight in which thirty men were injured, the police last night dispersed a meeting called to protest against the action of the health officers.

Scranton Baseballs on Strike.

Scranton, Pa., Aug. 10.—There was a sympathetic strike among the members of the Scranton baseball team yesterday, and the man refused to go to the park and play the scheduled game with Springfield. The trouble was occasioned by the removal of Mart Swift, who managed the Scranton Pennsylvania State League team, and whose resignation was requested by the board of directors of the Scranton Baseball association Wednesday evening. Swift induced Messrs. Pheasant, Wetzel, Westlake, Staltz and Pletcher Flanagan to accompany him to Carbonate, where he is to manage the club that will take the place of Allentown in the State League. Catchers, Rogers and Patchen are the only old players who refused to go with Swift.

A Murderer's Waiver.

New York, Aug. 10.—Charles Miller, awaiting trial for the murder of August Loeffler, watchman in H-yde's candy factory about three months ago, got his throat in his cell in the Tombs yesterday, and died after reaching the hospital.

No Respite for Malison.

HARRISBURG, Aug. 10.—Governor Pattison has refused to grant a respite for Noel Malison, who is under sentence to be hanged at Pittsburg on Sept. 6.

THE SHEENANDOAH BOYS BRANCHED UP YESTERDAY.

The Coal Diggers Play Ball Down on the Farm. The Sheenandoah boys branched up yesterday and won their first state league game by defeating the Lancaster on their own farm. The latter got a lead by making a run in the second and third innings, but in the fourth and fifth the coal diggers took a decided lead and the Lancaster were unable to beat them out. Col. Jim Scheffly, who is on the road with the Sheenandoahs, has evidently been giving some of the boys a certain lecture. O'Hara's playing shows a marked improvement lately. Score:

DIAMOND DOTS.

The coal diggers are commencing to set the other clubs thinking. The Readings will fill the date. The Scrantons are about to drop out of the Eastern league, in fact disband altogether. It is understood Manager Brennan has an offer of several of the Scranton team players. Reading's Sunday battery will be Croy and Fox, Baldwin, Mulderg and Kelly. The admission to Sunday games at the Trotting park will be 15 cents, but for all regular league games 25 cents will be charged. This rate is governed by the rules of the league. Shenandoah is expected to put up great bids with the aid of several local bookies, when they blow in here. Our boys are going to do the same and agree game will be played—Hazleton Plain Speaker. There is a rumor that King Kelly's aggregation will take the Birmingham franchise in the Eastern league and Scranton will jump back to the state league, taking Allentown's place. It is not plausible, however.

ATTRACTIVE SUMMER OUTING.

A Tour Among the Lakes and Islands of the North, via the Pennsylvania Railroad. The party composing the Pennsylvania railroad's first tour to the North has just returned home, delighted not only with the general attractiveness of the trip, but the admirable manner in which it was conducted. The second party is now forming, and will go out under like conditions on August 31st, reaching home on return trip September 3d. The party will leave Philadelphia in special Pullman parlor cars over the picturesque route of the Pennsylvania to Watkins Glen, thence to Niagara Falls, the Thousand Islands, the Koids of the St. Lawrence, Montreal, Au Sable Chasm, Lakes Champlain and George, Saratoga, and, lastly, a delightful trip down the romantic Hudson.

Ample time is allowed at each point for sight-seeing, and all the traveling is done by daylight. It would be a difficult matter to plan a trip of greater diversity of interest and attraction, and for those whose summer vacation is limited there is no outing comparable to it. The round-trip rates, including all necessary expenses, to New York, Philadelphia, Newark, Trenton, Baltimore, and Washington, is \$60.00. Tickets will also be sold from other stations at proportionate rates. Tourist Agent and Chaperson will conduct the party. For tickets, descriptive itineraries, and reservation of seats on the train, address Tourist Agent, Pennsylvania Railroad Company, Broad street station, Philadelphia.

WHY Fight Against Removal.

BALTIMORE, Aug. 10.—Shipping Commission 2,700, he was Wednesday a resister yesterday: "I do not propose to leave this office without making a fight. If necessary I shall carry the case to the supreme court of the United States. I have always discharged the duties of the office to the satisfaction of the shipping men, and I will stay right here."

Wyatt's Carvass.

Joseph Wyatt, the candidate for the Legislature in this district, is making a remarkably strong canvass, and his nomination now appears almost a certainty. Reports from the various quarters show that the Wyatt sentiment is constantly increasing. Mr. Wyatt has omitted nothing fair and honorable to win in this contest and should he receive the nomination it will be hard and creditable work justly rewarded.

Special low prices to all in watches, jewelry and silverware at Holderman's, corner Main and Lloyd streets.
